Council Agenda Memo

Meeting: September 11, 2018

Subject: Consideration of Approving 1% Increase to the Restricted Revenues Lid Limit

Presenter(s): Patrick Brown, Finance Director
William Clingman, Assistant Finance Director

Background

In 1998, the Nebraska State Legislature passed LB989, which put a lid on the amount of restricted revenues a political subdivision can budget. The restricted revenues for the City of Grand Island included in the budget are Property Taxes, Local Option Sales Tax, Motor Vehicle Tax, Highway Allocation and Municipal Equalization Funds.

Discussion

Each year in the budget document sent to the State of Nebraska on or before September 20, political subdivisions are allowed by State Statute to raise the total restricted revenue funds authority amount from the prior year by 2.5%. This total may also be increased by an additional 1% with a 75% affirming vote, based on members present at the meeting, of the Political Subdivisions governing board (City Council).

The restricted revenue authority base amount of the prior year is used in the calculation of the maximum amount of restricted revenues the City can budget to receive in each proposed budget year. The restricted revenues in the proposed budget year less allowable exceptions cannot be higher than the prior year's restricted revenue base. Therefore each budget year, we want to increase the prior year's restricted revenue base with the additional 1% allowance in order to be able to budget all restricted revenues available for the proposed budget year.

For example, if local option sales taxes, motor vehicle taxes, highway allocation state gasoline taxes, municipal equalization funds, and property tax valuations increase each year at a rate greater than the 2.5% allowed by State Statute for restricted revenues to increase. Then the City may be placed in a position of not being able to budget all of the property tax revenues available for the new budget year in order to stay under the restricted revenue lid limit.

With limited funding sources for the general fund, and the increasing needs of our growing community, City Council should be the deciding authority as to the level of property tax funding needed; not the limit of the prior year restricted revenues total.

The additional 1% increase for the FY2018-2019 State of Nebraska budget report will increase the prior year restricted revenues base by \$312,728.99. This increase in restricted funds authority is not an increase in budgeted revenues or authorized expenditures. Approving the additional 1% each year only provides the political subdivision the ability to increase the prior year's restricted revenues total in order to budget all restricted revenue funding sources each budget year.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Approve the additional 1% increase to the Restricted Revenue Lid Limit.
2. Disapprove or deny the additional 1% increase.

Recommendation

City Administration recommends that the Council approve the additional 1% increase to the Restricted Revenue Lid Limit.

Sample Motion

Move to approve the additional 1% increase to the Restricted Lid Limit for the 2018-2019 Budget.

RESOLUTION 2018-275

WHEREAS, pursuant to Neb. Rev. Stat. §13-519, the City of Grand Island is limited to increasing its total of budgeted restricted revenues to no more than the prior year's total of budgeted restricted funds plus two and one-half percent (2 1/2%) expressed in dollars; and

WHEREAS, §13-519 authorizes the City of Grand Island to exceed the foregoing budget limit by an additional one percent (1%) increase in budgeted restricted revenues upon the affirmative vote of at least 75% of the governing body present at the meeting; and

WHEREAS, the Annual Budget document for Fiscal Year 2018-2019 and Program for Municipal Services in the Lid Computation for Fiscal Year 2018-2019 supported by the detail relating to restricted revenue accounts, proposes an additional increase in the prior year's budgeted restricted funds of an additional one percent (1%) as provided by the statute; and

WHEREAS, approval of the additional one percent (1%) increase in budgeted restricted revenues provides maximum funding sources, does not increase authorized expenditures and is in the best interests of the City of Grand Island and its citizens.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF GRAND ISLAND, NEBRASKA, that by affirmative vote by more than 75% of the City Council, budgeted restricted revenue funds for Fiscal Year 2018-2019 shall be increased by an additional one percent (1%) as provided by Neb. Rev. Stat. §13-519.

Adopted by the City Council of the City of Grand Island, Nebraska on September 11, 2018.
