Council Agenda Memo

From: Jerry Janulewicz, City Attorney

Meeting: June 26, 2018

Subject: Interlocal Agreement with CRA

Presenter(s): Marlan Ferguson, City Administrator
Jerry Janulewicz, City Attorney

Background

Nebraska State Statutes permit cities to impose or increase city sales tax at a rate greater than 1 ½ percent. The tax generated by the rate that exceeds 1 ½ percent must be used for public infrastructure projects and must terminate no later than 10 years from the effective date of the increase unless the revenue generated by the increased rate is pledged for the repayment of the bonds, in which case the increased rate may continue until the bonds are paid. The proposal to increase the tax rate above 1 ½ percent requires adoption of a resolution passed by a vote of at least 70 percent of all the members of the council, and must be approved by majority vote of the electorate at a primary or general election.

In addition to the requirements stated above, as a condition of imposing sales tax at the increased rate, Neb.Rev.Stat. § 77-27,142 requires a city be a party to an interlocal agreement with a political subdivision within the city or the county creating a separate legal or administrative entity relating to a public infrastructure project. Such interlocal agreement must contain provisions, including benchmarks, relating to the long-term development of unified governance of public infrastructure projects with respect to the parties. The separate legal or administrative entity created cannot be one that was in existence for one calendar year preceding the submission of the question of such tax or increase at a primary or general election.

Concurrent with a resolution to submit to the electorate a proposal to increase the city sales tax rate, City administration is recommending approval of an interlocal agreement with the Grand Island Community Redevelopment Authority. The Interlocal agreement will be presented to the CRA for its consideration and approval. The Interlocal agreement, if approved, will be effective upon, and contingent upon, the City's enactment of an ordinance increasing the sales tax rate above 1 ½ percent.
