Council Agenda Memo

From: Shannon Callahan, Street Superintendent

Meeting: December 27, 2016

Subject: Approving the Certificate of Compliance with the Nebraska Department of Roads for Maintenance Agreement No. 12; Calendar Year 2016

Presenter(s): John Collins PE, Public Works Director

Background

The City of Grand Island and the Nebraska Department of Roads have had an agreement for the maintenance of state highways within the City limits dating back to 1970. Maintenance responsibilities for State highways within the corporate City limits are defined by state statute.

The Nebraska Department of Roads (NDOR) is responsible for the cost of the maintenance of the highway lanes through a community and the City is responsible for the cost of the maintenance of any highway widening including parking, additional thru lanes or left turn lanes. The statutes provide that the NDOR is to reimburse the City for work the City performs on NDOR's highway lanes.

Discussion

The agreement requires the City to certify that it has completed the maintenance work required by the agreement for the 2016 calendar year.

The NDOR performs snow removal on NE Highway 2, US Highway 281, US Highway 34, and a portion of US Highway 30 from the west City limits to Johnstown Road. The City performs snow removal on US Highway 30 from Johnstown Road through town to the east City limits at Shady Bend Road. The City performs the surface maintenance on all state highways within the City limits. The net result of this exchange of services is a payment by the Nebraska Department of Roads to the City of Grand Island in the amount of \$35,672.00.

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:
