6. REDEVELOPMENT CONTRACT AMENDMENT 1– BOSSELMAN REAL ESTATE LLC.- 1607 S. LOCUST Concerning an amendment to the redevelopment contract for CRA Area No. 2 for lot 1 of the Fonner Fourth Subdivision located south of Fonner Park Road and east of Locust Street at 1607 S. Locust (Bosselman Headquarters). The request calls for redevelopment and renovation of this property for commercial purposes. This amended plan changes the phase 2 of the project, a proposed hotel along Locust Street, to a quick serve restaurant. The request does not change the amount of TIF granted toward the project but does change the amount likely to be paid out. There are nine years left on this project. The proposed changes are not minor in nature and scope so the plan needs to be amended to reflect the proposed redevelopment. The Grand Island City Council approved the amended Redevelopment Plan at their meeting on May 25, 2021. A MOTION to approve the contract amendment is in order.
7. REDEVELOPMENT PLAN AMENDMENT – Ebc Obermiller LLC. (Miller Tire)- 722 N. EDDY STREET. -- T & S Development L.L.C. (Tom and Sue Pirnie) was the original redeveloper of this property and hold the TIF Bond and contract on the property. EBMT Properties L.L.C. (Jim Pirnie) is buying the building from

them. Due to the contract provisions the CRA needs to consider approval of this sale. The CRA cannot deny the sale without cause. There are no issues with the transfer and all parties are aware of the TIF on the project. A MOTION to approve the transfer is in order.

Item I1

**Redevelopment Contract Amendment CRA Area 2 - Bosselman -
1607 S. Locust**

Staff Contact:

FIRST AMENDMENT TO REDEVELOPMENT CONTRACT

THIS FIRST AMENDMENT TO REDEVELOPMENT CONTRACT (the “Amended Contract”) is entered into between the **COMMUNITY REDEVELOPMENT AUTHORITY OF THE CITY OF GRAND ISLAND, NEBRASKA**, (“Authority”), and **BOSSELMAN REAL ESTATE, LLC**, a Nebraska limited liability company and its successors and assigns (“Redeveloper”).

RECITALS

A. The City has undertaken a program for the redevelopment of blighted and substandard areas in the City of Grand Island, Nebraska. As part of that program the City has prepared and approved the City of Grand Island Redevelopment Plan Amendment for the Grand Island CRA Area 2 July 2015 (“Redevelopment Plan”), a copy of which is on file in the Office of the City Clerk of the City (“City Clerk”). The Redevelopment Plan has been adopted in compliance with the Nebraska Community Development Law codified at *Neb. Rev. Stat* §§18-2101 through 18-2154 (the “Act”).

B. The Redevelopment Plan calls for the Authority to support Redeveloper’s acquisition and redevelopment efforts on real estate acquired by the Redeveloper which is legally described on Exhibit “A” attached hereto and incorporated herein by this reference (“Redeveloper Property”).

C. The Redevelopment Plan was approved by the City of Grand Island and the Authority. Pursuant to the Redevelopment Plan the Authority and Redeveloper entered into a Redevelopment Contract (the “Redevelopment Contract”) dated September 29, 2015.

D. The Redevelopment Plan contemplated three phases consisting of a corporate office, a separate professional building and a motel. Due to a change in the economy the Redeveloper has determined that the Project will not support a motel and sought an amendment to the Redevelopment Plan. An Amended Redevelopment Plan, City of Grand Island Redevelopment Plan Amendment for the Grand Island CRA Area 2 July 2015 Amended April 2021 (the “Amended Plan”), related to the Project was approved by the City of Grand Island a copy of which is on file in the Office of the City Clerk

E. The Amended Plan provides that a quick serve restaurant replace the motel referred to in the Redevelopment Contract.

F. Redeveloper and Authority desire to amend the Redevelopment Contract to authorize the construction of the quick serve restaurant in place of the motel contemplated in the Redevelopment Contract.

NOW, THEREFORE, in consideration of the above recitals which are hereby made part of this Amended Contract and of the mutual covenants contained herein the parties do agree as follows:

1. The Redevelopment Contract is hereby amended to provide that a quick serve restaurant be constructed in place of a motel as part of the Redevelopment Project. The

construction of the quick serve restaurant shall be in the location as set forth in the Amended Redevelopment Plan and the Redeveloper's amended application for tax increment financing.

2. The construction of the quick serve restaurant shall be done strictly in accordance with the terms and provisions of the Redevelopment Contract. The redevelopment project costs paid by the Redeveloper that are eligible for reimbursement under the Nebraska Community Development Law shall be certified to the Authority and considered proceeds of the TIF Proceeds under the TIF Note previously issued by the Authority related to the Project. Provided, however, in all events, the principal advanced on the TIF Note shall not exceed \$6,552,000.

3. The Redeveloper has not filed and does not intend to file an application with the Department of Revenue to receive tax incentives under the Nebraska Advantage Act or the ImagiNE Nebraska Act related to a project in the Redevelopment Project Area. In as much as no such application has been filed, none has been approved. No application has been filed with the Department of Revenue requesting a refund of any local option sales tax.

4. Redeveloper shall retain copies of all supporting documents that are associated with the redevelopment plan or redevelopment project and that are received or generated by the Redeveloper for three years following the end of the last fiscal year in which ad valorem taxes are divided and provide such copies to the city as needed to comply with the city's retention requirements under section 18-2117.04 of the Nebraska Community Development Law.

5. The Redeveloper specifically acknowledges that the assessed valuation of the quick serve restaurant will be significantly less than the motel contemplated in the Redevelopment Plan.

6. The terms and conditions of the Redevelopment Contract, except as amended hereby are hereby affirmed.

Redevelopment Plan Amendment
Grand Island CRA Area 2
July 2015 Amended April 2021

The Community Redevelopment Authority (CRA) of the City of Grand Island intends to amend the Redevelopment Plan for Area 2 within the city, pursuant to the Nebraska Community Development Law (the “Act”) and provide for the financing of a commercial project in Area 2.

