#2018-69 - Approving Purchase of a New ½ Ton, Four-Wheel Drive, Extended Cab Pick-up for the Streets Division of the Public Works Department

Staff Contact: John Collins, P.E. - Public Works Director

Council Agenda Memo

From: Shannon Callahan, Street Superintendent

Meeting: March 13, 2017

Subject: Approving Purchase of a New ½ Ton, Four-Wheel Drive, Extended Cab Pick-up for the Streets Division of the Public Works Department

Presenter(s): John Collins PE, Public Works Director

Background

The Streets Division of the Public Works Department budgeted \$32,000 in fiscal year 2017/2018 for a new ½ Ton, Four-Wheel Drive, Extended Cab Pick-up.

Foreman's vehicles have the most miles placed on them each year; this new unit will replace a foreman vehicle and the vehicle currently used as a foreman vehicle will be replacing work truck, Unit 210. The extended cab is needed for additional room to keep work items accessible, such as maps and safety gear, and still transport passengers.

Unit 210 is a 1999 Ford F-150 with approximately 6,050 hours on the engine; the odometer does not work so exact mileage is unknown but would be assumed between 48,000 and 58,000 miles. Unit 210 has a repair cost to purchase price ratio of 0.99 and Fleet Services has identified several repairs that will need completed, including new tires, if this vehicle is not replaced. This vehicle will be offered to other Divisions before being sold at auction.

Discussion

The vehicle specifications awarded under State of Nebraska Contract No. 14853 OC to Husker Auto Group of Lincoln, Nebraska meet all of the requirements for the Streets Division. The purchase price of the 2018 Chevrolet Silverado 1500 extended cab with four-wheel drive under the State of Nebraska Contract will be \$28,578.00.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the purchase of a New ½ Ton, Four-Wheel Drive, Extended Cab Pick-up using the State of Nebraska Contract No. 14853 OC awarded to Husker Auto Group of Lincoln, Nebraska for a purchase price \$28,578.00.

Sample Motion

Move to approve the resolution.
