OFFICIAL PROCEEDINGS

MINUTES OF COMMUNITY REDEVELOPMENT AUTHORITY MEETING OF February 8, 2017

Pursuant to due call and notice thereof, a Regular Meeting of the Community Redevelopment Authority of the City of Grand Island, Nebraska was conducted on February 8, 2017 at City Hall 100 E. First Street. Notice of the meeting was given in the February 1, 2017 Grand Island Independent.

1. CALL TO ORDER. Tom Gdowski called the meeting to order at 4:02 p.m. The following members were present: Gdowski, Glen Murray, Glenn Wilson and Krae Dutoit. Member Sue Pirnie was absent. Also present were: Director, Chad Nabity; Planning Administrative Assistant Tracy Overstreet; Brian Schultz from the Grand Island Finance Department; Grand Island City Administrator Marlan Ferguson; Grand Island City Council President Vaughn Minton; developer John Anson; Dana Jelinek, director of the Grand Island Area Habitat for Humanity; and Austin Koeller of the Grand Island Independent.

Gdowski stated this was a public meeting subject to the open meeting laws of the State of Nebraska. He noted that the requirements for an open meeting were posted on the wall easily accessible to anyone who would like to read through them.

2. APPROVAL OF MINUTES. A motion for approval of Minutes for the January 11, 2017 meeting was made by Wilson and seconded by Dutoit. Upon roll call vote, all present voted aye. Motion carried.
3. APPROVAL OF FINANCIAL REPORTS. Schultz reviewed the financial reports for the period of January 1, 2017 through January 31, 2017. Schultz reported that two additional TIF accounts have been added for the 2017 Copper Creek homes and for Northwest Commons. A motion was made by Murray and seconded by Dutoit to approve the financial reports. Upon roll call vote, all present voted aye. Motion carried.
4. APPROVAL OF BILLS. The bills were reviewed. A motion was made by Dutoit and seconded by Wilson to approve the bills in the amount of \$29,699. Upon roll call vote, all present voted aye. Motion carried.
5. REVIEW OF COMMITTED PROJECTS & CRA PROPERTY. Nabity provided a review of the committed projects The Bosselman project on South Locust Street is progressing. The Temple Lofts at the former Federation of Labor building appears to be on track toward an April finish. The new sign canopy is up for Master Stylists. No word yet on the sign for Othy's Place at Third and Eddy. The South

Locust BID is being re-created next week and cannot pay bills on their improvement project until the re-creation paperwork is done. Wing Properties has completed the second-story apartment and the CRA will be touring it at the end of the meeting. The \$20,000 payout for the life-safety grant for Wing Properties was part of the bills and will be delivered during the tour. Façade work there still needs to be done. The out-of-state owners of the Fonner View property have not done any façade work, nor did they state whether they prefer to turn the money back, which they thought would be decided by January 31. Nabity said there are other façade applications that have been filed. Gdowski suggested that if no word is received by the March 8 CRA meeting, the CRA will consider reallocating that grant to other projects. In response to questions, Nabity said the party that expressed interest in the former Desert Rose property (3235 S. Locust St.), has redirected that interest elsewhere. Gdowski wondered about the right-hand curve at South Locust and Highway 34 and whether that curve might be removed in response to previous talks with the Nebraska Department of Roads. Nabity said the state is having that ground appraised and is to respond back to the CRA if the ground is deemed to be surplus so that the CRA could potentially purchase it and add it to the former Desert Rose ground. There has been no interest in the downtown CRA property at 604-612 W. Third, however there have been conversations with an adjoining property owner.

6. HABITAT DEMOLITION. Dana Jelinek, the executive director of the Grand Island Area Habitat for Humanity, asked for a \$15,000 grant to demolish and clean up a single-family house at 2403 W. North Front. Nabity said the house has been listed on the city's Problem Resolution Team list since April 2015. Habitat is paying \$17,500 plus back taxes and needs help getting the lot to a buildable condition. The property is not occupied and is too close to other homes for a controlled burn by the Fire Department.

A motion was made by Wilson and seconded by Murray to reimburse up to \$15,000 in demolition and clearing costs. Upon roll call vote, all present voted aye. Motion carried.

7. RESOLUTION 235. Consideration of a resolution to forward a Redevelopment Plan Amendment to the Grand Island City Council for a \$1.2 million renovation of the former Brown Hotel at 112 W. Second St. by Peaceful Root. The developer is seeking \$263,000 in tax-increment financing. The Regional Planning Commission met February 1 and recommended approval of the 112 W. Second project to the CRA. A parking garage and commercial space would be renovated on the first floor with three apartments and a commercial space on the second floor. Developer/owner John Anson said the parking garage would have 11 stalls and access from the alley. He had hoped to have 22 stalls, but wasn't able to get access from Second Street since it doubles as a highway. The parking would be for Brown Hotel and Tower 217 tenants.

A motion was made by Dutoit and seconded by Murray to approve Resolution 235. Upon roll call vote, all present voted aye. Motion carried.

8. CHAAP BLIGHT STUDY

Nabity reported that the Regional Planning Commission has reviewed two independent blight and substandard studies on land at the former Cornhusker Army Ammunition Plant – one for 285 acres by O’Neill Wood Resources and one for 282 acres by Platte River Industrial Park, a subsidiary of Hornady Manufacturing. The Regional Planning Commission asked that consideration be given for a full blight and substandard study of the remaining 20-square mile plant property to encourage comprehensive redevelopment of the property instead of piecemeal redevelopment. The Regional Planning Commission lacks funds to conduct such a study, but is encouraging other community partners, including the CRA to consider the study.

Nabity said LB66 was passed by the Nebraska Legislature in 2013 giving First Class Cities the authority to declare formerly used defense sites as blighted and substandard for the purpose of redevelopment without such declaration counting against the 35 percent city area allowed to be blighted and substandard. He said declaring the area blighted and substandard could help in the removal of buried concrete, footings and pipes at the former load lines and could assist with upgrades of the railines and improvement at the Husker Harvest Days site. He said the site is ideal for industrial development since residential is not allowed there due to deed restrictions placed by the Army.

Ferguson said he testified in favor of LB66 in 2013. There are four sites in Nebraska that qualify and it could greatly assist in development at the property because owners could use tax-increment financing. Nabity gave presentations to the Hall County board and the Northwest School Board about the two existing blight and substandard studies. Hall County is favoring the two redevelopment projects, while Northwest has taken a neutral stance.

Nabity said potential funding partners could be the CRA; the Grand Island Area Economic Development Corp. and Southern Public Power, which both own land at the site; the Grand Island Area Chamber of Commerce and Husker Harvest Days. He estimated a study cost at around \$20,000.

