Regular Meeting

Item F2

Library Board Vacancy

After the resignation of Sapna Purawat, Library Director Steve Fosselman provided the City Clerk with details of the Library Board vacancy to post. In addition, this vacancy has been posted inside the library and Library Board members are encouraged to seek applicants. It is normal for a vacancy to remain open until filled, with a committee of the Library Board determining the process to recommend a preferred candidate to the entire Library Board. Upon approval, the recommendation is forwarded to the Mayor for his approval and City Council confirmation.
