Grand Island Public Library Board February 20, 2017 Meeting C1 - Director's Report – Additional Information

1. Librarian II Position

We have conducted three interviews for the Librarian II position. I hope to have more news on our reorganization to share with you at the board meeting.

2. Abbott Sisters Day

The monthly newsletter is still in production and should be ready to hand out at the meeting. The lead story will be as follows pending verification of the partner agencies:

ABBOTT SISTERS DAY AND NE150 CONVERGE ON MARCH 19 & 20

We've been celebrating Abbott Sisters Day on March 20 since 2002. This year, we'll just be kicking off the celebration a day early!

We invite you to come to the Library on <u>Sunday, March 19</u> for an open house and program on the convergence of Nebraska 150 and the Abbott Sisters and their family. Hall County Historical Society, Prairie Pioneer Genealogical Society and Stuhr Museum will be joining the Library in featuring our Abbott and Nebraska 150 related services and resources. The open house runs 1:30—4:00 pm with an educational program starting at 2:00 pm in the Library's meeting room. More details will follow including an Abbott-infused NE150 related book club to run through our Library's Adult Summer Reading Program.

Proclaimed statewide, Abbott Sisters Day is an integral part of this community's Abbott Sisters Project. The goal of both efforts is to raise public awareness of the lives and achievements of Edith and Grace Abbott, natives of Grand Island, who achieved international renown as educators, social reformers, and authors. We celebrate so that these important women may continue to influence policy on children's and immigrants' issues and so that their story may serve as an inspiration to future generations.

Our building's namesake is Edith Abbott, who became the first woman dean in the School of Social Services at the University of Chicago 1924-1942, and the first dean of a graduate school in an American University. Her bequest was instrumental in the construction of the Edith Abbott Memorial Library in 1974. Her legacy lives on with an expansion of our facility in 2007 and plans underway for needed improvements to serve us well into the future.

Special thanks to the Hall County Historical Society for donating refreshments for this event. Happy Nebraska 150 and Abbott Sisters Day everyone!

3. Nebraska Library Association Advocacy Day

Please let me know if you would like to attend this event, to be held in Lincoln on Tuesday, March 21. The event begins with a legislative briefing at 10:00 am in Room 1507 of the State Capitol. After visiting with your senator and/or legislative staff, a luncheon will be held at the Cornhusker Marriott. I will provide additional details at the meeting including possible plans to nominate one of our volunteers for an award at the luncheon.
