Regular Meeting

Item F3

Discussion of Library Director Replacement Process

Ed Meedel and Steve Fosselman have met with City Administration to discuss Steve's intended retirement and the need for the Library Board and City Human Resources department to coordinate. We are still working on a specific retirement date with a mutually-agreeable process to move forward, and so this item has been placed on the agenda to facilitate library board discussion with the goal of determining our part of the process.

Staff Contact: Ed Meedel, Steve Fosselman