Wilson favored a bigger plan for the site. Murray said he is interested in the CRA sharing the cost of the study. Gdowski said it could lead to long-term development at the site. Gdowski asked that the study come back to the CRA at the March 8 meeting after other potential funding partners are contacted.

9. APPROVE RESOLUTION TO PURCHASE/SELL REAL ESTATE.

No resolutions.

10. DIRECTORS REPORT.

Nabity reported that there are several bills in the Legislature that involve redevelopment and tax-increment financing. Gdowski suggested that the CRA hold a strategic planning discussion following the Legislative session – late May or early June. He asked if TIF attorney Mike Bacon could possibly come and speak.

11. TOUR AND ADJOURNMENT. Meeting was recessed at 4:50 p.m. The CRA members and Nabity walked to 110 E. Third and were given a first and second floor tour by Dean Pegg. Gdowski adjourned the meeting from the tour at 5:22 p.m.

The next meeting is scheduled for March 15, 2017.

Respectfully submitted

Prior to December 15, 2017, the Authority shall issue one Tax Increment Development Revenue Note, in one taxable series, in a maximum principal amount of \$48,150.00, in substantially the form shown on the attached Exhibit C ("TIF Note"), for net funds available to be purchased by Redeveloper ("TIF Note Purchaser"), in a written form acceptable to Authority's attorney, and receive Note proceeds from the TIF Note Purchaser in said amount. At the option of the Authority, the Authority shall make a grant to Redeveloper in such amount, and such grant shall offset TIF Note Purchaser's obligation to purchase the TIF Note. Subject to the terms of this Agreement and the Resolution, the Authority's Treasurer on behalf of the Authority

Think Smart Properties

shall have the authority to determine the timing of issuing the Indebtedness and all the other necessary details of the Indebtedness.

The Redeveloper agrees to purchase the Indebtedness at a price equal to the principal amount thereof, in a private placement satisfactory to the Authority as to its terms and participants (including any pledgee thereof). Neither the Authority nor the City shall have any obligation to provide for the sale of the Indebtedness. It is the sole responsibility of the Redeveloper to affect the sale of the Indebtedness by purchasing the Indebtedness in accordance with the terms of this Redevelopment Contract and the Resolution. Redeveloper acknowledges that it is its understanding and the Authority's understanding that interest on the Indebtedness will be includable in gross income for federal income tax purposes and subject to Nebraska State income taxation.

Section 3.03 Pledge of Revenues.

Under the terms of the Resolution, the Authority pledges 100% of the available annual TIF Revenues derived from the Redevelopment Project Property as security for and to provide payment of the Indebtedness as the same fall due (including payment of any mandatory redemption amounts set for the Indebtedness in accordance with the terms of the Resolution).

Section 3.04 Purchase and Pledge of Indebtedness/Grant of Net Proceeds of Indebtedness.

The Redeveloper has agreed to purchase the Indebtedness from the Authority for a price equal to the principal amount thereof, payable as provided in Section 3.02 and this Section 3.04. The Redevelopment Plan provides for the Redeveloper to receive a grant under this Redevelopment Contract. In accordance with the terms of the Redevelopment Plan the Redeveloper is to receive a grant sufficient to pay the costs of site acquisition, demolition and rehabilitation expenditures, all improvements related to Project public infrastructure costs, site preparation costs, utility extensions and costs of the Authority for legal and plan preparation including those items described on Exhibit D (the "Project Costs"), in the aggregate maximum amount not to exceed \$48,150.00. Notwithstanding the foregoing, the aggregate amount of the Indebtedness and the grant shall not exceed the amount of Project Costs as certified pursuant to Section 4.02 of this Redevelopment Contract. Such grant shall be made to the Redeveloper upon certification of Project Costs as set forth herein and in the Resolution, and payment purchase of the Indebtedness as provided in Section 3.02, unless Redeveloper elects to offset the payment of the purchase of the Indebtedness with the grant proceeds as provided herein and in the Resolution. The Authority shall have no obligation to provide grant funds from any source other than as set forth in the Resolution and this Redevelopment Contract.

Section 3.05 Creation of Funds.

In the Resolution, the Authority has provided for the creation of the following funds and accounts which funds shall be held by the Authority separate and apart from all other funds and moneys of the Authority and the City:

(a) a special trust fund called the “Think Smart Redevelopment Project Note Fund” (the “Note Fund”). All of the TIF Revenues shall be deposited into the Note Fund. The TIF Revenues accumulated in the Note Fund shall be used and applied on the Business Day prior to each Interest Payment Date (i) to make any payments to the City or the Authority as may be required under the Redevelopment Contract and (ii) to pay principal of or interest on the Note to the extent of any money then remaining the Note Fund on such Interest Payment Date. Money in the Note Fund shall be used solely for the purposes described herein and in the Resolution. All Revenues received through and including December 31, 2032 shall be used solely for the payments required herein and by the Resolution; and

(b) a special trust fund called the “Think Smart Redevelopment Project Fund” (the “Project Fund”) The Authority shall disburse any money on deposit in the Project Fund from time to time to pay or as reimbursement for payment made for the Project Costs in each case within 5 Business Days after completion of the steps set forth herein and in the Resolution. If a sufficient amount to pay a properly completed Disbursement Request (as defined in Section 4.02) is not in the Project Fund at the time of the receipt by the Authority of such request, the Authority shall notify the owner of the Note and such owner may deposit an amount sufficient to pay such request with the Authority for such payment. As set forth in the Resolution, if the Redeveloper is the owner of the Note and the Redeveloper so elects, the Authority shall make a grant to Redeveloper in the amount of an approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note.

ARTICLE IV

OBLIGATIONS OF REDEVELOPER

Section 4.01 Construction of Project; Note; Insurance.

(a) Redeveloper will acquire the Project, demolish and rehabilitate structures on the site, prepare the site for redevelopment, install all required utilities and improvements in the public right-of-way in accordance with the plans and specifications provided to the Authority. Redeveloper will coordinate with the City for the City’s design and construction required for the installation of all public infrastructure improvements and right-of-way improvements. The Redeveloper shall provide and pay for infrastructure installation.

Redeveloper shall pay for the costs of site acquisition, site preparation, demolition and rehabilitation, utility extension, public infrastructure and costs of the Authority as set forth on Exhibit D, from the grant provided in Section 3.04 hereof. Redeveloper shall be solely responsible for obtaining all permits and approvals necessary to acquire, construct and equip the

Think Smart Properties

Project. Until construction of the Project has been completed, Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of Redeveloper with respect to construction of the Project. Such reports shall include actual expenditures incurred as described on Exhibit D.

