Subject: Public Hearing on Acquisition of Public Utility Easement for North Road- 13th Street to Highway 2 Roadway Improvements; Project No. 2019-P-5 (Manning- 3999 W Capital Avenue)

Presenter(s): John Collins PE, Public Works Director

Background

The North Road- 13th Street to Highway 2 Roadway Improvements; Project No. 2019-P-5 is for the improvement of North Road from just north of 13th Street to Highway 2. The Engineering Division of the Public Works Department is proposing a concrete curb and gutter roadway section with associated sidewalk, traffic control, drainage and related improvements needed to complete the project.

Nebraska State Statutes stipulate that the acquisition of property requires a public hearing to be conducted with the acquisition approved by the City Council.

Discussion

A public utility easement is needed to accommodate the roadway improvements along North Road. The property owner has signed the necessary document to grant the property, as shown on the attached drawing.

Engineering staff of the Public Works Department negotiated with the property owner for such purchase.
