\$ NA

D. Tax Increment Assistance:

\$ NA

E. Other (Describe _____)

\$ NA

IX. Name & Address of Architect, Engineer and General Contractor:

Webb & Company Architects, 387 N. Walnut St., Grand Island, NE 6880, Marvin Webb (308) 381-8013

Mayhew Signs, Inc., 4413 E. Hwy 30, Grand Island, NE 68802, Carl Mayhew (308) 382-7230

Vitrolite Specialists, Inc., 2402 Bredell Ave., St Louis, MO 63143, Tim Dunn (314) 6454-4317

Contractors I have planned to use for the parking lot: Funds not paid for by CRA, my own out of pocket expense

New Wave Concrete, LLC., 192 Ridge Rd, Grand Island, NE 68801, Bob Baker (308) 383-2269

X. Project Construction Schedule:

A. Construction Start Date: Oct. 6, 2016

B. Construction Completion Date: July, 2017

Financing Request Information

- I. Describe Amount and Purpose for Which Façade Improvement Program Funds are Requested:
To achieve all items listed on "Information Attached Sheet" as applicable
to exterior improvements to restore the look of the historic building.
To add to the improvement the Downtown city area and put the
building back into a viable service providing business.

II. Statement Identifying Financial Gap and Necessity for use of Façade Improvement Program Funds or Proposed Project: Timothy and Trina Lindell will have invested in excess \$168,404 on the commercial building located at 722, 724, and 726 W. 3rd St. in Downtown Grand Island.
The commercial space will be fully remodeled inside for the use of a music store, music education center, and community functions/ activities. We are respectfully requesting assistance with the facade portion of the redevelopment project to complete the renovation of this beautiful historic Grand Island building.
Thank you for the consideration in helping us to restore Grand Island's downtown to it's original glory.

X _____ Grant to Redeveloper; or
_____ Interest Rate Buy-Down

New Wave Concrete, LLC

192 Ridge Rd • Grand Island, NE 68801

October 12, 2015

Timothy Lindell
4234 Airport Road
Grand Island, NE 68801

Project: Paving 3rd and Eddy

New Wave Concrete LLC is pleased to submit costs to remove and replace existing paving as per the following:

The following is included in our proposal:

1. Remove and haul off approximately 6500 square feet of existing paving.
2. Install 6" thick concrete in same area using 6 sack 4000 psi sand and gravel with 15% rock.
3. Concrete to receive a broom finish. Saw cut control joints and expansion joint where needed.
4. Final clean up upon completion.

The following is not included in this proposal:

1. Relocate or repair to any underground lines or piping if encountered.
2. Over excavating for any unsuitable sub soils.
3. Permits, concrete testing or soil investigation.
4. Joint sealants or surface sealers.
5. Reinforcing, unless alternate #1 is accepted.

Total cost to complete the above would be \$32,780.00

Alternate #1 Reinforcing. Add #4 rebar 2' on centers both directions. Add \$6,556.00

Thank you for letting New Wave Concrete prepare these cost for you.

Sincerely,

Greg Ruzicka