(b) Any general contractor chosen by the Redeveloper shall be required to obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations and a penal bond as required by the Act or as is otherwise required by law. The City, the Authority and the Redeveloper shall be named as additional insureds. Any contractor chosen by the Redeveloper or the Redeveloper itself, as owner, shall be required to purchase and maintain property insurance upon the Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or the Redeveloper shall also carry insurance on all stored materials. The contractor or the Redeveloper, as the case may be, shall furnish the Authority and the City with a Certificate of Insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Authority prior written notice in the event of cancellation of or material change in any of any of the policies.

(c) Notwithstanding any provision herein to the contrary, in the event Redeveloper has not acquired fee simple title to the Redevelopment Project Area on or before July 1, 2017, this Redevelopment Contract shall be null and void and of no force or effect, effective as of the date of execution hereof, and neither party shall have any liability or obligation to the other party with respect hereto.

(d) The Redeveloper shall provide a payment and performance bond from a bond company doing business in the state of Nebraska in the total amount of all Redevelopment Project Costs or such other amount as shall be approved by the Authority. The City and Authority shall be named as beneficiaries under such bond.

Section 4.02 Cost Certification & Disbursement of Note Proceeds.

Proceeds of the Note may be advanced and disbursed in the manner set forth below:

(a) There shall be submitted to the Authority a grant disbursement request (the "Disbursement Request"), executed by the Director of the City's Planning Department and an authorized representative of the Redeveloper, (i) certifying that a portion of the Project has been substantially completed and (ii) certifying the actual costs incurred by the Redeveloper in the completion of such portion of the Project.

(b) If the costs requested for reimbursement under the Disbursement Request are currently reimbursable under Exhibit D of this Redevelopment Contract and the Community Redevelopment Law, the Authority shall evidence such allocation in writing and inform the owner of the Note of any amounts allocated to the Note.

Think Smart Properties

(c) Upon notification from the Authority as described in Section 4.02(b), deposits to the accounts in the Project Fund may be made from time to time from funds received by the Authority from the owner of the Note (if other than the Redeveloper) in the amounts necessary to pay amounts requested in properly completed, signed and approved written Disbursement Requests as described herein. Such amounts shall be proceeds of the Note and the Treasurer of the Authority shall inform the Registrar (as defined in the Note Resolution) in writing of the date and amount of such deposits. At the option of the Redeveloper, if the Redeveloper is the owner of the Note, the Authority shall make a grant to Redeveloper in the amount of the approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note. The Registrar shall keep and maintain a record of the amounts deposited into the Project Fund from Note proceeds pursuant to the terms of this Resolution as "Principal Amount Advanced" and shall enter the aggregate principal amount then Outstanding as the "Cumulative Outstanding Principal Amount" on its records maintained for the Note. The aggregate amount deposited into the Project Fund from proceeds of the Note shall not exceed \$48,150.00.

Section 4.03 No Discrimination.

Redeveloper agrees and covenants for itself its successors and assigns that it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Project.

Section 4.04 Assignment or Conveyance.

This Redevelopment Contract shall not be assigned by the Redeveloper without the written consent of the Authority. Such consent shall not be unreasonably withheld. Redeveloper agrees that it shall not convey any Lot or any portion thereof or any structures thereon to any person or entity that would be exempt from payment of real estate taxes, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any Lot.

Section 4.50 Payment of Authority Costs.

Redeveloper shall pay to the Authority the following sums upon execution hereof:

- a. \$3,600 for legal expenses of Authority
- b. \$1,000 for City and Authority administrative accounting of incremental tax payments.
- c. \$1,100 Application fee

ARTICLE V
FINANCING REDEVELOPMENT PROJECT; ENCUMBRANCES

Section 5.01 Financing

Redeveloper shall pay all costs related to the redevelopment of the Redevelopment Project Area and the Redevelopment Project Property which are in excess of the amounts paid from the proceeds of the grant provided from the proceeds of the Indebtedness and granted to Redeveloper. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

ARTICLE VI
DEFAULT, REMEDIES; INDEMNIFICATION

Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent payment of grant amounts to the Redeveloper as set forth in Article III hereof and by complying with the obligations of all Redevelopment Contract Amendments.

Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Project Costs on or before July 1, 2017, or shall abandon construction work related to the Project Costs, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

Think Smart Properties

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of three percent (3%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Project Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Project Costs. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor or his or her subcontractors (for each contract entered into by Redeveloper related to Project Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this

Think Smart Properties

Redevelopment Contract or by applicable law; provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, attorneys, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, and full compliance with the terms specifically set forth Article III hereof and payment of TIF Revenues pledged pursuant to the Resolution. The Redeveloper releases the City and Authority from, agrees that neither the City nor Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, officers, appointed officials, attorneys, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, excluding litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about that portion of the Project owned by the Redeveloper, during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, related to

activities of the Redeveloper or its agents during the construction of the public infrastructure or public right of ways in the Project.

The principal of this Note and the interest hereon are payable in any coin or currency which on the respective dates of payment thereof is legal tender for the payment of debts due the United States of America.

This Note is issued by the Authority under the authority of and in full compliance with the Constitution and statutes of the State of Nebraska, including particularly Article VIII, Section 12 of the Nebraska Constitution, Sections 18-2101 to 18-2153, inclusive, Reissue Revised Statutes of Nebraska, as amended, and under and pursuant to Resolution No. 236 duly passed and adopted by the Authority on March 15, 2017, as from time to time amended and supplemented (the “**Resolution**”).

THE PRINCIPAL AMOUNT OF THIS NOTE IS SET FORTH IN SCHEDULE 1 ATTACHED HERETO. THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE IS \$48,150.00.

This Note is a special limited obligation of the Authority payable as to principal and interest solely from and is secured solely by the Revenue (as defined in the Resolution) and certain other money, funds and securities pledged under the Resolution, all on the terms and conditions set forth in the Resolution. The Revenue represents that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property in the Project Area (as defined in this Resolution) which is in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project Area as of a certain date and as has been certified by the County Assessor of Hall County, Nebraska to the City in accordance with law.

Reference is hereby made to the Resolution for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this Note, the nature and extent of

Think Smart Properties

the security thereby created, the terms and conditions under which this Note has been issued, the rights and remedies of the Registered Owner of this Note, and the rights, duties, immunities and obligations of the City and the Authority. By the acceptance of this Note, the Registered Owner assents to all of the provisions of the Resolution.

The principal of and interest hereon shall not be payable from the general funds of the City nor the Authority nor shall this Note constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or the Authority or of any other party other than those specifically pledged under the Resolution. This Note is not a debt of the City or the Authority within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City or the Authority, and does not impose any general liability upon the City or the Authority and neither the City nor the Authority shall be liable for the payment hereof out of any funds of the City or the Authority other than the Revenues and other funds pledged under the Resolution, which Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this Note in accordance with the provisions of this Resolution.