Executive Summary:
Project Description

THE ACQUISITION OF PROPERTY AT 1607 SOUTH LOCUST STREET AND THE SUBSEQUENT SITE WORK, RENOVATIONS, UTILITY IMPROVEMENTS, ENGINEERING, LANDSCAPING AND PARKING IMPROVEMENTS NECESSARY FOR REBUILDING CORPORATE OFFICE FOR BOSSELMAN COMPANIES ALONG WITH A **MOTEL QUICK SERVE RESTAURANT** AND SEPARATE PROFESSIONAL OFFICE SPACE AT THIS LOCATION.

The use of Tax Increment Financing (TIF) to aid in the acquisition of property, rehabilitation of the existing building, necessary site work and installation of public utilities and utility connections necessary to develop this site. The use of TIF makes it feasible to complete the proposed project within the timeline presented. This project developer has stated that the project will not be completed at this location without the use of TIF.

The acquisition, rehabilitation, site work and construction of all improvements will be paid for by the developer. The developer is responsible for and has provided evidence that they can secure adequate debt financing to cover the costs associated with the acquisition, site work and remodeling. The Grand Island Community Redevelopment Authority (CRA) intends to pledge the ad valorem taxes generated over the 15 year period beginning January 1, 2017 towards the allowable costs and associated financing for the acquisition and site work.

TAX INCREMENT FINANCING TO PAY FOR THE ACQUISITION OF THE PROPERTY AND RELATED SITE WORK WILL COME FROM THE FOLLOWING REAL PROPERTY:

Property Description (the “Redevelopment Project Area”)

This property is located east of Locust Street south of State Fair Boulevard and west of Fonner Park in south central Grand Island, the attached map identifies the subject property and the surrounding land uses:

- **Legal Description** Lot 1 of Fonner Fourth Subdivision (It is anticipated this property will be re-subdivided to accommodate phases 2 and 3 of this proposal.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

The tax increment will be captured for the tax years the payments for which become delinquent in years 2018 through 2031 inclusive.

The real property ad valorem taxes on the current valuation will continue to be paid to the normal taxing entities. The increase will come from the construction of new commercial space on this property.

Statutory Pledge of Taxes.

Pursuant to Section 18-2147 of the Act, any ad valorem tax levied upon real property in the Redevelopment Project Area shall be divided, for the period not to exceed 15 years after the effective date of the provision, which effective date shall be January 1, 2017. Said taxes shall be divided as follows:

a. That portion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the redevelopment project valuation shall be paid into the funds, of each such public body in the same proportion as all other taxes collected by or for the bodies; and

b. That portion of the ad valorem tax on real property in the redevelopment project in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the Authority to pay the principal of; the interest on, and any premiums due in connection with the bonds, loans, notes, or advances on money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such Authority for financing or refinancing, in whole or in part, a redevelopment project. When such bonds, loans, notes, advances of money, or indebtedness including interest and premium due have been paid, the Authority shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such redevelopment project shall be paid into the funds of the respective public bodies.

Pursuant to Section 18-2150 of the Act, the ad valorem tax so divided is hereby pledged to the repayment of loans or advances of money, or the incurring of any indebtedness, whether funded, refunded, assumed, or otherwise, by the CRA to finance or refinance, in whole or in part, the redevelopment project, including the payment of the principal of, premium, if any, and interest on such bonds, loans, notes, advances, or indebtedness.

Redevelopment Plan Amendment Complies with the Act:

The Community Development Law requires that a Redevelopment Plan and Project consider and comply with a number of requirements. This Plan Amendment meets the statutory qualifications as set forth below.

1. The Redevelopment Project Area has been declared blighted and substandard by action of the Grand Island City Council on September 13, 1999.[§18-2109] Such declaration was made after a public hearing with full compliance with the public notice requirements of §18-2115 of the Act.

2. Conformation to the General Plan for the Municipality as a whole. [§18-2103 (13) (a) and §18-2110]

Grand Island adopted a Comprehensive Plan on July 13, 2004. This redevelopment plan amendment and project are consistent with the Comprehensive Plan, in that no changes in the Comprehensive Plan elements are intended. This plan merely provides funding for the developer to acquire the necessary property and provide the necessary site work for the construction of a permitted use on this property.

3. The Redevelopment Plan must be sufficiently complete to address the following items: [§18-2103(13) (b)]

a. Land Acquisition:

The Redevelopment Plan for Area 2 provides for real property acquisition and this plan amendment does not prohibit such acquisition. There is no proposed acquisition by the authority. The applicant will be acquiring the property from the current owner.

b. Demolition and Removal of Structures:

The project to be implemented with this plan will not require demolition of any existing structures.

c. Future Land Use Plan

See the attached map from the 2004 Grand Island Comprehensive Plan. The site is planned for commercial development within this arterial corridor allowing for maximum exposure. Residential and hotel uses are also permitted in this area [§18-2103(b) and §18-2111]. The attached map also is an accurate site plan of the area after redevelopment. [§18-2111(5)]

d. Changes to zoning, street layouts and grades or building codes or ordinances or other Planning changes.

The area is zoned B2-AC General Business zone with an Arterial Commercial Overlay District. No zoning changes are anticipated with this project. e. Site Coverage and Intensity of Use

The developer is proposing to remodel the existing retail building for a combination of retail uses, office uses and residential dormitories. In addition, there are future phases that anticipate the development ~~of a 100-room motel~~ quick serve restaurant at the northwest corner of the site and additional in-line professional office space along the southern property line. [§18-2103(b) and §18-2111]

f. Additional Public Facilities or Utilities

Sewer and water are available to support this development. Connections for water and sewer will have to be extended to serve the proposed future development.

No other utilities would be impacted by the development.

The developer will be responsible for replacing any sidewalks damaged during construction of the project.

No other utilities would be impacted by the development. [§18-2103(b) and §18-2111]

4. The Act requires a Redevelopment Plan provide for relocation of individuals and families displaced as a result of plan implementation. This amendment does not provide for acquisition of any residences and therefore, no relocation is contemplated. [§18-2103.02]

5. No member of the Authority, nor any employee thereof holds any interest in any property in this Redevelopment Project Area. [§18-2106]

6. Section 18-2114 of the Act requires that the Authority consider:

a. Method and cost of acquisition and preparation for redevelopment and estimated proceeds from disposal to redevelopers.

