## INTERLOCAL AGREEMENT

THIS INTERLOCAL AGREEMENT ("Agreement") is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2018, by and between THE CITY OF GRAND ISLAND, Hall County, Nebraska, a municipal corporation (the "City"), and THE CITY OF GRAND ISLAND COMMUNITY REDEVELOPMENT AUTHORITY (the "CRA"). The City and the CRA are individually referred to as "Party" and collectively as "the Parties."

WHEREAS, the City owns and is charged with constructing, operating, and maintaining various elements of public infrastructure projects within the City; and

WHEREAS, the City has identified in its Economic Development Plan public infrastructure and public works needs critical to realizing the City's community and economic development strategy, including but not limited to streets, water, sewer, gas, electrical, storm drainage, railroad extension and spurs, telecommunications, cable, fiber optic, satellite service, and airport expansion and upgrades; and

WHEREAS, the City and CRA jointly approved a General Redevelopment Plan for the City that identifies similar public infrastructure and public works needs critical to the success of the goals of the General Redevelopment Plan for the City, including but not limited to storm drainage; water and sewer mains; utility mains; street construction, resurfacing, and paving projects; parks and public spaces; and sidewalks; and

WHEREAS, the CRA is charged with approving funds for such public infrastructure projects as part of its statutory responsibilities in carrying out the General Redevelopment Plan; and

WHEREAS, the Parties find that there is considerable overlap in the goals of the City's Economic Development Plan and the General Redevelopment Plan, and that better coordination and long-term development of unified governance of public infrastructure projects between the City and CRA in implementing the public infrastructure goals of the General Redevelopment Plan and the Economic Development Plan would be beneficial to achieving the goals of the City and the CRA in providing for the public infrastructure needs of the City; and

WHEREAS, in 2016 the Parties approved an Interlocal Agreement (the "2016 Agreement") which was expressly dependent and contingent upon City's enactment of an ordinance imposing a Local Option Sales Tax of the City that exceeds one and one-half percent (1 ½%), and, therefore, said 2016 Agreement failed to take effect or commence and is null and void due to the failure of the stated contingency; and

WHEREAS, the Parties wish to enter into this Interlocal Agreement to accomplish the above-stated coordination; and

WHEREAS, this Agreement is authorized by the Interlocal Cooperation Act, Neb. Rev. Stat. §§ 13-801 *et seq.*

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the Parties hereto agree as follows:

1. **Coordination of Public Infrastructure Efforts.** The Parties acknowledge that the City is authorized by law to provide the public infrastructure contemplated by this Agreement and in pursuance of the goals of the City's Economic Development Plan, and that the CRA is authorized by law to provide funding for public infrastructure projects contemplated by this Agreement in pursuance of the goals of the City's General Redevelopment Plan. The Parties agree that they will coordinate their respective efforts in implementing the public infrastructure goals of the City's General Redevelopment Plan and its Economic Development Plan through steps including, but not limited to:
  - a. creating a separate administrative entity relating to public infrastructure projects that will be tasked with reviewing the efforts of both the City and CRA to implement the public infrastructure goals of the Parties and any public infrastructure projects undertaken by the Parties or a Party;
  - b. tasking such separate administrative entity with establishing a plan, including benchmarks, for long-term development of unified governance of public infrastructure projects between the City and CRA;
  - c. tasking such separate administrative entity with reporting to both the CRA and City Council as determined necessary by the Parties regarding the coordination of public infrastructure efforts between the Parties;

The value of any property jointly held by the Parties pursuant to this Agreement, if any, shall be divided equally between them upon termination of this Agreement.