The Registered Owner may from time to time enter the respective amounts advanced pursuant to the terms of the Resolution under the column headed "Principal Amount Advanced" on **Schedule 1** hereto (the "**Table**") and may enter the aggregate principal amount of this Note then outstanding under the column headed "Cumulative Outstanding Principal Amount" on the Table. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Registered Owner pursuant to the redemption provisions of the Resolution, the Registered Owner may enter the principal amount paid on this Note under the column headed "Principal Amount Redeemed" on the Table and may enter the then outstanding principal amount of this Note under the column headed "Cumulative Outstanding Principal Amount" on the Table. Notwithstanding the foregoing, the records maintained by the Trustee as to the principal amount issued and principal amounts paid on this Note shall be the official records of the Cumulative Outstanding Principal Amount of this Note for all purposes.

Reference is hereby made to the Resolution, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Note; the Revenue and other money and securities pledged to the payment of the principal of and interest on this Note; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owner of this Note; the rights, duties and obligations of the Authority and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Note, and this Note thereafter no longer be secured by the Resolution or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Note is subject to redemption prior to maturity, at the option of the Authority, in

Think Smart Properties

whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Note, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Note so redeemed shall become due and payable and if money for the payment of the portion of the Note so redeemed and the accrued interest thereon to the date fixed for redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of the same series and maturity and for the same principal amount will be issued to the transferee in exchange therefor. The Authority and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.

This Note is being issued as fully a registered Note without coupons. This Note is subject to exchange as provided in the Resolution.

It is hereby certified, recited and declared that all acts, conditions and things required to have happened, to exist and to have been performed precedent to and in the issuance of this Note have happened, do exist and have been performed in regular and due time, form and manner; that this Note does not exceed any constitutional, statutory or charter limitation on indebtedness; and that provision has been made for the payment of the principal of and interest on this Note as provided in this Resolution.

The Purchaser has based its decision to invest in the Note solely on its own review and negotiation of the documents providing for the issuance of the Note (the "Transaction Documents") and its own investigation, discussion, review, underwriting credit analysis and related undertakings with respect to the TIF Project.

2. It is understood that the Purchaser has undertaken to verify the accuracy, completeness and truth of any statements made concerning the transaction reflected in the Transaction Documents, including information regarding the business and financial condition of Think Smart Properties, LLC (the "Company") and the TIF Project, and including, but not limited to, the circumstances under which the Note may be redeemed or defeased prior to its maturity, in whole or in part, and any credit or reinvestments risks associated with redemption or defeasing the Note, underwriting and analyzing the credit of the TIF Project, the Company and the credit risks associated with the sources of payments made on, or with respect to, the Note. The Purchaser has conducted its own investigation of the transaction reflected in the Transaction Documents, including information regarding the business and financial condition of the Company.

3. The Purchaser has met with the Company and/or its designated representatives and has been afforded the opportunity to ask such questions of them as the Purchaser has deemed necessary in making its investment decisions, including, but not limited to, the circumstances under which the Note may be redeemed or defeased, in whole or in part, prior to its maturity, and the credit and investment risks associated with redemption or defeasance of the Note.

4. The Purchaser is familiar with the condition, financial and otherwise, of the Company, and the Company has made available to the Purchaser the opportunity to request and obtain all of the information referred to in the Transaction Documents to evaluate the merits and risks of an investment in the Note.

5. The Purchaser has been offered copies of, or full access to, each of the Transaction Documents and all documents relating to the terms and conditions of the offering and the issuance of the

Think Smart Properties, LLC

Note (including, but not limited to, information regarding payment, redemption, defeasance and security with respect to the Note, and all records, reports, financial statements and other information concerning the TIF Project, the Company and any third parties which is or may be pertinent to the source of payment redemption, defeasance and security for the Note) which, as a sophisticated and reasonable investor, the Purchaser has requested and to which, as a sophisticated and reasonable investor, the Purchaser would attach significance in making investment decisions.

6. The Purchaser is either a) a body politic and corporate and a political subdivision of the State of Nebraska, or b) a financial institution or other “accredited investor” as defined in Rule 501 of Regulation D of the United States Securities Exchange Commission and Section 8-1111(8) of the Securities Act of Nebraska. The Purchaser can bear the economic risk of its investment in the Note and has such knowledge and experience in business and financial matters, including purchase and ownership of municipal and other obligations, and the analysis of purchasing similar speculative, unrated, real-estate secured investments, as to be capable of evaluating the merits and risks of the investment represented by its investment in the Note and is aware of the intended use of the proceeds of the Note and the risks involved therein.

7. The Purchaser is duly and legally authorized to purchase obligations such as the Note and its investment in the Note is a lawful investment for it under all applicable laws.

8. The Note has been purchased for the account of the Purchaser for its own investment with its own unencumbered funds. The Purchaser has not borrowed funds or pledged any collateral (including, but not limited to, the Note) in connection with its purchase of the Note, and the Purchaser has not undertaken, has not agreed to undertake and neither does the Purchaser have the intention of undertaking, any distribution, securitization, hypothecation transfer, resale, pledge, collateralization or any other encumbrance on or disposal of the Note (or any portion thereof or interest therein) (any such action (whether before or after the purchase of the Note by the Purchaser) constituting a “Transfer of Note Interest”). The Purchaser holds, and intends to hold, the Note for its own account and for an indefinite period of time and does not intend to take any action which could constitute a Transfer of Note Interest. The Purchaser understands that any Transfer of Note Interest is restricted pursuant to the terms of this Purchase Letter. The Purchaser is not acting as an “underwriter” within the meaning of that term under federal or Nebraska state laws.

9. The Purchaser acknowledges and represents that it has been advised the Note is not registered under the Securities Act of 1933, as amended (the “1933 Act”), or any federal or state securities agency or commission, and that the Company is not presently required to register under Section 12 of the Securities and Exchange Act of 1934, as amended (the “1934 Act”) and that no trading market now exists for the Note. The Purchaser realizes that if the Purchaser undertakes any Transfer of Note Interest, there may not be available current business and financial information about the Company or the TIF Project. The Purchaser understands that any Transfer of Note Interest is restricted pursuant to the terms of this Purchase Letter, including, but not limited to, the requirement that prior to the date on which any such Transfer of Note Interest is to be completed, the transferee sign a Purchase Letter substantially identical to this Purchase Letter and otherwise in form satisfactory to the Issuer, and each of the conditions in paragraph 14 below shall have been satisfied. Accordingly, the Purchaser understands that it may need to bear risks of investment in the Note for an indefinite period of time since any Transfer of Note Interest prior to the maturity of the Note may not be possible or may be at a price below that which the Purchaser is paying for the Note.

