Subject: Approving Bid Award for Curb Ramp Project No. 2017-CR-1

Presenter(s): John Collins PE, Public Works Director

Background

On February 15, 2017 the Engineering Division of the Public Works Department advertised for bids for the construction of curb ramps at various intersections in the City. The City is required to have a planned schedule for upgrading public sidewalk ramps to conform to American with Disabilities Act (ADA) standards.

To aid in ADA compliance efforts the City entered into a contract during FY 2015/2016 with Saul Ramos Construction, Inc. of Shelton Nebraska to install curb ramps along 4th Street, from Sycamore Street to Eddy Street in connection with a Community Development Block Grant (CDBG) through Community Development.

The attached map shows the locations for this year's work.
