Regular Meeting**

Item I1

**Redevelopment Contract Amendment CRA Area 2 - Bosselman -
1607 S. Locust**

Staff Contact:

FIRST AMENDMENT TO REDEVELOPMENT CONTRACT

THIS FIRST AMENDMENT TO REDEVELOPMENT CONTRACT (the “Amended Contract”) is entered into between the **COMMUNITY REDEVELOPMENT AUTHORITY OF THE CITY OF GRAND ISLAND, NEBRASKA**, (“Authority”), and **BOSSELMAN REAL ESTATE, LLC**, a Nebraska limited liability company and its successors and assigns (“Redeveloper”).

RECITALS

A. The City has undertaken a program for the redevelopment of blighted and substandard areas in the City of Grand Island, Nebraska. As part of that program the City has prepared and approved the City of Grand Island Redevelopment Plan Amendment for the Grand Island CRA Area 2 July 2015 (“Redevelopment Plan”), a copy of which is on file in the Office of the City Clerk of the City (“City Clerk”). The Redevelopment Plan has been adopted in compliance with the Nebraska Community Development Law codified at *Neb. Rev. Stat* §§18-2101 through 18-2154 (the “Act”).

B. The Redevelopment Plan calls for the Authority to support Redeveloper’s acquisition and redevelopment efforts on real estate acquired by the Redeveloper which is legally described on Exhibit “A” attached hereto and incorporated herein by this reference (“Redeveloper Property”).

C. The Redevelopment Plan was approved by the City of Grand Island and the Authority. Pursuant to the Redevelopment Plan the Authority and Redeveloper entered into a Redevelopment Contract (the “Redevelopment Contract”) dated September 29, 2015.

D. The Redevelopment Plan contemplated three phases consisting of a corporate office, a separate professional building and a motel. Due to a change in the economy the Redeveloper has determined that the Project will not support a motel and sought an amendment to the Redevelopment Plan. An Amended Redevelopment Plan, City of Grand Island Redevelopment Plan Amendment for the Grand Island CRA Area 2 July 2015 Amended April 2021 (the “Amended Plan”), related to the Project was approved by the City of Grand Island a copy of which is on file in the Office of the City Clerk

E. The Amended Plan provides that a quick serve restaurant replace the motel referred to in the Redevelopment Contract.

F. Redeveloper and Authority desire to amend the Redevelopment Contract to authorize the construction of the quick serve restaurant in place of the motel contemplated in the Redevelopment Contract.

NOW, THEREFORE, in consideration of the above recitals which are hereby made part of this Amended Contract and of the mutual covenants contained herein the parties do agree as follows:

1. The Redevelopment Contract is hereby amended to provide that a quick serve restaurant be constructed in place of a motel as part of the Redevelopment Project. The

construction of the quick serve restaurant shall be in the location as set forth in the Amended Redevelopment Plan and the Redeveloper's amended application for tax increment financing.

2. The construction of the quick serve restaurant shall be done strictly in accordance with the terms and provisions of the Redevelopment Contract. The redevelopment project costs paid by the Redeveloper that are eligible for reimbursement under the Nebraska Community Development Law shall be certified to the Authority and considered proceeds of the TIF Proceeds under the TIF Note previously issued by the Authority related to the Project. Provided, however, in all events, the principal advanced on the TIF Note shall not exceed \$6,552,000.

3. The Redeveloper has not filed and does not intend to file an application with the Department of Revenue to receive tax incentives under the Nebraska Advantage Act or the ImagiNE Nebraska Act related to a project in the Redevelopment Project Area. In as much as no such application has been filed, none has been approved. No application has been filed with the Department of Revenue requesting a refund of any local option sales tax.

4. Redeveloper shall retain copies of all supporting documents that are associated with the redevelopment plan or redevelopment project and that are received or generated by the Redeveloper for three years following the end of the last fiscal year in which ad valorem taxes are divided and provide such copies to the city as needed to comply with the city's retention requirements under section 18-2117.04 of the Nebraska Community Development Law.

5. The Redeveloper specifically acknowledges that the assessed valuation of the quick serve restaurant will be significantly less than the motel contemplated in the Redevelopment Plan.

6. The terms and conditions of the Redevelopment Contract, except as amended hereby are hereby affirmed.

Executed by **Authority** this ____ day of June, 2021.

