## Item F2

### Approval of Use of Ralph and Lorraine Laskowski Endowment Fund in City's 295 Fund

*The Grand Island Public Library has been named as an annual recipient of a grant from the Ralph and Lorraine Laskowski Endowment Fund held at the Grand Island Community Foundation. In keeping with previous funds received from the Foundation, this grant of \$4,905.00 has been placed in the City's 295 Special Projects fund that states "The City of Grand Island acts only as the paying agent through which donations and expenditures pass through. Library Projects are designated as per Library Board Policy".*

*The Library Funds Policy states "Any other donations or funds acquired in the city's Special Revenue Fund for the library's benefit shall be designated and expended solely for their stated purposes." It is appropriate for the Library Board to approve the designation and expenditure of this grant for the purpose of promoting reading and literacy.*

Dear Steve,

The Grand Island Public Library has been named as an annual recipient of a grant from the Ralph and Lorraine Laskowski Endowment Fund held here at the Grand Island Community Foundation. Mr Laskowski's wishes are that the money be used for the purpose of promoting reading and literacy. Attached is a grant report that we ask to be filled out once the funds are spent so that we can insure the grantors request is being adhered to and thus can continue the annual disbursements.

If you have any questions, please let me know

Sincerely,

Melissa DeLaet
