Council Session

Item G-11

**#2018-283 - Approving Bid Award for Drainage Ditch Grading,
Excavating, and Hauling 2018-2019**

Staff Contact: John Collins, P.E. - Public Works Director

Council Agenda Memo

From: Shannon Callahan, Streets Superintendent

Meeting: September 25, 2018

Subject: Approving Bid Award for Drainage Ditch Grading, Excavating, and Hauling 2018-2019

Presenter(s): John Collins PE, Public Works Director

Background

Specialty equipment/operators are hired by the Streets Division to clean and grade large outfall ditches each year. The price per hour of such services has increased so the jobs are approaching the procurement point in which formal quotes are required. The timeline of the ditch work is weather dependent and is usually done when the Streets Division has staff to provide the hauling. These timelines can be difficult to forecast making the process of securing quotes from various vendors also difficult. The formal bid process streamlines the acquisition of such as-needed services.

A primary and secondary bid award is being recommended for each equipment type so the optimal equipment can be used in the event the primary award vendor is unavailable or unable to meet the Streets Division's timeline. Bidders were given the opportunity to write-in equipment that they own/operate that could be used for drainage ditch grading, excavating, and hauling that was not specifically requested on the bid form. The write-in bid items gives the City more equipment options that otherwise would go unknown.

Discussion

Bids were advertised on August 31, 2018 and sent to (10) ten potential bidders. Two (2) bids were received and opened on September 18, 2018. Below is the bid award recommendation.

Drainage Ditch Grading, Excavating, and Hauling 2018-2019