Think Smart Properties, LLC

10. The Purchaser acknowledges that the Note is being purchased in a direct private placement negotiated between the Issuer and the Purchaser in which no broker, dealer or municipal securities dealer has participated and is therefore not subject to any of the requirements of Rule 15c2-12 of the Securities and Exchange Commission requiring the providing of certain information upon issuance and certain additional information on a periodic basis.

11. The Purchaser acknowledges that the principal amount and debt service on the Note has been scheduled based upon estimates and assumptions provided by the Company (which may be optimistic or “best case” estimates or assumptions of the Company not in any respect verified or evaluated by the Issuer), and that such estimates and assumptions may vary materially; that tax increment revenues may be altered or eliminated entirely based upon future decisions of taxing and assessing authorities, the Nebraska Legislature or the voters of the State of Nebraska or by future court decisions, and that the lands within the development may or may not be developed in a manner sufficient to generate incremental tax revenues sufficient to pay debt service on the Note.

12. The Purchaser understands that the purchase price of the Note is in the form of an offset against the grant to the Purchaser provided in Section 3.02 of the Redevelopment Contract by and between the Issuer and the Company dated March 15, 2017 (the “Redevelopment Contract”) and that such offset is at the request of the Purchaser.

13. The Purchaser acknowledges the information provided by the Company may contain forward looking statements. These forward looking statements, which in any event are not statements made by, or on behalf of, the Issuer, may involve risks and uncertainties that could cause actual results to differ materially from those anticipated in the forward looking statements.

14. The Purchaser will not undertake any Transfer of Note Interest, except:

(a) in full good-faith compliance with all applicable state and federal securities and banking laws;

(b) with full and accurate disclosure of all material facts to the prospective purchaser(s) or transferee(s) to whom the Transfer of Note Interest is being made by the Purchaser (each, a “Transferee”);

(c) either under effective federal and state registration statements (which the Issuer shall not in any way be obligated to provide) or pursuant to exemptions from such registrations (as reflected in an opinion of nationally recognized securities counsel acceptable to the Issuer);

(d) only in authorized denominations (as defined in the Purchase Letter);

(e) to a Transferee delivering a purchase letter substantially identical to this Purchase Letter and otherwise in form and substance satisfactory to the Issuer;

(f) upon delivery to the Issuer of a certificate in form and substance satisfactory to the Issuer from the Purchaser, in its capacity as transferor, to the effect that, after due inquiry, the Purchaser, in its capacity as transferor, has reason to believe that the representations of the Transferee set

Think Smart Properties, LLC

forth in its Purchaser Letter are accurate and, in its capacity as transferor, the Purchaser has disclosed to the Transferee such information and risks concerning the Note and related security as a reasonable investor would consider material.

15. The Purchaser acknowledges that stop transfer notations may be made on the Note or any other documents evidencing ownership of the Note to the effect that the Note has not been registered under the Securities Act of 1933 or the applicable “Blue Sky” laws and that no Transfer of Note Interest may be undertaken unless the Note is registered thereunder or such Transfer of Note Interest is pursuant to an exemption from such registration (as reflected in an opinion of nationally recognized securities counsel acceptable to the Issuer) and otherwise in accordance with this Purchase Letter.

16. The Purchaser understands that any liability of the Issuer to the Purchaser is limited to the Issuer’s interest in the Redevelopment Contract and any security with respect thereto delivered by, or on behalf of, the Company and the Purchaser shall look exclusively thereto for payment on the Note and that no recourse for the payment of any part of the principal of, premium, if any, or interest on the Note or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Note shall be had against the Issuer or any officer, director, member, agent or employee of the Issuer or the City of Grand Island, as such, all such liability being hereby expressly released and waived as a condition of and as a part of the consideration for the issuance of the Note.

17. The Purchaser understands that (a) the Note is not secured by any obligation or pledge of any moneys received or to be received from taxation or from the Issuer or the City of Grand Island or any political subdivision or taxing authority thereof, (b) the Note will never represent or constitute a general obligation, debt, bonded indebtedness or pecuniary obligation of the Issuer, the City of Grand Island or any political subdivision thereof, (c) no right will exist to have taxes levied by the Issuer or the City of Grand Island or any political subdivision thereof for the payment of principal of, premium, if any, or interest on the Note, and (d) the Note is a limited obligation of the Issuer, payable solely out of and secured by income and revenue related to the TIF Project, as pledged pursuant to the Redevelopment Contract.

18. The Purchaser understands that the Note and interest on the Note are not exempt from taxation for purposes of federal and Nebraska State taxation.

In the Resolution, the Authority has provided for the creation of the following funds and accounts which funds shall be held by the Authority separate and apart from all other funds and moneys of the Authority and the City:

(a) a special trust fund called the “Peaceful Root Redevelopment Project Note Fund” (the “Note Fund”). All of the TIF Revenues shall be deposited into the Note Fund. The TIF Revenues accumulated in the Note Fund shall be used and applied on the Business Day prior to each Interest Payment Date (i) to make any payments to the City or the Authority as may be required under the Redevelopment Contract and (ii) to pay principal of or interest on the Note to the extent of any money then remaining the Note Fund on such Interest Payment Date. Money in the Note Fund shall be used solely for the purposes described herein and in the Resolution. All Revenues received through and including December 31, 2032 shall be used solely for the payments required herein and by the Resolution; and

(b) a special trust fund called the “Peaceful Root Redevelopment Project Fund” (the “Project Fund”) The Authority shall disburse any money on deposit in the Project Fund from time to time to pay or as reimbursement for payment made for the Project Costs in each case within 5 Business Days after completion of the steps set forth herein and in the Resolution. If a sufficient amount to pay a properly completed Disbursement Request (as defined in Section 4.02) is not in the Project Fund at the time of the receipt by the Authority of such request, the Authority shall notify the owner of the Note and such owner may deposit an amount sufficient to pay such request with the Authority for such payment. As set forth in the Resolution, if the Redeveloper is the owner of the Note and the Redeveloper so elects, the Authority shall make a grant to Redeveloper in the amount of an approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note.

ARTICLE IV

OBLIGATIONS OF REDEVELOPER

Section 4.01 Construction of Project; Note; Insurance.

(a) Redeveloper will acquire the Project, demolish and rehabilitate structures on the site, prepare the site for redevelopment, install all required utilities and improvements in the public right-of-way in accordance with the plans and specifications provided to the Authority. Redeveloper will coordinate with the City for the City’s design and construction required for the installation of all public infrastructure improvements and right-of-way improvements. The Redeveloper shall provide and pay for infrastructure installation.