Redevelopment Plan Amendment
Grand Island CRA Area 2
July 2015 Amended April 2021

The Community Redevelopment Authority (CRA) of the City of Grand Island intends to amend the Redevelopment Plan for Area 2 within the city, pursuant to the Nebraska Community Development Law (the “Act”) and provide for the financing of a commercial project in Area 2.

Executive Summary:
Project Description

THE ACQUISITION OF PROPERTY AT 1607 SOUTH LOCUST STREET AND THE SUBSEQUENT SITE WORK, RENOVATIONS, UTILITY IMPROVEMENTS, ENGINEERING, LANDSCAPING AND PARKING IMPROVEMENTS NECESSARY FOR REBUILDING CORPORATE OFFICE FOR BOSSELMAN COMPANIES ALONG WITH A **MOTEL QUICK SERVE RESTAURANT** AND SEPARATE PROFESSIONAL OFFICE SPACE AT THIS LOCATION.

The use of Tax Increment Financing (TIF) to aid in the acquisition of property, rehabilitation of the existing building, necessary site work and installation of public utilities and utility connections necessary to develop this site. The use of TIF makes it feasible to complete the proposed project within the timeline presented. This project developer has stated that the project will not be completed at this location without the use of TIF.

The acquisition, rehabilitation, site work and construction of all improvements will be paid for by the developer. The developer is responsible for and has provided evidence that they can secure adequate debt financing to cover the costs associated with the acquisition, site work and remodeling. The Grand Island Community Redevelopment Authority (CRA) intends to pledge the ad valorem taxes generated over the 15 year period beginning January 1, 2017 towards the allowable costs and associated financing for the acquisition and site work.

TAX INCREMENT FINANCING TO PAY FOR THE ACQUISITION OF THE PROPERTY AND RELATED SITE WORK WILL COME FROM THE FOLLOWING REAL PROPERTY:

Property Description (the “Redevelopment Project Area”)

This property is located east of Locust Street south of State Fair Boulevard and west of Fonner Park in south central Grand Island, the attached map identifies the subject property and the surrounding land uses:

- **Legal Description** Lot 1 of Fonner Fourth Subdivision (It is anticipated this property will be re-subdivided to accommodate phases 2 and 3 of this proposal.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

The tax increment will be captured for the tax years the payments for which become delinquent in years 2018 through 2031 inclusive.

The real property ad valorem taxes on the current valuation will continue to be paid to the normal taxing entities. The increase will come from the construction of new commercial space on this property.

Statutory Pledge of Taxes.

Pursuant to Section 18-2147 of the Act, any ad valorem tax levied upon real property in the Redevelopment Project Area shall be divided, for the period not to exceed 15 years after the effective date of the provision, which effective date shall be January 1, 2017. Said taxes shall be divided as follows:

a. That portion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the redevelopment project valuation shall be paid into the funds, of each such public body in the same proportion as all other taxes collected by or for the bodies; and

b. That portion of the ad valorem tax on real property in the redevelopment project in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the Authority to pay the principal of; the interest on, and any premiums due in connection with the bonds, loans, notes, or advances on money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such Authority for financing or refinancing, in whole or in part, a redevelopment project. When such bonds, loans, notes, advances of money, or indebtedness including interest and premium due have been paid, the Authority shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such redevelopment project shall be paid into the funds of the respective public bodies.

Pursuant to Section 18-2150 of the Act, the ad valorem tax so divided is hereby pledged to the repayment of loans or advances of money, or the incurring of any indebtedness, whether funded, refunded, assumed, or otherwise, by the CRA to finance or refinance, in whole or in part, the redevelopment project, including the payment of the principal of, premium, if any, and interest on such bonds, loans, notes, advances, or indebtedness.

Redevelopment Plan Amendment Complies with the Act:

The Community Development Law requires that a Redevelopment Plan and Project consider and comply with a number of requirements. This Plan Amendment meets the statutory qualifications as set forth below.

1. The Redevelopment Project Area has been declared blighted and substandard by action of the Grand Island City Council on September 13, 1999.[§18-2109] Such declaration was made after a public hearing with full compliance with the public notice requirements of §18-2115 of the Act.

2. Conformation to the General Plan for the Municipality as a whole. [§18-2103 (13) (a) and §18-2110]

Grand Island adopted a Comprehensive Plan on July 13, 2004. This redevelopment plan amendment and project are consistent with the Comprehensive Plan, in that no changes in the Comprehensive Plan elements are intended. This plan merely provides funding for the developer to acquire the necessary property and provide the necessary site work for the construction of a permitted use on this property.

