Liquor License Investigation

GNS Incorporated, doing business as Git N Split, filed to change their designated Liquor Manager at the Grand Island location on Langenheder. The family owned corporation has owned and operated the store in Grand Island since it's inception. Larry Coffey is the corporate head. No other changes to the license were outlined or requested.

Angela Coffey has applied to become the new Liquor Manager. Angela appears to be the daughter of Larry Coffey. Angela lists her spouse on the application, Jennifer Mundt-Coffey. Jennifer Mundt-Coffey provided a Spousal Affidavit of Non Participation, and signed the non-participating spousal form.

Angela and Jennifer Coffey reside in Malcolm, NE. I spoke to Angela by telephone. Angela confirmed that she has applied to become the corporate Liquor Manager of all 11 of the Nebraska Git N Split locations. In addition, Angela disclosed that she has been approved for a Nebraska Liquor License, at Discount City in Lincoln, in the past.

I perused the information provided on the applicaion. I noted that Angela disclosed a DUI conviction in 2006, drug paraphernalia infraction in 2008, and an unknown speeding citation in Lincoln. Jennifer Mundt-Coffey disclosed no violations. I researched our local Spillman database, and found no entries for either Angela or Jennifer.

I then checked NCJIS files, and found no entries for Jennifer. I located the DUI that Angela had disclosed, as well as an arrest, in 2009, for Terroristic Threats. I did not find any entry for speeding in Lincoln. Angela's records indicate that the 2009 Threats charges were never filed, and/or dropped, and she was never convicted as prosecution was declined.

I also checked a paid, law enforcement only database, that generally provides contact and residence history information and any civil proceedings. I found no items of concern for either applicant. Also noted was Angela's completion of the suggested State of Nebraska training courses for alcohol managers.

While DUI and Terroristic Threats are incidents of concern, both were more than ten years ago, and prosecution was declined for the threats incident. Angela and Jennifer have no recent entries or contacts of concern. Therefore, although Angela and I did not meet in person, the Grand Island Police Department has no objections to Angela Coffey being named the Liquor Manager for the Grand Island Git N Split location.