Redeveloper shall pay for the costs of site acquisition, site preparation, demolition and rehabilitation, utility extension, public infrastructure and costs of the Authority as set forth on Exhibit D, from the grant provided in Section 3.04 hereof. Redeveloper shall be solely responsible for obtaining all permits and approvals necessary to acquire, construct and equip the

Peaceful Root

Project. Until construction of the Project has been completed, Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of Redeveloper with respect to construction of the Project. Such reports shall include actual expenditures incurred as described on Exhibit D.

(b) Any general contractor chosen by the Redeveloper shall be required to obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations and a penal bond as required by the Act or as is otherwise required by law. The City, the Authority and the Redeveloper shall be named as additional insureds. Any contractor chosen by the Redeveloper or the Redeveloper itself, as owner, shall be required to purchase and maintain property insurance upon the Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or the Redeveloper shall also carry insurance on all stored materials. The contractor or the Redeveloper, as the case may be, shall furnish the Authority and the City with a Certificate of Insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Authority prior written notice in the event of cancellation of or material change in any of any of the policies.

(c) Notwithstanding any provision herein to the contrary, in the event Redeveloper has not acquired fee simple title to the Redevelopment Project Area on or before July 1, 2017, this Redevelopment Contract shall be null and void and of no force or effect effective as of the date of execution hereof, and neither party shall have any liability or obligation to the other party with respect hereto.

(d) The Redeveloper shall provide a payment and performance bond from a bond company doing business in the state of Nebraska in the total amount of all Redevelopment Project Costs or such other amount as shall be approved by the Authority. The City and Authority shall be named as beneficiaries under such bond.

Section 4.02 Cost Certification & Disbursement of Note Proceeds.

Proceeds of the Note may be advanced and disbursed in the manner set forth below:

(a) There shall be submitted to the Authority a grant disbursement request (the "Disbursement Request"), executed by the Director of the City's Planning Department and an authorized representative of the Redeveloper, (i) certifying that a portion of the Project has been substantially completed and (ii) certifying the actual costs incurred by the Redeveloper in the completion of such portion of the Project.

(b) If the costs requested for reimbursement under the Disbursement Request are currently reimbursable under Exhibit D of this Redevelopment Contract and the Community Redevelopment Law, the Authority shall evidence such allocation in writing and inform the owner of the Note of any amounts allocated to the Note.

Peaceful Root

(c) Upon notification from the Authority as described in Section 4.02(b), deposits to the accounts in the Project Fund may be made from time to time from funds received by the Authority from the owner of the Note (if other than the Redeveloper) in the amounts necessary to pay amounts requested in properly completed, signed and approved written Disbursement Requests as described herein. Such amounts shall be proceeds of the Note and the Treasurer of the Authority shall inform the Registrar (as defined in the Note Resolution) in writing of the date and amount of such deposits. At the option of the Redeveloper, if the Redeveloper is the owner of the Note, the Authority shall make a grant to Redeveloper in the amount of the approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note. The Registrar shall keep and maintain a record of the amounts deposited into the Project Fund from Note proceeds pursuant to the terms of this Resolution as "Principal Amount Advanced" and shall enter the aggregate principal amount then Outstanding as the "Cumulative Outstanding Principal Amount" on its records maintained for the Note. The aggregate amount deposited into the Project Fund from proceeds of the Note shall not exceed \$263,000.00.

Section 4.03 No Discrimination.

Redeveloper agrees and covenants for itself its successors and assigns that it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Project.

Section 4.04 Assignment or Conveyance.

This Redevelopment Contract shall not be assigned by the Redeveloper without the written consent of the Authority. Such consent shall not be unreasonably withheld. Redeveloper agrees that it shall not convey any Lot or any portion thereof or any structures thereon to any person or entity that would be exempt from payment of real estate taxes, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any Lot.

Section 4.50 Payment of Authority Costs.

Redeveloper shall pay to the Authority the following sums upon execution hereof:

- a. \$3,600 for legal expenses of Authority
- b. \$1,000 for City and Authority administrative accounting of incremental tax payments.
- c. \$1,100 Application fee

Peaceful Root

ARTICLE V
FINANCING REDEVELOPMENT PROJECT; ENCUMBRANCES

Section 5.01 Financing

Redeveloper shall pay all costs related to the redevelopment of the Redevelopment Project Area and the Redevelopment Project Property which are in excess of the amounts paid from the proceeds of the grant provided from the proceeds of the Indebtedness and granted to Redeveloper. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

ARTICLE VI
DEFAULT, REMEDIES; INDEMNIFICATION

Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent payment of grant amounts to the Redeveloper as set forth in Article III hereof and by complying with the obligations of all Redevelopment Contract Amendments.

Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Project Costs on or before July 1, 2017, or shall abandon construction work related to the Project Costs, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

Peaceful Root

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of three percent (3%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Project Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Project Costs. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor or his or her subcontractors (for each contract entered into by Redeveloper related to Project Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this

Peaceful Root

Redevelopment Contract or by applicable law; provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, attorneys, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, and full compliance with the terms specifically set forth Article III hereof and payment of TIF Revenues pledged pursuant to the Resolution. The Redeveloper releases the City and Authority from, agrees that neither the City nor Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, officers, appointed officials, attorneys, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, excluding litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about that portion of the Project owned by the Redeveloper, during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, related to

Peaceful Root

activities of the Redeveloper or its agents during the construction of the public infrastructure or public right of ways in the Project.

The principal of this Note and the interest hereon are payable in any coin or currency which on the respective dates of payment thereof is legal tender for the payment of debts due the United States of America.

This Note is issued by the Authority under the authority of and in full compliance with the Constitution and statutes of the State of Nebraska, including particularly Article VIII, Section 12 of the Nebraska Constitution, Sections 18-2101 to 18-2153, inclusive, Reissue Revised Statutes of Nebraska, as amended, and under and pursuant to Resolution No. 237 duly passed and adopted by the Authority on March 15, 2017, as from time to time amended and supplemented (the “**Resolution**”).

THE PRINCIPAL AMOUNT OF THIS NOTE IS SET FORTH IN SCHEDULE 1 ATTACHED HERETO. THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE IS \$263,000.00.

This Note is a special limited obligation of the Authority payable as to principal and interest solely from and is secured solely by the Revenue (as defined in the Resolution) and certain other money, funds and securities pledged under the Resolution, all on the terms and conditions set forth in the Resolution. The Revenue represents that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property in the Project Area (as defined in this Resolution) which is in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project Area as of a certain date and as has been certified by the County Assessor of Hall County, Nebraska to the City in accordance with law.

Reference is hereby made to the Resolution for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this Note, the nature and extent of

Peaceful Root

the security thereby created, the terms and conditions under which this Note has been issued, the rights and remedies of the Registered Owner of this Note, and the rights, duties, immunities and obligations of the City and the Authority. By the acceptance of this Note, the Registered Owner assents to all of the provisions of the Resolution.