The developer ~~is proposing to~~ purchased this property for redevelopment for \$1,700,000 provided that TIF is available for the project as defined. The cost of property acquisition is being included as a TIF eligible expense. Costs for site preparation, utility extensions, building plans, and renovation of the existing building \$6,591,600 and are included as TIF eligible expenses for phase 1. ~~Phase 2 eligible expenses include sitework/utility extensions, architecture and legal fees of \$315,000.~~ Phase 3 eligible expenses include architecture and legal fees of \$120,000. The total amount of the TIF eligible expenses in this request is over \$8,700,000 It is estimated based on the proposed increased valuation for Phase 1 of the project of \$11,617,706 will result in \$3,836,200 of increment generated over a 15 year period. Phase 2 would generate an increase in value of ~~\$8,083,000~~ 521,273, with ~~\$2,491,229~~ 102,114 generated over a ~~14~~ 9 year period. Phase 3 would generate an increase of \$787,000 with ~~\$225,230~~ 17,325 generated ~~over a 13-year period annually for the remainder of the term after construction.~~ A ~~maximum~~ total of ~~\$6,552,000~~ 4,094,242 of TIF would be available to cover \$8,726,600 worth of TIF eligible expenses. It is anticipated that the developer will spend almost \$2,175,000 more on eligible expenses than will be generated by the tax increment.

No property will be transferred to redevelopers by the Authority. The developer will provide and secure all necessary financing.

b. Statement of proposed method of financing the redevelopment project.

The developer will provide all necessary financing for the project. The Authority ~~will~~ ~~has~~ assisted the project by granting the sum of \$6,552,000 for the project from the proceeds of the TIF Indebtedness issued by the Authority. This indebtedness will be repaid from the Tax Increment Revenues generated from the project. TIF revenues shall be made available to repay the original debt after January 1, 2018 through December 2032.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

c. Statement of feasible method of relocating displaced families.

No families will be displaced as a result of this plan.

7. Section 18-2113 of the Act requires:

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted, and harmonious development of the city and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of insanitary or unsafe dwelling accommodations or conditions of blight.

The Authority has considered these elements in proposing this Plan Amendment. This amendment, in and of itself will promote consistency with the Comprehensive Plan, in that it will allow for the utilization of the existing building and development of additional commercial facilities at this location. This lot is surrounded by similar commercial uses. This will not increase traffic in the area. New commercial development will raise property values and provide a stimulus to keep surrounding properties properly maintained. This will have the intended result of preventing recurring elements of unsafe buildings and blighting conditions.

8. Time Frame for Development

Development of Phase 1 of this project is anticipated to be completed between January of 2016 and December of 2016. Excess valuation should be available for this project for 15 years beginning with the 2017 tax year. It is anticipated that Phases 2 **will be completed before the end of 2021.** Phase 3 will be completed **within 5 years of the beginning of the project when feasible** depending on market conditions.

9. Justification of Project

The property is located at the entrance to the Fonner Park and the Nebraska State Fair Grounds. These facilities are enjoyed and visited by hundreds of thousands of people each year. This commercial property was vacated in May of 2015 and this is an excellent chance to redevelop the property as the corporate headquarters for a Grand Island based company that does business all over the United States. The proposed project will be highly visible and complement the image of both the Community and the Bosselman

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

Companies. ~~The potential addition of a hotel at this location increases the synergy between Fonner Park and the Bosselman Conference center and South Locust. This will provide hotel rooms within close walking distance to these facilities.~~ Market conditions and the likelihood that a casino and hotel complex will be completed on the Fonner Grounds greatly reduce the commercial viability of a hotel at this site. This project does not propose to tear down or substantially alter any buildings with historic value.

10. Cost Benefit Analysis Section 18-2113 of the Act, further requires the Authority conduct a cost benefit analysis of the plan amendment in the event that Tax Increment Financing will be used. This analysis must address specific statutory issues.

As authorized in the Nebraska Community Development Law, §18-2147, *Neb. Rev. Stat.* (2012), the City of Grand Island has analyzed the costs and benefits of the proposed Bosselman Skagway South Redevelopment Project, including:

Project Sources and Uses. Approximately ~~\$6,552,000~~ 4,094,000 in public funds from tax increment financing provided by the Grand Island Community Redevelopment Authority will be required to complete the project. This project still has more than ~~\$8,726,600~~ 8,576,600 worth of TIF eligible expenses. The developer will be responsible for funding the additional ~~\$2,174,600~~ 4,482,600 as private investment. The total private investment on this project is the total of the costs not eligible for TIF ~~\$11,215,000~~ 3,175,000 plus the ~~\$2,174,600~~ 4,482,600 of TIF eligible costs that will not be covered by the Tax Increment for a total private investment of ~~\$13,389,600~~ 7,657,600. This ~~\$6,552,000~~ 4,094,000 investment by the Authority and the people of Grand Island will leverage ~~\$13,389,600~~ 7,657,600 in private sector financing; a private investment of ~~\$2.04~~ 1.87 for every TIF dollar investment.

Tax Revenue. The property to be redeveloped has a January 1, 2015, valuation of approximately \$2,290,814. Based on the 2014 levy this would result in a real property tax of approximately \$50,292. It is anticipated that the assessed value will increase by almost ~~\$20,500,000~~ 12,926,014 upon full completion, as a result of the site redevelopment. This development will result in an estimated tax increase of over ~~\$451,000~~ 284,418 annually resulting in ~~\$6,552,000~~ 4,094,242 of increment over the 15 year period. The tax increment gained from this Redevelopment Project Area would not be available for use as city general tax revenues, for a period of 15 years, or such shorter time as may be required to amortize the TIF bond, but would be used for eligible private redevelopment costs to enable this project to be realized.