3. The Redevelopment Plan must be sufficiently complete to address the following items: [§18-2103(13) (b)]

a. Land Acquisition:

The Redevelopment Plan for Area 2 provides for real property acquisition and this plan amendment does not prohibit such acquisition. There is no proposed acquisition by the authority. The applicant will be acquiring the property from the current owner.

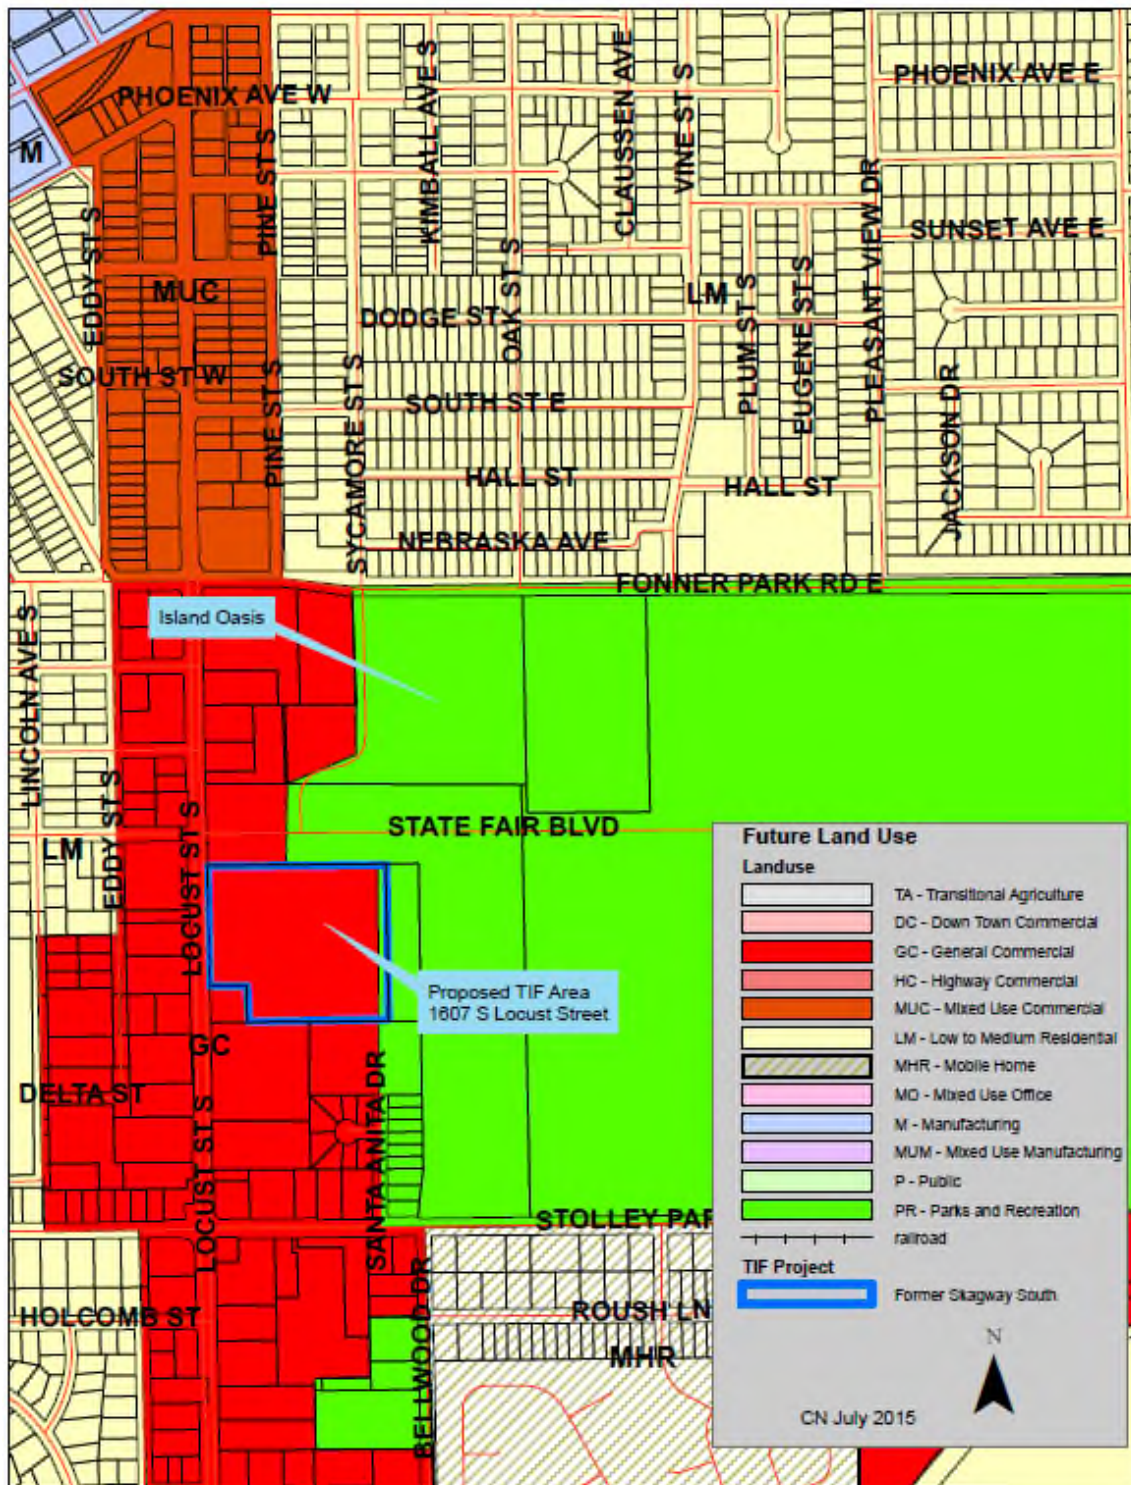

b. Demolition and Removal of Structures:

The project to be implemented with this plan will not require demolition of any existing structures.

c. Future Land Use Plan

See the attached map from the 2004 Grand Island Comprehensive Plan. The site is planned for commercial development within this arterial corridor allowing for maximum exposure. Residential and hotel uses are also permitted in this area [§18-2103(b) and §18-2111]. The attached map also is an accurate site plan of the area after redevelopment. [§18-2111(5)]

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

City of Grand Island Future Land Use Map

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

d. Changes to zoning, street layouts and grades or building codes or ordinances or other Planning changes.

The area is zoned B2-AC General Business zone with an Arterial Commercial Overlay District. No zoning changes are anticipated with this project. No changes are anticipated in street layouts or grades. No changes are anticipated in building codes or ordinances. Nor are any other planning changes contemplated. [§18-2103(b) and §18-2111]

e. Site Coverage and Intensity of Use

The developer is proposing to remodel the existing retail building for a combination of retail uses, office uses and residential dormitories. In addition, there are future phases that anticipate the development ~~of a 100-room motel~~ quick serve restaurant at the northwest corner of the site and additional in-line professional office space along the southern property line. [§18-2103(b) and §18-2111]

f. Additional Public Facilities or Utilities

Sewer and water are available to support this development. Connections for water and sewer will have to be extended to serve the proposed future development.

No other utilities would be impacted by the development.

