Item G-7

#2020-264 - Approving Inter-local Agreement with Hall County for Rehabilitation of a Portion of Stuhr Road

Staff Contact: John Collins, P.E. - Public Works Director

Council Agenda Memo

From: Shannon Callahan, Street Superintendent

Meeting: October 27, 2020

Subject: Approving Inter-local Agreement with Hall County for Rehabilitation of a Portion of Stuhr Road

Presenter(s): John Collins PW, Public Works Director

Background

Council approval is required before entering into an inter-local agreement. Pursuing an inter-local agreement between governmental entities is an efficient means of collaborating efforts to better our community.

This agreement is with Hall County Highway Department for rehabilitation of a portion of Stuhr Road from Stolley Park Road, north intersection, to the southern City Limits (300 feet).

Discussion

Hall County is performing an asphalt overlay on Stuhr Road between Highway 34 and Stolley Park Road (south intersection) which is an ideal time to coordinate with needed work on a portion of Stuhr Road within the city limits - from the north intersection of Stolley Park Road to the southern intersection of Stolley Park Road. This coordination will allow the use of the same road closure and the same contractor resulting in efficiencies in travel delay and cost savings.

Per the agreement Hall County will submit to the City of Grand Island an itemized bill for payment of our share of the project cost which is estimated to be \$8,000.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the inter-local agreement with Hall County and pass a Resolution authorizing the Mayor to sign the agreement.

Sample Motion

Move to approve the inter-local agreement with Hall County.