(a) Tax shifts resulting from the approval of the use of Tax Increment Financing;

The redevelopment project area ~~currently has an estimated 2020~~ base valuation of ~~\$2,290,814~~ 2,652,701. The proposed redevelopment and commercial construction at this location will result in an additional ~~\$20,488,175~~ 12,926,014 of taxable valuation based on valuations of similar properties. No tax shifts are anticipated from the project. The project creates additional valuation that will support taxing entities long after the project is paid off. The project will not add any tax burdens to taxing entities. Therefore no tax shifts will occur.

(b) Public infrastructure and community public service needs impacts and local tax impacts arising from the approval of the redevelopment project;

No additional public service needs have been identified. Existing water and waste water facilities will not be impacted by this development. The electric utility has sufficient capacity to support the development. It is not anticipated that this will impact schools. Fire and police protection are available and should not be impacted by this development.

(c) Impacts on employers and employees of firms locating or expanding within the boundaries of the area of the redevelopment project;

This project will not negatively impact employers or employees in the area directly. Bosselman Companies will be able to continue employing people within the City of Grand Island.

(d) Impacts on other employers and employees within the city or village and the immediate area that are located outside of the boundaries of the area of the redevelopment project; and

No impacts are anticipated outside of the city or immediate area to total employment from this project other than the incremental increase due to the construction.

CRA Area 2 Redevelopment Plan Amendment 1607 S. Locust April 2021

*(e) Impacts on the student population of school districts within the city or village;
and*

This project is unlikely to create any direct increase in cost for schools in the area. This project does not involve housing and is renovation of an existing commercial site.

(f) Any other impacts determined by the authority to be relevant to the consideration of costs and benefits arising from the redevelopment project.

This project will utilize a piece of property in the Grand Island City Limits that is at the entrance to the Fonner Park and the Nebraska State Fair grounds. This property ~~has been~~ was the home of Skagway South for more than 20 years and the Bosselman Corporate Offices since 2016. Skagway closed in 2015 ~~this past May~~ leaving the building mostly vacant. This project will change this entrance in to the fairgrounds in a positive way, rehabilitate and reutilize the existing building and provide hotel rooms within walking distance of the fairgrounds.

Time Frame for Development

Development of this project is anticipated to be completed during between October 2015 and December of 2018, depending on the market demand for the buildings in phases 2 and 3. ~~Phases 2 will be completed by the end of 2021 and Phase 3 is dependent on market demand.~~ The date of TIF will be established with the approved contract but it is anticipated that the base tax year should be calculated on the value of the property as of January 1, 2016. Excess valuation should be available for this project for 15 years beginning with the 2017 tax year. Excess valuation will be used to pay the TIF Indebtedness issued by the CRA per the contract between the CRA and the developer for a period not to exceed 15 years or an amount not to exceed \$6,552,000 the projected amount of the eligible expenses for this project. Based on the purchase price of the property and estimates of the expenses of renovation activities and associated engineering fees, the developer will spend more than \$8,700,000 on TIF eligible activities. ~~As part of the 2021 amendment it is anticipated that eligible activities will still exceed \$8,700,000 and that the total TIF generated will be \$4,094,000 not \$6,552,000. The eligible activities from Phase 1 of this project exceed the total TIF that will be generated by completion of all three phases of the project.~~

ARTICLE III

OBLIGATIONS OF THE AUTHORITY

Section 3.01 Division of Taxes.

In accordance with Section 18-2147 of the Act and the terms of the Resolution, the Authority hereby provides that any ad valorem tax on any Lot or Lots located in the Redevelopment Project Area for the benefit of any public body be divided for a period of fifteen years after the effective date (the "Effective Date"), as described in Section 18-2147 (1) of the Act, which Effective Date shall be the January 1, 2022. Said taxes shall be divided as follows:

(a) That portion of the ad valorem tax on the real estate located in the Redevelopment Project Area which is produced by levy at the rate fixed each year by or for each public body upon the "redevelopment project valuation" (as defined in the Act) of the Redevelopment Project Area shall be paid into the funds of each such public body in the same proportion as all other taxes collected by or for the bodies; and

(b) That portion of the ad valorem tax on real property in the Redevelopment Project Area in excess of such amount (the "Incremental Ad Valorem Tax"), if any, shall be allocated to, is pledged to, and, when collected, paid into a special fund of the Authority (designated in the Resolution as the "Note Fund") to pay the principal of, the interest on, and any premium due in connection with the Indebtedness. Section 3.02 Issuance of Indebtedness

The Authority shall authorize the issuance of the Indebtedness in the form and stated principal amount and bearing interest and being subject to such terms and conditions as are specified in the Resolution and this Redevelopment Contract; provided, at all times the maximum amount of the Indebtedness shall be limited to the lesser of (i) the stated face amount of the Indebtedness, or (ii) the sum of all Project Costs incurred by the Redeveloper as set forth on Exhibit D. No Indebtedness will be issued until Redeveloper has acquired fee title to the Redevelopment Project Property and become obligated for construction of the additions and improvements forming a part of the Project as described in the Plan.

Prior to September 1, 2021, the Authority shall issue one Tax Increment Development Revenue Note, in one taxable series, in a maximum principal amount of \$318,285, in substantially the form shown on the attached Exhibit C ("TIF Note"), for net funds available to be purchased by Redeveloper ("TIF Note Purchaser"), in a written form acceptable to Authority's attorney, and receive Note proceeds from the TIF Note Purchaser in said amount. At the option of the Authority, the Authority shall make a grant to Redeveloper in such amount, and such grant shall offset TIF Note Purchaser's obligation to purchase the TIF Note. The Redeveloper agrees to purchase the Indebtedness at a price equal to the principal amount thereof, in a private placement satisfactory to the Authority as to its terms and participants (including any pledgee thereof). Neither the Authority nor the City shall have any obligation to provide for the sale of the Indebtedness. Redeveloper acknowledges that it is its understanding and the Authority's understanding that interest on the Indebtedness will be includable in gross income for federal income tax purposes and subject to Nebraska State income taxation.

Section 3.03 Pledge of Revenues.