The developer will be responsible for replacing any sidewalks damaged during construction of the project.

No other utilities would be impacted by the development. [§18-2103(b) and §18-2111]

4. The Act requires a Redevelopment Plan provide for relocation of individuals and families displaced as a result of plan implementation. This amendment does not provide for acquisition of any residences and therefore, no relocation is contemplated. [§18-2103.02]

5. No member of the Authority, nor any employee thereof holds any interest in any property in this Redevelopment Project Area. [§18-2106]

6. Section 18-2114 of the Act requires that the Authority consider:

a. Method and cost of acquisition and preparation for redevelopment and estimated proceeds from disposal to redevelopers.

The developer ~~is proposing to~~ purchased this property for redevelopment for \$1,700,000 provided that TIF is available for the project as defined. The cost of property acquisition is being included as a TIF eligible expense. Costs for site preparation, utility extensions, building plans, and renovation of the existing building \$6,591,600 and are included as TIF eligible expenses for phase 1. ~~Phase 2 eligible expenses include sitework/utility extensions, architecture and legal fees of \$315,000.~~ Phase 3 eligible expenses include architecture and legal fees of \$120,000. The total amount of the TIF eligible expenses in this request is over \$8,700,000 It is estimated based on the proposed increased valuation for Phase 1 of the project of \$11,617,706 will result in \$3,836,200 of increment generated over a 15 year period. Phase 2 would generate an increase in value of ~~\$8,083,000~~ ~~521,273,~~with ~~\$2,491,229~~ ~~102,114~~ generated over a ~~14~~ 9 year period. Phase 3 would generate an increase of \$787,000 with ~~\$225,230~~ ~~17,325~~ generated ~~over a 13-year period annually for the remainder of the term after construction.~~ A ~~maximum~~ total of ~~\$6,552,000~~ ~~4,094,242~~ of TIF would be available to cover \$8,726,600 worth of TIF eligible expenses. It is anticipated that the developer will spend almost \$2,175,000 more on eligible expenses than will be generated by the tax increment.

