Background

On July 3, 2017 Code Enforcement received complaint of a privacy fence in the public right-of-way at 2320 W 6th Street, due to causing a sight obstruction for neighboring property owner leaving their driveway.

On July 6, 2017 Code Enforcement notified property owner of 2320 W 6th Street of City Code Section 20-11; Obstructing Public Right-of-Way (shown below) violation and option of either removing the portion of fence in the public right-of-way or applying for a License Agreement to allow the fence to remain as is.

(A) It shall be illegal for any person, corporation or entity to erect, plant, place, or maintain, fences, hedges, shrubbery, or other natural or man-made objects or structures on any public right-of-way which interfere with or are hazardous to the City's or the general public's use of the right-of-way. No such objects may be placed on any public right-of-way without the prior consent of the City.

(B) When the City discovers any objects on the city right-of-way as described in Subsection (A) herein, the City will notify the adjacent property owner or tenant that said objects shall be removed immediately upon giving personal notice or posting the property.

(C) Any objects not removed pursuant to Subsections (A) and (B) herein may be removed by city personnel and taken to the Grand Island Police Department impoundment facility or such other facility as the city deems appropriate for storing said objects. If the objects are not claimed by the owners within thirty days after being placed in storage, then the city may dispose of the property as it deems appropriate. If said objects are auctioned, the City may retain sufficient funds to pay all of the expenses of removal from the right-of-way and storage. Any person who has items removed from the right-of-way by the City shall pay a daily storage fee, the cost of disposal and an administrative fee of \$50.00.

Amended by Ordinance No. 8936, effective 10-13-2004

Property owner notified Code Enforcement that she would be applying for the License Agreement, which application for was submitted to Public Works Administration on July 6, 2017.

On July 10, 2017, written notification was mailed to property owner of 2320 W 6th Street of License Agreement application denial; with City Code Section 32-69 referenced which pertains to Occupancy of Public Right-of-Way.

§32-69. General

Such denial was based on City staff review and non-compliance with Code Section 20-11; Obstructing Public Right-of-Way. Staff review concluded by allowing the fence to remain in the public right-of-way the sight distance is obstructed for motor vehicular traffic.

Discussion

On August 7, 2017, Public Works Administration received an email from Rachel Dieken requesting an appeal to the license agreement denial and such be placed on the City Council agenda.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council deny the request as the encroachment causes sight obstructions for motor vehicular traffic.

Sample Motion

Move to deny the request.