Under the terms of the Resolution, the Authority pledges 100% of the available annual TIF Revenues derived from the Redevelopment Project Property as security for and to provide payment of the Indebtedness as the same fall due (including payment of any mandatory redemption amounts set for the Indebtedness in accordance with the terms of the Resolution).

Section 3.04 Purchase and Pledge of Indebtedness/Grant of Net Proceeds of Indebtedness.

The Redeveloper has agreed to purchase the Indebtedness from the Authority for a price equal to the principal amount thereof, payable as provided in Section 3.02 and this Section 3.04. The Redevelopment Plan provides for the Redeveloper to receive a grant under this Redevelopment Contract. In accordance with the terms of the Redevelopment Plan the Redeveloper is to receive a grant sufficient to pay the costs of site acquisition, demolition and

rehabilitation expenditures, all improvements related to Project public infrastructure costs, site preparation costs, utility extensions and costs of the Authority for legal and plan preparation including those items described on Exhibit D (the "Project Costs"), in the aggregate maximum amount not to exceed \$318,285. Notwithstanding the foregoing, the aggregate amount of the Indebtedness and the grant shall not exceed the amount of Project Costs as certified pursuant to Section 4.02 of this Redevelopment Contract. Such grant shall be made to the Redeveloper upon certification of Project Costs as set forth herein and in the Resolution, and payment purchase of the Indebtedness as provided in Section 3.02, unless Redeveloper elects to offset the payment of the purchase of the Indebtedness with the grant proceeds as provided herein and in the Resolution. The Authority shall have no obligation to provide grant funds from any source other than as set forth in the Resolution and this Redevelopment Contract.

Section 3.05 Creation of Funds.

In the Resolution, the Authority has provided for the creation of the following funds and accounts which funds shall be held by the Authority separate and apart from all other funds and moneys of the Authority and the City:

- (a) a special trust fund called the "Ebc Obermiller Project Note Fund" (the "Note Fund"). All of the TIF Revenues shall be deposited into the Note Fund. The TIF Revenues accumulated in the Note Fund shall be used and applied on the Business Day prior to each Interest Payment Date (i) to make any payments to the City or the Authority as may be required under the Redevelopment Contract and (ii) to pay principal of or interest on the Note to the extent of any money then remaining the Note Fund on such Interest Payment Date. Money in the Note Fund shall be used solely for the purposes described herein and in the Resolution. All Revenues received through and including December 31, 2036 shall be used solely for the payments required herein and by the Resolution; and
- (b) a special trust fund called the "Ebc Obermiller Project Fund" (the "Project Fund") The Authority shall disburse any money on deposit in the Project Fund from time to time to pay or as reimbursement for payment made for the Project Costs in each case within 5 Business Days after completion of the steps set forth herein and in the Resolution. If a sufficient amount to pay a properly completed Disbursement Request (as defined in Section 4.02) is not in the Project Fund at the time of the receipt by the Authority of such request, the Authority shall notify the owner of the Note and such owner may deposit an amount sufficient to pay such request with the Authority for such payment. As set forth in the Resolution, if the Redeveloper is the owner of the Note and the Redeveloper so elects, the Authority shall make a grant to Redeveloper in the amount of an approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note.

ARTICLE IV

OBLIGATIONS OF REDEVELOPER

Section 4.01 Construction of Project; Note; Insurance.

(a) Redeveloper will acquire the Project, demolish and rehabilitate structures on the site, prepare the site for redevelopment, install all required utilities and improvements in the public right-of-way in accordance with the plans and specifications provided to the Authority. Redeveloper will coordinate with the City for the City's design and construction required for the installation of all public infrastructure improvements and right-of-way improvements. The Redeveloper shall provide and pay for infrastructure installation.

Redeveloper shall pay for the costs of site acquisition, site preparation, demolition and rehabilitation, utility extension, public infrastructure and costs of the Authority as set forth on Exhibit D, from the grant provided in Section 3.04 hereof. Redeveloper shall be solely responsible for obtaining all permits and approvals necessary to acquire, construct and equip the Project. Until construction of the Project has been completed, Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of Redeveloper with respect to construction of the Project. Such reports shall include actual expenditures incurred as described on Exhibit D.

(b) Any general contractor chosen by the Redeveloper shall be required to obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations. The City, the Authority and the Redeveloper shall be named as additional insureds. Any contractor chosen by the Redeveloper or the Redeveloper itself, as owner, shall be required to purchase and maintain property insurance upon the Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or the Redeveloper shall also carry insurance on all stored materials. The contractor or the Redeveloper, as the case may be, shall furnish the Authority and the City with a Certificate of Insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Authority prior written notice in the event of cancellation of or material change in any of any of the policies.

(c) Notwithstanding any provision herein to the contrary, in the event Redeveloper has not acquired fee simple title to the Redevelopment Project Area on or before December 1, 2021, this Redevelopment Contract shall be null and void and of no force or effect effective as of the date of execution hereof, and neither party shall have any liability or obligation to the other party with respect hereto.

Section 4.02 Cost Certification & Disbursement of Note Proceeds.

Proceeds of the Note may be advanced and disbursed in the manner set forth below:

(a) There shall be submitted to the Authority a grant disbursement request (the “Disbursement Request”), executed by the Director of the City’s Planning Department and an authorized representative of the Redeveloper, (i) certifying that a portion of the Project has been substantially completed and (ii) certifying the actual costs incurred by the Redeveloper in the completion of such portion of the Project.

(b) If the costs requested for reimbursement under the Disbursement Request are currently reimbursable under Exhibit D of this Redevelopment Contract and the Community Redevelopment Law, the Authority shall evidence such allocation in writing and inform the owner of the Note of any amounts allocated to the Note.

