# Council Agenda Memo

**From:** John Collins PE, Public Works Director

**Meeting:** April 11, 2017

**Subject:** Approving Amendment No. 1 to Engineering Consulting Services Related to W Stolley Park Rd and Engleman Rd Sanitary Sewer Extension; Project No. 2017-S-3 and Sanitary Sewer District No. 540T; W US Highway 30 and Engleman Rd / West Park Plaza Sanitary Sewer Extension

**Presenter(s):** John Collins PE, Public Works Director

## Background

Sanitary Sewer Project No. 2017-S-3 will plan, design and build for an extension of the sanitary sewer from Stolley Park Road and Freedom Drive intersection west to just beyond the planned new west US Highway 30 realignment. Sanitary Sewer District No. 540T will continue west to serve the West Park Plaza Mobile Home Park. West Park Plaza is within city limits and in need of City sanitary services.

On February 14, 2017, via Resolution No. 2017-32, City Council approved an agreement with Olsson Associates of Lincoln, Nebraska in the amount of \$98,840.00 for engineering design services related to West Stolley Park Road and Engleman Road Sanitary Sewer Extension; Project No. 2017-S-3.

## Discussion

The original agreement with Olsson Associates requires an amendment to cover further survey work necessary west of Engleman Road and to the West Park Plaza lift station. This amendment also addresses easement negotiations with four (4) property owners and the design for the additional approximately 1,300 foot sewer extension. This amendment will be in the amount of \$18,242.00 for a revised agreement of \$117,082.00.

## Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

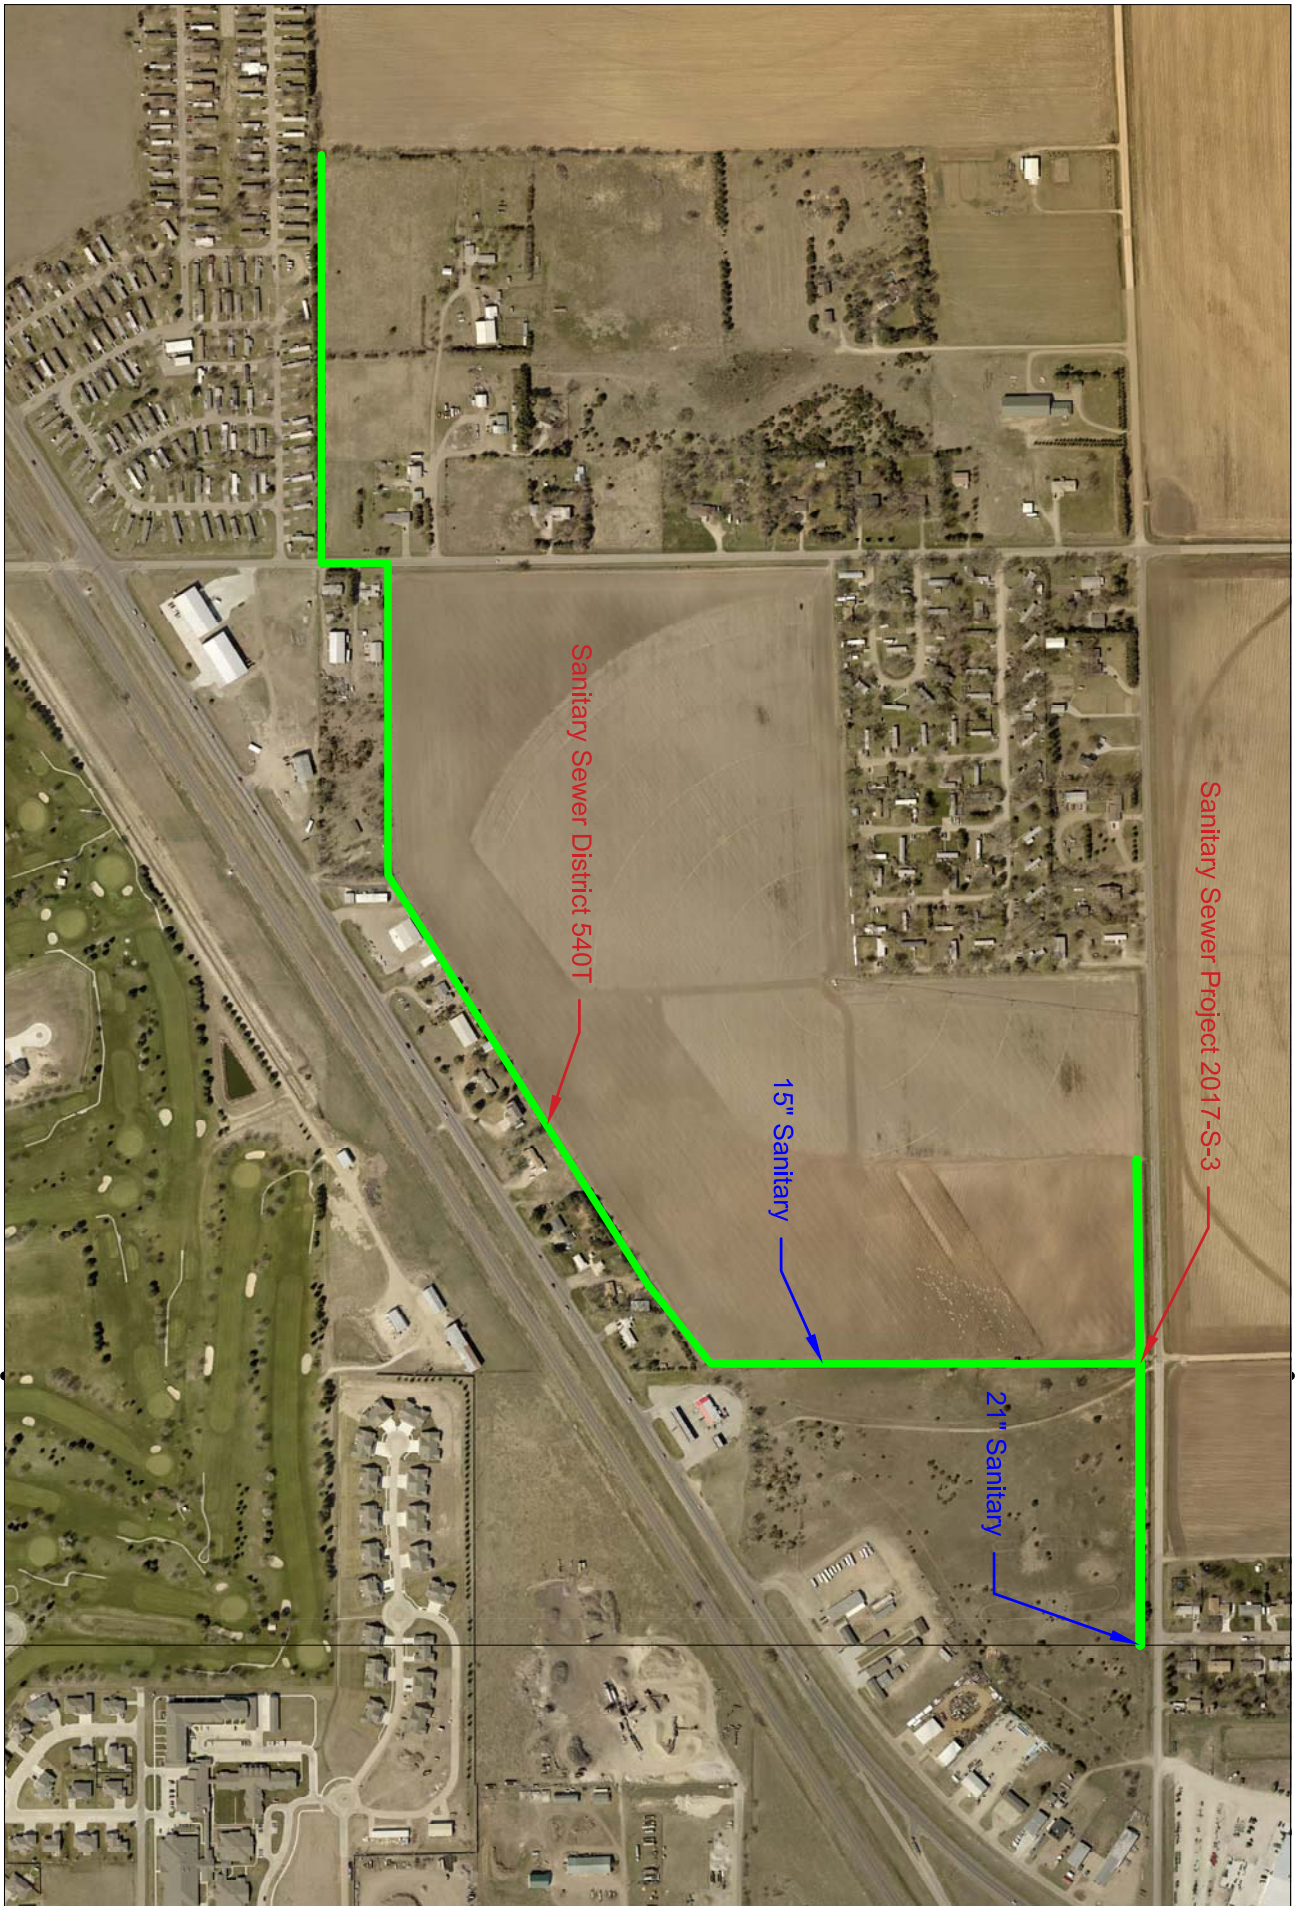

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

### **Recommendation**

City Administration recommends that the Council approve Amendment No. 1 to the original agreement with Olsson Associates of Lincoln, Nebraska, in the amount of \$18,242.00.