No property will be transferred to redevelopers by the Authority. The developer will provide and secure all necessary financing.

b. Statement of proposed method of financing the redevelopment project.

The developer will provide all necessary financing for the project. The Authority ~~will~~ ~~has~~ assisted the project by granting the sum of \$6,552,000 for the project from the proceeds of the TIF Indebtedness issued by the Authority. This indebtedness will be repaid from the Tax Increment Revenues generated from the project. TIF revenues shall be made available to repay the original debt after January 1, 2018 through December 2032.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

c. Statement of feasible method of relocating displaced families.

No families will be displaced as a result of this plan.

7. Section 18-2113 of the Act requires:

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted, and harmonious development of the city and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of insanitary or unsafe dwelling accommodations or conditions of blight.

The Authority has considered these elements in proposing this Plan Amendment. This amendment, in and of itself will promote consistency with the Comprehensive Plan, in that it will allow for the utilization of the existing building and development of additional commercial facilities at this location. This lot is surrounded by similar commercial uses. This will not increase traffic in the area. New commercial development will raise property values and provide a stimulus to keep surrounding properties properly maintained. This will have the intended result of preventing recurring elements of unsafe buildings and blighting conditions.

8. Time Frame for Development

Development of Phase 1 of this project is anticipated to be completed between January of 2016 and December of 2016. Excess valuation should be available for this project for 15 years beginning with the 2017 tax year. It is anticipated that Phases 2 **will be completed before the end of 2021.** Phase 3 will be completed **within 5 years of the beginning of the project when feasible** depending on market conditions.

9. Justification of Project

The property is located at the entrance to the Fonner Park and the Nebraska State Fair Grounds. These facilities are enjoyed and visited by hundreds of thousands of people each year. This commercial property was vacated in May of 2015 and this is an excellent chance to redevelop the property as the corporate headquarters for a Grand Island based company that does business all over the United States. The proposed project will be highly visible and complement the image of both the Community and the Bosselman

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

Companies. ~~The potential addition of a hotel at this location increases the synergy between Fonner Park and the Bosselman Conference center and South Locust. This will provide hotel rooms within close walking distance to these facilities.~~ Market conditions and the likelihood that a casino and hotel complex will be completed on the Fonner Grounds greatly reduce the commercial viability of a hotel at this site. This project does not propose to tear down or substantially alter any buildings with historic value.

10. Cost Benefit Analysis Section 18-2113 of the Act, further requires the Authority conduct a cost benefit analysis of the plan amendment in the event that Tax Increment Financing will be used. This analysis must address specific statutory issues.

As authorized in the Nebraska Community Development Law, §18-2147, *Neb. Rev. Stat.* (2012), the City of Grand Island has analyzed the costs and benefits of the proposed Bosselman Skagway South Redevelopment Project, including:

Project Sources and Uses. Approximately ~~\$6,552,000~~ 4,094,000 in public funds from tax increment financing provided by the Grand Island Community Redevelopment Authority will be required to complete the project. This project still has more than ~~\$8,726,600~~ 8,576,600 worth of TIF eligible expenses. The developer will be responsible for funding the additional ~~\$2,174,600~~ 4,482,600 as private investment. The total private investment on this project is the total of the costs not eligible for TIF ~~\$11,215,000~~ 3,175,000 plus the ~~\$2,174,600~~ 4,482,600 of TIF eligible costs that will not be covered by the Tax Increment for a total private investment of ~~\$13,389,600~~ 7,657,600. This ~~\$6,552,000~~ 4,094,000 investment by the Authority and the people of Grand Island will leverage ~~\$13,389,600~~ 7,657,600 in private sector financing; a private investment of ~~\$2.04~~ 1.87 for every TIF dollar investment.