(c) Upon notification from the Authority as described in Section 4.02(b), deposits to the accounts in the Project Fund may be made from time to time from funds received by the Authority from the owner of the Note (if other than the Redeveloper) in the amounts necessary to pay amounts requested in properly completed, signed and approved written Disbursement Requests as described herein. Such amounts shall be proceeds of the Note and the Treasurer of the Authority shall inform the Registrar (as defined in the Note Resolution) in writing of the date and amount of such deposits. At the option of the Redeveloper, if the Redeveloper is the owner of the Note, the Authority shall make a grant to Redeveloper in the amount of the approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note. The Registrar shall keep and maintain a record of the amounts deposited into the Project Fund from Note proceeds pursuant to the terms of this Resolution as “Principal Amount Advanced” and shall enter the aggregate principal amount then Outstanding as the “Cumulative Outstanding Principal Amount” on its records maintained for the Note. The aggregate amount deposited into the Project Fund from proceeds of the Note shall not exceed \$318,285.

(d) Redeveloper shall retain copies of all supporting documents that are associated with the redevelopment plan or redevelopment project and that are received or generated by the Redeveloper for three years following the end of the last fiscal year in which ad valorem taxes are divided and provide such copies to the city as needed to comply with the city’s retention requirements under section 18-2117.04 of the Act. For purposes of this subsection, supporting document includes any cost-benefit analysis conducted pursuant to section 18-2113 of the Act and any invoice, receipt, claim, or contract received or generated by the redeveloper that provides support for receipts or payments associated with the division of taxes.

Section 4.03 No Discrimination.

Redeveloper agrees and covenants for itself its successors and assigns that it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Project.

Section 4.04 Assignment or Conveyance.

This Redevelopment Contract shall not be assigned by the Redeveloper without the written consent of the Authority. Such consent shall not be unreasonably withheld. Redeveloper agrees that it shall not convey any Lot, Unit or any portion thereof or any structures thereon to any person or entity that would be exempt from payment of real estate taxes, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any Lot.

Section 4.50 Payment of Authority Costs.

Redeveloper shall pay to the Authority the following sums upon execution hereof:

- a. \$3,500 for legal expenses of Authority
- b. \$2,100 for City and Authority administrative accounting of incremental tax payments.

ARTICLE V FINANCING REDEVELOPMENT PROJECT; ENCUMBRANCES

Section 5.01 Financing

Redeveloper shall pay all costs related to the redevelopment of the Redevelopment Project Area and the Redevelopment Project Property which are in excess of the amounts paid from the proceeds of the grant provided from the proceeds of the Indebtedness and granted to Redeveloper. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

ARTICLE VI DEFAULT, REMEDIES; INDEMNIFICATION

Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent

payment of grant amounts to the Redeveloper as set forth in Article III hereof and by complying with the obligations of all Redevelopment Contract Amendments.

Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Project Costs on or before July 1, 2021, or shall abandon construction work related to the Project Costs, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of three percent (3%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Project Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Project Costs as provided in Section 4.01. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor

or his or her subcontractors (for each contract entered into by Redeveloper related to Project Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this Redevelopment Contract or by applicable law; provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, attorneys, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, and full compliance with the terms specifically set forth Article III hereof and payment of TIF Revenues pledged pursuant to the Resolution. The Redeveloper releases the City and Authority from, agrees that neither the City nor Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless

from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, officers, appointed officials, attorneys, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, excluding litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about that portion of the Project owned by the Redeveloper, during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, related to activities of the Redeveloper or its agents during the construction of the public infrastructure or public right of ways in the Project.

THE PRINCIPAL AMOUNT OF THIS NOTE IS SET FORTH IN SCHEDULE 1 ATTACHED HERETO. THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE IS \$318,285.

This Note is a special limited obligation of the Authority payable as to principal and interest solely from and is secured solely by the Revenue (as defined in the Resolution) and certain other money, funds and securities pledged under the Resolution, all on the terms and conditions set forth in the Resolution. The Revenue represents that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property in the Project Area (as defined in this Resolution) which is in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project Area as of a certain date and as has been certified by the County Assessor of Hall County, Nebraska to the City in accordance with law.

Reference is hereby made to the Resolution for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this Note, the nature and extent of the security thereby created, the terms and conditions under which this Note has been issued, the rights and remedies of the Registered Owner of this Note, and the rights, duties, immunities and obligations

Notwithstanding the foregoing, the records maintained by the Trustee as to the principal amount issued and principal amounts paid on this Note shall be the official records of the Cumulative Outstanding Principal Amount of this Note for all purposes.

Reference is hereby made to the Resolution, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Note; the Revenue and other money and securities pledged to the payment of the principal of and interest on this Note; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owner of this Note; the rights, duties and obligations of the Authority and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Note, and this Note thereafter no longer be secured by the Resolution or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Note is subject to redemption prior to maturity, at the option of the Authority, in whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Note, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Note so redeemed shall become due and payable and if money for the payment of the portion of the Note so redeemed and the accrued interest thereon to the date fixed for redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Redevelopment Plan Amendment Grand Island CRA Area 6 October 2020

The Community Redevelopment Authority (CRA) of the City of Grand Island intends to amend the Redevelopment Plan for Area 6 within the city, pursuant to the Nebraska Community Development Law (the “Act”) and provide for the financing of a specific commercial project in Area 6.

Executive Summary: Project Description

THE ACQUISITION OF PROPERTY AT 722 N EDDY STREET AND THE SUBSEQUENT SITE WORK, UTILITY IMPROVEMENTS, ENGINEERING, LANDSCAPING, FAÇADE ENHANCMENTS, RECONSTRUCTION AND PARKING IMPROVEMENTS NECESSARY FOR REDEVELOPMENT OF THIS PROPERTY.

