#2017-137 - Approving Bid Award for Hydroseeding 2017 for the Streets Division of the Public Works Department

Staff Contact: John Collins, P.E. - Public Works Director

Council Agenda Memo

From: Shannon Callahan, Streets Superintendent

Meeting: May 9, 2017

Subject: Approving Bid Award for Hydroseeding 2017 for the Streets Division of the Public Works Department

Presenter(s): John Collins PE, Public Works Director

Background

Due to the mild weather the Streets Division has had the opportunity this spring to clean out several drain ways within the City. Such cleaning has resulted in disruption of grass covered areas and if left unmaintained will cause soil erosion. Streets Division staff put a formal bid package together to procure Hyrdoseeding services to allow for quick groundcover of the disturbed drain ways.

This is the first formal bid request for this type of as-needed services for the Streets Division. If this manner of procuring such service is deemed successful by the Streets Division then it can become an annual practice.

Discussion

Bids were advertised on April 13, 2017 and sent to seven (7) potential bidders. One (1) bid was received and opened on April 25, 2017. Below is the bid award recommendation.
