Regular Meeting

Item F2

Approval of Agreement in Principal to Accept Donation of Mark Twain Sculpture

We have been informed that the Kaneko sculpture (approved by library board at 9/12/2016 meeting) will not be donated to the library and will be placed elsewhere in the community. However, we have an opportunity to accept a donation of a bronze Mark Twain bench sculpture by Utah artist Gary Lee Price. The dimensions are 52" high X 60" wide and 38" deep. I will have additional information at the meeting. A picture of the sculpture is attached.