The use of Tax Increment Financing (TIF) to aid in the acquisition of property, necessary site work and rehabilitation necessary to develop this site. The use of TIF makes it feasible to complete the proposed project within the timeline presented. This project would not be considered at this time and location without the use of TIF. Financing for the project is contingent on TIF

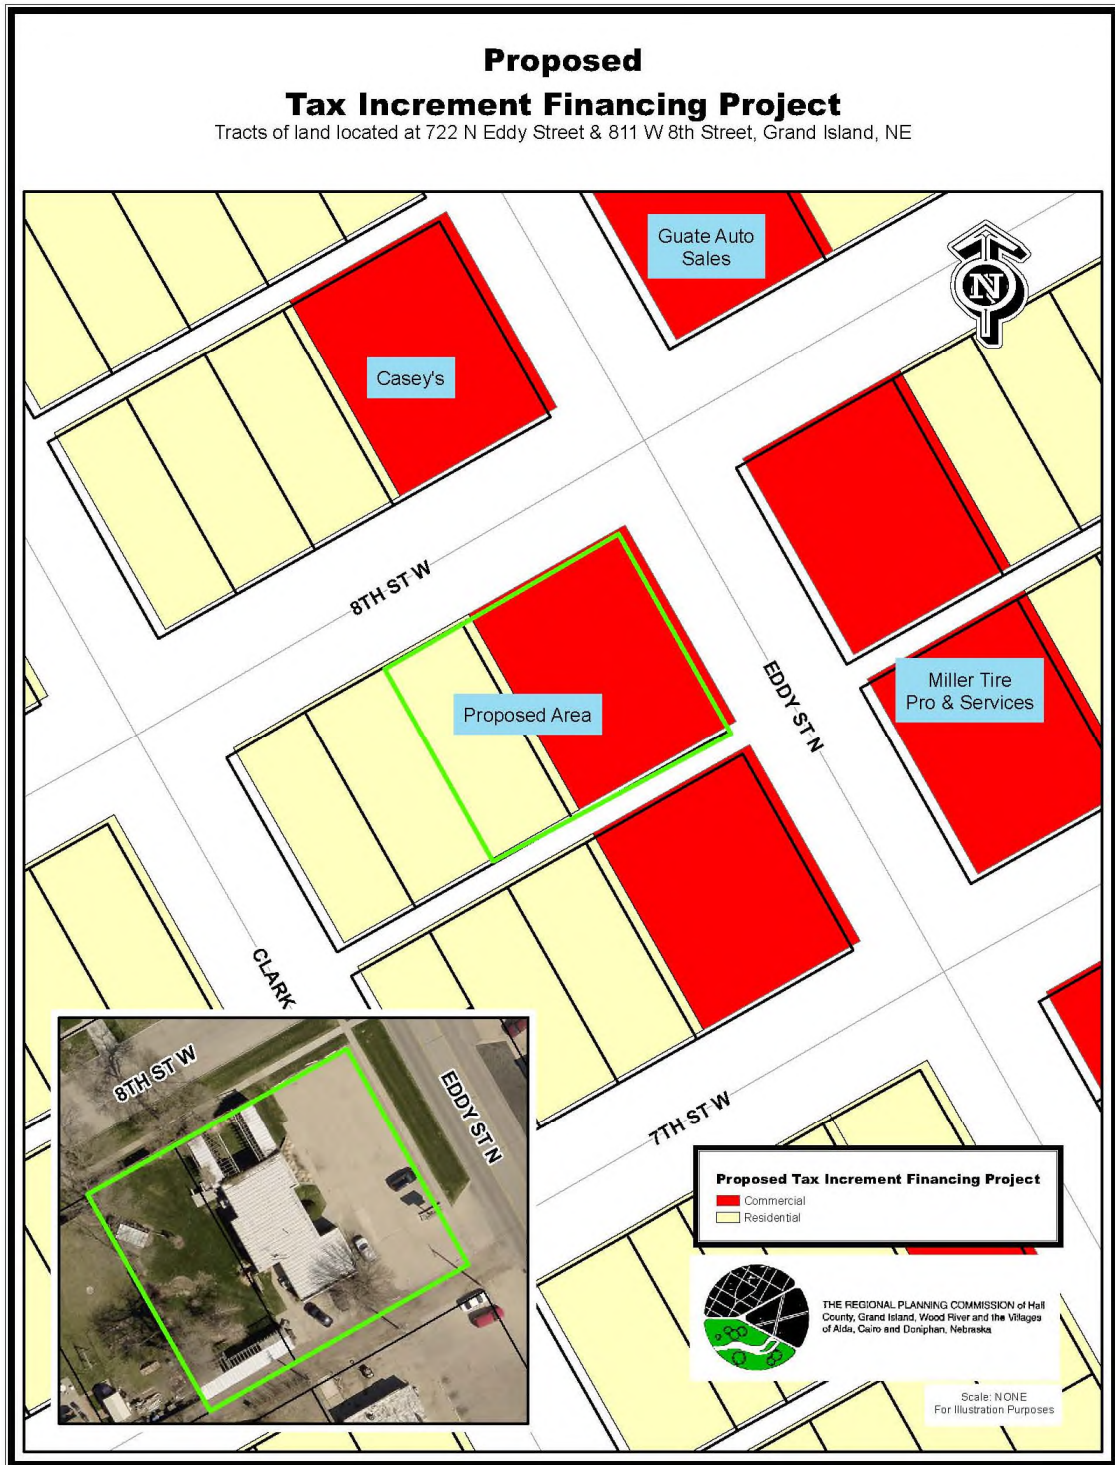

The acquisition, site work and construction of all improvements will be paid for by the developer. The developer is responsible for and has provided evidence that they can secure adequate debt financing to cover the costs associated with the acquisition, site work and remodeling. The Grand Island Community Redevelopment Authority (CRA) intends to pledge the ad valorem taxes generated over the 15 year period beginning January 1, 2022 towards the allowable costs and associated financing for the acquisition and site work.

TAX INCREMENT FINANCING TO PAY FOR THE ACQUISITION OF THE PROPERTY AND RELATED SITE WORK WILL COME FROM THE FOLLOWING REAL PROPERTY:

Property Description (the “Redevelopment Project Area”)

This property is located south of 8th Street and west of Eddy Street in south central Grand Island, the attached map identifies the subject property and the surrounding land uses:

- **Legal Description: Lots One (1), Two (2) and Three (3) Block 14 H. G. Clarks Addition, in the City of Grand Island, Hall County, Nebraska,**

This plan amendment provides for the issuance TIF Notes, the proceeds of which will be granted to the Redeveloper. The tax increment will be captured for up to 15 tax years the payments for which become delinquent in years 2022 through 2036 inclusive or as otherwise dictated by the contract.