Use of Funds. Phase 1			
Description	Eligible for TIF Funds	Private Funds	Total
Site Acquisition	\$1,700,000		\$1,700,000
Utilities/On Site Improvements	\$500,000		\$500,000

Personal Property		\$	\$
TOTALS	\$120,000	\$1,030,000	\$1,150,000

Tax Revenue. The property to be redeveloped has a January 1, 2015, valuation of approximately \$2,290,814. Based on the 2014 levy this would result in a real property tax of approximately \$50,292. It is anticipated that the assessed value will increase by almost ~~\$20,500,000~~ 12,926,014 upon full completion, as a result of the site redevelopment. This development will result in an estimated tax increase of over ~~\$451,000~~ 284,418 annually resulting in ~~\$6,552,000~~ 4,094,242 of increment over the 15 year period. The tax increment gained from this Redevelopment Project Area would not be available for use as city general tax revenues, for a period of 15 years, or such shorter time as may be required to amortize the TIF bond, but would be used for eligible private redevelopment costs to enable this project to be realized.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

Estimated 2014 assessed value:	\$ 2,290,814
Estimated 2020 assessed value	\$ 6,441,977
2020 TIF Base	\$ 2,652,701
2020 TIF Excess	\$ 3,789,276
Estimated value after completion	\$ 22,778,988
	\$ 15,216,825
Increment value	\$ 20,488,175
	\$ 12,926,014
Annual TIF generated (estimated)	\$ 451,017
	\$ 284,418
TIF bond issue	\$ 6,552,000
Expected TIF Payout based on revised plan	\$ 4,094,242

(a) Tax shifts resulting from the approval of the use of Tax Increment Financing;

The redevelopment project area ~~currently has an estimated 2020~~ base valuation of ~~\$2,290,814~~ 2,652,701. The proposed redevelopment and commercial construction at this location will result in an additional ~~\$20,488,175~~ 12,926,014 of taxable valuation based on valuations of similar properties. No tax shifts are anticipated from the project. The project creates additional valuation that will support taxing entities long after the project is paid off. The project will not add any tax burdens to taxing entities. Therefore no tax shifts will occur.

(b) Public infrastructure and community public service needs impacts and local tax impacts arising from the approval of the redevelopment project;

No additional public service needs have been identified. Existing water and waste water facilities will not be impacted by this development. The electric utility has sufficient capacity to support the development. It is not anticipated that this will impact schools. Fire and police protection are available and should not be impacted by this development.

(c) Impacts on employers and employees of firms locating or expanding within the boundaries of the area of the redevelopment project;

This project will not negatively impact employers or employees in the area directly. Bosselman Companies will be able to continue employing people within the City of Grand Island.

(d) Impacts on other employers and employees within the city or village and the immediate area that are located outside of the boundaries of the area of the redevelopment project; and

No impacts are anticipated outside of the city or immediate area to total employment from this project other than the incremental increase due to the construction.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

(e) Impacts on the student population of school districts within the city or village; and

This project is unlikely to create any direct increase in cost for schools in the area. This project does not involve housing and is renovation of an existing commercial site.

(f) Any other impacts determined by the authority to be relevant to the consideration of costs and benefits arising from the redevelopment project.

This project will utilize a piece of property in the Grand Island City Limits that is at the entrance to the Fonner Park and the Nebraska State Fair grounds. This property ~~has been~~ was the home of Skagway South for more than 20 years and the Bosselman Corporate Offices since 2016. Skagway closed in 2015 ~~this past May~~ leaving the building mostly vacant. This project will change this entrance in to the fairgrounds in a positive way, rehabilitate and reutilize the existing building and provide hotel rooms within walking distance of the fairgrounds.

Time Frame for Development

Development of this project is anticipated to be completed during between October 2015 and December of 2018, depending on the market demand for the buildings in phases 2 and 3. ~~Phases 2 will be completed by the end of 2021 and Phase 3 is dependent on market demand.~~ The date of TIF will be established with the approved contract but it is anticipated that the base tax year should be calculated on the value of the property as of January 1, 2016. Excess valuation should be available for this project for 15 years beginning with the 2017 tax year. Excess valuation will be used to pay the TIF Indebtedness issued by the CRA per the contract between the CRA and the developer for a period not to exceed 15 years or an amount not to exceed \$6,552,000 the projected amount of the eligible expenses for this project. Based on the purchase price of the property and estimates of the expenses of renovation activities and associated engineering fees, the developer will spend more than \$8,700,000 on TIF eligible activities. ~~As part of the 2021 amendment it is anticipated that eligible activities will still exceed \$8,700,000 and that the total TIF generated will be \$4,094,000 not \$6,552,000. The eligible activities from Phase 1 of this project exceed the total TIF that will be generated by completion of all three phases of the project.~~