The principal of and interest hereon shall not be payable from the general funds of the City nor the Authority nor shall this Note constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or the Authority or of any other party other than those specifically pledged under the Resolution. This Note is not a debt of the City or the Authority within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City or the Authority, and does not impose any general liability upon the City or the Authority and neither the City nor the Authority shall be liable for the payment hereof out of any funds of the City or the Authority other than the Revenues and other funds pledged under the Resolution, which Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this Note in accordance with the provisions of this Resolution.

The Registered Owner may from time to time enter the respective amounts advanced pursuant to the terms of the Resolution under the column headed "Principal Amount Advanced" on **Schedule 1** hereto (the "**Table**") and may enter the aggregate principal amount of this Note then outstanding under the column headed "Cumulative Outstanding Principal Amount" on the Table. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Registered Owner pursuant to the redemption provisions of the Resolution, the Registered Owner may enter the principal amount paid on this Note under the column headed "Principal Amount Redeemed" on the Table and may enter the then outstanding principal amount of this Note under the column headed "Cumulative Outstanding Principal Amount" on the Table. Notwithstanding the foregoing, the records maintained by the Trustee as to the principal amount issued and principal amounts paid on this Note shall be the official records of the Cumulative Outstanding Principal Amount of this Note for all purposes.

Reference is hereby made to the Resolution, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Note; the Revenue and other money and securities pledged to the payment of the principal of and interest on this Note; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owner of this Note; the rights, duties and obligations of the Authority and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Note, and this Note thereafter no longer be secured by the Resolution or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Note is subject to redemption prior to maturity, at the option of the Authority, in

Peaceful Root

whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Note, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Note so redeemed shall become due and payable and if money for the payment of the portion of the Note so redeemed and the accrued interest thereon to the date fixed for redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of the same series and maturity and for the same principal amount will be issued to the transferee in exchange therefor. The Authority and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.

This Note is being issued as a registered Note without coupons. This Note is subject to exchange as provided in the Resolution.

It is hereby certified, recited and declared that all acts, conditions and things required to have happened, to exist and to have been performed precedent to and in the issuance of this Note have happened, do exist and have been performed in regular and due time, form and manner; that this Note does not exceed any constitutional, statutory or charter limitation on indebtedness; and that provision has been made for the payment of the principal of and interest on this Note as provided in this Resolution.

Tax Increment Development Revenue Note

Ladies and Gentlemen,

The undersigned agrees to purchase the Note issued by the Community Redevelopment Authority of the City of Grand Island (the "Issuer"), as specified on the attached Schedule I (the "Note") and for consideration received, the undersigned (the "Purchaser") hereby certifies as follows:

1. The Purchaser has based its decision to invest in the Note solely on its own review and negotiation of the documents providing for the issuance of the Note (the "Transaction Documents") and its own investigation, discussion, review, underwriting credit analysis and related undertakings with respect to the TIF Project.

2. It is understood that the Purchaser has undertaken to verify the accuracy, completeness and truth of any statements made concerning the transaction reflected in the Transaction Documents, including information regarding the business and financial condition of Peaceful Root, LLC (the "Company") and the TIF Project, and including, but not limited to, the circumstances under which the Note may be redeemed or defeased prior to its maturity, in whole or in part, and any credit or reinvestments risks associated with redemption or defeasing the Note, underwriting and analyzing the credit of the TIF Project, the Company and the credit risks associated with the sources of payments made on, or with respect to, the Note. The Purchaser has conducted its own investigation of the transaction reflected in the Transaction Documents, including information regarding the business and financial condition of the Company.

3. The Purchaser has met with the Company and/or its designated representatives and has been afforded the opportunity to ask such questions of them as the Purchaser has deemed necessary in making its investment decisions, including, but not limited to, the circumstances under which the Note may be redeemed or defeased, in whole or in part, prior to its maturity, and the credit and investment risks associated with redemption or defeasance of the Note.

4. The Purchaser is familiar with the condition, financial and otherwise, of the Company, and the Company has made available to the Purchaser the opportunity to request and obtain all of the information referred to in the Transaction Documents to evaluate the merits and risks of an investment in the Note.

5. The Purchaser has been offered copies of, or full access to, each of the Transaction Documents and all documents relating to the terms and conditions of the offering and the issuance of the

Peaceful Root, LLC

Note (including, but not limited to, information regarding payment, redemption, defeasance and security with respect to the Note, and all records, reports, financial statements and other information concerning the TIF Project, the Company and any third parties which is or may be pertinent to the source of payment redemption, defeasance and security for the Note) which, as a sophisticated and reasonable investor, the Purchaser has requested and to which, as a sophisticated and reasonable investor, the Purchaser would attach significance in making investment decisions.

6. The Purchaser is either a) a body politic and corporate and a political subdivision of the State of Nebraska, or b) a financial institution or other “accredited investor” as defined in Rule 501 of Regulation D of the United States Securities Exchange Commission and Section 8-1111(8) of the Securities Act of Nebraska. The Purchaser can bear the economic risk of its investment in the Note and has such knowledge and experience in business and financial matters, including purchase and ownership of municipal and other obligations, and the analysis of purchasing similar speculative, unrated, real-estate secured investments, as to be capable of evaluating the merits and risks of the investment represented by its investment in the Note and is aware of the intended use of the proceeds of the Note and the risks involved therein.

7. The Purchaser is duly and legally authorized to purchase obligations such as the Note and its investment in the Note is a lawful investment for it under all applicable laws.

8. The Note has been purchased for the account of the Purchaser for its own investment with its own unencumbered funds. The Purchaser has not borrowed funds or pledged any collateral (including, but not limited to, the Note) in connection with its purchase of the Note, and the Purchaser has not undertaken, has not agreed to undertake and neither does the Purchaser have the intention of undertaking, any distribution, securitization, hypothecation transfer, resale, pledge, collateralization or any other encumbrance on or disposal of the Note (or any portion thereof or interest therein) (any such action (whether before or after the purchase of the Note by the Purchaser) constituting a “Transfer of Note Interest”). The Purchaser holds, and intends to hold, the Note for its own account and for an indefinite period of time and does not intend to take any action which could constitute a Transfer of Note Interest. The Purchaser understands that any Transfer of Note Interest is restricted pursuant to the terms of this Purchase Letter. The Purchaser is not acting as an “underwriter” within the meaning of that term under federal or Nebraska state laws.

