Item G-17

#2021-250 - Approving Engineering Consulting Agreement for Various Locations Drainage Projects; Brookline Drive and Henry Street/ South Street Intersection

Staff Contact: John Collins, P.E. - Public Works Director

Council Agenda Memo

From: Keith Kurz PE, Assistant Public Works Director

Meeting: September 28, 2021

Subject: Approving Engineering Consulting Agreement for Various Locations Drainage Projects; Brookline Drive and Henry Street/ South Street Intersection

Presenter(s): John Collins PE, Public Works Director

Background

The Various Locations Drainage Projects; Brookline Drive and Henry Street/ South Street Intersection will plan, design, and build projects to improve drainage.

One project is improving drainage along Brookline Drive. City staff have looked at several options, but constructing a concrete cur band gutter street appears to be the best alternative.

The other project is paving the intersection of Henry Street and South Street. With the heavy truck traffic and large amounts of water drainage from the north, this appears to be the preferred option to fix drainage problems.

At this time the Public Works Engineering staff is looking to design the two (2) projects and then combine them in a large project for bidding and construction, which is subject to change.

On July 9, 2021 the Engineering Division of the Public Works Department advertised for Engineering Services for Various Drainage Projects; Brookline Drive and Henry Street/ South Street Intersection, with sixteen (16) potential respondents.

Discussion

Two (2) engineering firms submitted qualifications for the engineering services for Various Locations Drainage Projects; Brookline Drive and Henry Street/ South Street Intersection. JEO Consulting Group, Inc. of Grand Island, Nebraska was selected as the top engineering firm based on the pre-approved selection criteria.

- Firm experience and qualifications on similar work (50%)

- Proposed project schedule/approach (40%)
- Past experience working with the City of Grand Island Public Works Department (10%)

Compensation for JEO Consulting Group, Inc.'s engineering design services will be provided on a time and expense basis not to exceed \$96,970.00. Such services will include project management, preliminary investigation, final design, bidding and negotiation and construction services. Amendments may be required in the future for additional services.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the agreement with JEO Consulting Group, Inc. of Grand Island, Nebraska, in the amount of \$96,970.00.
