**Grand Island Public Library Board  
July 17, 2017 Meeting  
C1 - Director's Report – Additional Information**

**1. New Librarian and Management Support Team (MST)**

Shaun Klee became our new Adult and Technical Services Librarian on July 5. Soon after arriving, the Library Assistant II's, Librarians and I (MST) had an organizational meeting and I have provided all staff with our new organization chart and other organizational structures in place. Following is our current organizational chart.

**2. Renovation Project Moving Forward**

The Library Board building committee, Librarians and I met with representatives of The Clark Enersen Partners (TCEP) on July 13 to keep moving ahead on this project. We are meeting again on July 25. That morning we will be conducting a focus group meeting on the Makerspace as well as a staff input session. In the afternoon, we will continue schematic design. We believe we are still on target for substantial completion in February 2018. We will have more information to share with board and staff soon.

**3. Summer Reading Program Close to End**

Teen After Hours is this Thursday evening and we are having our final Mega Monday program next week with the Summer Reading Program winding down with Movie Mania Week. Our staff and volunteers have done their usual fantastic job again this summer!
