Council Session

Item G-9

#2021-142 - Approving Bobcat Excavator Lease Agreement for the Utilities Underground Division

Staff Contact: Tim Luchsinger, Stacy Nonhof

Council Agenda Memo

From: Tim Luchsinger, Utilities Director
Stacy Nonhof, Interim City Attorney

Meeting: June 22, 2021

Subject: Approving Lease Agreement for Bobcat Excavator

Presenter(s): Tim Luchsinger, Utilities Director

Background

The Grand Island Utilities Department Underground Division routinely installs new underground electrical infrastructure for new residential, commercial and industrial developments. Oftentimes, crews are installing infrastructure in multiple locations at once. Up until a couple of years ago, the Division was able to keep up with the amount of work with a single backhoe that is owned by the Department, however, the last several years have been exceptionally busy and required the rental of a small excavator to allow more crew flexibility. During calendar year 2020, approximately \$14,000 was spent on weekly and monthly rental charges for this unit. A less costly option was presented as an annual lease of the unit for \$5,800.00.

Discussion

The pricing of the lease is based upon Sourcewell, a government pricing organization. Bobcat is responsible for any repairs to the unit. Grand Island Utilities would only need to perform routine maintenance such as oil changes. The annual cost is significantly lower than the charges incurred during 2020 for the rental of the unit.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to a future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the lease agreement with Hometown Leasing for the amount of \$5,800.00.

Sample Motion

Move to approve the lease agreement with Hometown Leasing for the amount of \$5,800.00.