9. The Purchaser acknowledges and represents that it has been advised the Note is not registered under the Securities Act of 1933, as amended (the “1933 Act”), or any federal or state securities agency or commission, and that the Company is not presently required to register under Section 12 of the Securities and Exchange Act of 1934, as amended (the “1934 Act”) and that no trading market now exists for the Note. The Purchaser realizes that if the Purchaser undertakes any Transfer of Note Interest, there may not be available current business and financial information about the Company or the TIF Project. The Purchaser understands that any Transfer of Note Interest is restricted pursuant to the terms of this Purchase Letter, including, but not limited to, the requirement that prior to the date on which any such Transfer of Note Interest is to be completed, the transferee sign a Purchase Letter substantially identical to this Purchase Letter and otherwise in form satisfactory to the Issuer, and each of the conditions in paragraph 14 below shall have been satisfied. Accordingly, the Purchaser understands that it may need to bear risks of investment in the Note for an indefinite period of time since any Transfer of Note Interest prior to the maturity of the Note may not be possible or may be at a price below that which the Purchaser is paying for the Note.

Peaceful Root, LLC

10. The Purchaser acknowledges that the Note is being purchased in a direct private placement negotiated between the Issuer and the Purchaser in which no broker, dealer or municipal securities dealer has participated and is therefore not subject to any of the requirements of Rule 15c2-12 of the Securities and Exchange Commission requiring the providing of certain information upon issuance and certain additional information on a periodic basis.

11. The Purchaser acknowledges that the principal amount and debt service on the Note has been scheduled based upon estimates and assumptions provided by the Company (which may be optimistic or “best case” estimates or assumptions of the Company not in any respect verified or evaluated by the Issuer), and that such estimates and assumptions may vary materially; that tax increment revenues may be altered or eliminated entirely based upon future decisions of taxing and assessing authorities, the Nebraska Legislature or the voters of the State of Nebraska or by future court decisions, and that the lands within the development may or may not be developed in a manner sufficient to generate incremental tax revenues sufficient to pay debt service on the Note.

12. The Purchaser understands that the purchase price of the Note is in the form of an offset against the grant to the Purchaser provided in Section 3.02 of the Redevelopment Contract by and between the Issuer and the Company dated March 15, 2017 (the “Redevelopment Contract”) and that such offset is at the request of the Purchaser.

13. The Purchaser acknowledges the information provided by the Company may contain forward looking statements. These forward looking statements, which in any event are not statements made by, or on behalf of, the Issuer, may involve risks and uncertainties that could cause actual results to differ materially from those anticipated in the forward looking statements.

14. The Purchaser will not undertake any Transfer of Note Interest, except:

(a) in full good-faith compliance with all applicable state and federal securities and banking laws;

(b) with full and accurate disclosure of all material facts to the prospective purchaser(s) or transferee(s) to whom the Transfer of Note Interest is being made by the Purchaser (each, a “Transferee”);

(c) either under effective federal and state registration statements (which the Issuer shall not in any way be obligated to provide) or pursuant to exemptions from such registrations (as reflected in an opinion of nationally recognized securities counsel acceptable to the Issuer);

(d) only in authorized denominations (as defined in the Purchase Letter);

(e) to a Transferee delivering a purchase letter substantially identical to this Purchase Letter and otherwise in form and substance satisfactory to the Issuer;

(f) upon delivery to the Issuer of a certificate in form and substance satisfactory to the Issuer from the Purchaser, in its capacity as transferor, to the effect that, after due inquiry, the Purchaser, in its capacity as transferor, has reason to believe that the representations of the Transferee set

Peaceful Root, LLC

forth in its Purchaser Letter are accurate and, in its capacity as transferor, the Purchaser has disclosed to the Transferee such information and risks concerning the Note and related security as a reasonable investor would consider material.

15. The Purchaser acknowledges that stop transfer notations may be made on the Note or any other documents evidencing ownership of the Note to the effect that the Note has not been registered under the Securities Act of 1933 or the applicable “Blue Sky” laws and that no Transfer of Note Interest may be undertaken unless the Note is registered thereunder or such Transfer of Note Interest is pursuant to an exemption from such registration (as reflected in an opinion of nationally recognized securities counsel acceptable to the Issuer) and otherwise in accordance with this Purchase Letter.

16. The Purchaser understands that any liability of the Issuer to the Purchaser is limited to the Issuer’s interest in the Redevelopment Contract and any security with respect thereto delivered by, or on behalf of, the Company and the Purchaser shall look exclusively thereto for payment on the Note and that no recourse for the payment of any part of the principal of, premium, if any, or interest on the Note or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Note shall be had against the Issuer or any officer, director, member, agent or employee of the Issuer or the City of Grand Island, as such, all such liability being hereby expressly released and waived as a condition of and as a part of the consideration for the issuance of the Note.

17. The Purchaser understands that (a) the Note is not secured by any obligation or pledge of any moneys received or to be received from taxation or from the Issuer or the City of Grand Island or any political subdivision or taxing authority thereof, (b) the Note will never represent or constitute a general obligation, debt, bonded indebtedness or pecuniary obligation of the Issuer, the City of Grand Island or any political subdivision thereof, (c) no right will exist to have taxes levied by the Issuer or the City of Grand Island or any political subdivision thereof for the payment of principal of, premium, if any, or interest on the Note, and (d) the Note is a limited obligation of the Issuer, payable solely out of and secured by income and revenue related to the TIF Project, as pledged pursuant to the Redevelopment Contract.

18. The Purchaser understands that the Note and interest on the Note are not exempt from taxation for purposes of federal and Nebraska State taxation.

This Note has been issued by the Authority for the purpose of financing the costs of constructing, reconstructing, improving, extending, rehabilitating, installing, equipping, furnishing and completing certain improvements within the area identified and referred to as the City of Grand Island Redevelopment Plan Amendment for Redevelopment Area #6 December 2016, (Peaceful Root, LLC, Project) which is more specifically described in the Resolution, and to carry out the Authority’s corporate purposes and powers in connection therewith.

Reference is hereby made to the Resolution for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this Note, the nature and extent of the security thereby created, the terms and conditions under which this Note has been issued, the rights and remedies of the Registered Owner of this Note, and the rights, duties, immunities and obligations of the City and the Authority. The principal hereon shall not be payable from the general funds of the City nor the Authority nor shall this Note constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or the Authority or of any other party other than those specifically pledged under the Resolution. This Note is not a debt of the City or the Authority within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City or the Authority, and does not impose any general liability upon the City or the Authority and neither the City nor the Authority shall be liable for the payment hereof out of any funds of the City or the Authority other than the Tax Revenues and other funds pledged under the Resolution, which Tax Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this Note in accordance with the provisions of this Resolution.

This Note is subject to redemption prior to maturity, at the option of the Authority, in whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of the same series and maturity and for the same principal amount will be issued to the transferee in exchange therefor. The Authority and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.
