**MPO TITLE VI  
IMPLEMENTATION PLAN**

**Nebraska State Department of Roads  
and  
Grand Island Area Metropolitan Planning Organization**

**Policy Statement**

The Grand Island Area Metropolitan Planning Organization, hereinafter referred to as the “LPA,” assures that no person shall on the grounds of race, color, national origin, age, disability/handicap or sex, as provided by Title VI of the Civil Rights Act of 1964, and the Civil Rights Restoration Act of 1987 (P.L. 100.259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance. The LPA further assures every effort will be made to ensure nondiscrimination in all of its programs and activities, whether those programs and activities are federally funded or not.

The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms “programs or activities” to include all programs or activities of Federal Aid recipients, sub-recipients, and contractors/consultants, whether such programs and activities are federally assisted or not (Public Law 100259 [S.557] March 22, 1988.)

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC 794), the LPA hereby gives assurance that no qualified disabled person shall, solely by reason of his disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from this Federal financial assistance.

In the event the LPA distributes federal aid funds to a sub-recipient, the LPA will include Title VI language in all written agreements and will monitor for compliance.

The LPA’s Technical Advisory Committee Member that serves as the City Administrator for the City of Grand Island, is responsible for initiating and monitoring Title VI activities, preparing reports and other responsibilities as required by 23 Code of Federal Regulation(CFR) 200 and 49 Code of Federal Regulation 21.