The real property ad valorem taxes on the current valuation will continue to be paid to the normal taxing entities. The increase will come from the construction of new commercial space on this property.

Statutory Pledge of Taxes.

In accordance with Section 18-2147 of the Act and the terms of the Resolution, the Authority hereby provides that any ad valorem tax on any Lot or Lots located in the Redevelopment Project Area identified from time to time by the Redeveloper (such Lot or Lots being referred to herein as a "Phase") as identified in a written notice from the Redeveloper to the Authority (each, a "Redevelopment Contract Amendment Notice") for the benefit of any public body be divided for a period of fifteen years after the effective date of this provision as set forth in the Redevelopment Contract Amendment Notice and reflected in a Redevelopment Contract Amendment, consistent with this Redevelopment Plan. Said taxes shall be divided as follows:

a. That portion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the redevelopment project valuation shall be paid into the funds, of each such public body in the same proportion as all other taxes collected by or for the bodies; and

Redevelopment Plan Amendment Complies with the Act:

The Community Development Law requires that a Redevelopment Plan and Project consider and comply with a number of requirements. This Plan Amendment meets the statutory qualifications as set forth below.

1. The Redevelopment Project Area has been declared blighted and substandard by action of the Grand Island City Council on October 9, 2007.[§18-2109] Such declaration was made after a public hearing with full compliance with the public notice requirements of §18-2115 of the Act.

2. Conformation to the General Plan for the Municipality as a whole. [§18-2103 (26) (a) and §18-2110]

Grand Island adopted a Comprehensive Plan on July 13, 2004. This redevelopment plan amendment and project are consistent with the Comprehensive Plan, in that no changes in the Comprehensive Plan elements are intended. This plan merely provides funding for the developer to acquire the necessary property and provide the necessary site work, utilities and street improvements needed for the construction of a permitted use on this property. **The Hall County Regional Planning Commission held a public hearing at their meeting on May 5, 2021 and passed Resolution 2021-05 confirming that this project is consistent with the Comprehensive Plan for the City of Grand Island.**

3. The Redevelopment Plan must be sufficiently complete to address the following items: [§18-2103(26) (b)]

a. Land Acquisition:

The Redevelopment Plan for Area 6 provides for real property acquisition and this plan amendment does not prohibit such acquisition. There is no proposed acquisition by the authority. The applicant will be acquiring the property from the current owner for \$245,000.

b. Demolition and Removal of Structures:

The project to be implemented with this plan will require complete demolition of any existing structures.

c. Future Land Use Plan

See the attached map from the 2004 Grand Island Comprehensive Plan. The site is planned for mixed use commercial development. [§18-2103(b) and §18-2111] The attached map also is an accurate site plan of the area after redevelopment. [§18-2111(5)]

d. Changes to zoning, street layouts and grades or building codes or ordinances or other Planning changes.

The area is zoned B2 General Business zone & R4 High Density Residential Zone. A zoning change is necessary for Three (3) Block 14 H. G. Clarks Addition and in process. No changes are anticipated in street layouts or grades. No changes are anticipated in building codes or ordinances. Nor are any other planning changes contemplated. [§18-2103(b) and §18-2111]

e. Site Coverage and Intensity of Use

The developer is proposing to demolish the current structure and construct a car repair shop with nine service bays.

f. Additional Public Facilities or Utilities

Sewer and water are available to support this development.

The developer will be responsible for replacing any sidewalks damaged during construction of the project.

No other utilities would be impacted by the development. [§18-2103(b) and §18-2111]

4. The Act requires a Redevelopment Plan provide for relocation of individuals and families displaced as a result of plan implementation. This amendment does not provide for acquisition of any residences and therefore, no relocation is contemplated. [§18-2103.02]

5. No member of the Authority, nor any employee thereof holds any interest in any property in this Redevelopment Project Area. [§18-2106]

6. Section 18-2114 of the Act requires that the Authority consider:

a. Method and cost of acquisition and preparation for redevelopment and estimated proceeds from disposal to redevelopers.

The developer is proposing to purchase this property for \$245,000. The cost of property acquisition is being included as a TIF eligible expense. Total costs for construction is estimated at \$1,209,500 and is not TIF eligible. The cost of grading, dirt work and fill is \$20,000. An additional \$40,000 of expenses for demolition, along with on-site improvements of \$11,000. Including a \$5,700 of expenses for legal work, fees and financial tracking of this project are also included as eligible expenses. The total estimated eligible expenses are \$321,700. The request for TIF assistance is \$318,825. It is estimated based on the proposed increased valuation to \$1,218,278 that available TIF

would be \$333,307 over the 15 year period. This project should pay off prior to the end of the 15 year bond period.

No property will be transferred to redevelopers by the Authority. The developer will provide and secure all necessary financing.

b. Statement of proposed method of financing the redevelopment project.

The developer will provide all necessary financing for the project. The Authority will assist the project by granting the sum of not less than \$318,285 from the proceeds of the TIF Indebtedness issued by the Authority. This indebtedness will be repaid from the Tax Increment Revenues generated from the project. TIF revenues shall be made available to repay the original debt and associated interest according to the approved contract.

c. Statement of feasible method of relocating displaced families.

No families will be displaced as a result of this plan.

7. Section 18-2113 of the Act requires:

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted, and harmonious development of the city and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of insanitary or unsafe dwelling accommodations or conditions of blight.

The Authority has considered these elements in proposing this Plan Amendment. This amendment, in and of itself will promote consistency with the Comprehensive Plan, in that it will allow for the reconstruction and enhanced utilization of commercial space this location. This will have the intended result of preventing recurring elements of unsafe buildings and blighting conditions.

8. Time Frame for Development

Development of this project is anticipated to be completed October of 2021. Excess valuation should be available for this project for 15 years beginning with the 2022 tax year.

9. Justification of Project

This is infill development in an area with all city sewer and water available. The developer owns other properties in the area and has almost 50 full time employees working at those locations and is ready to expand in this area of the community.

10. Cost Benefit Analysis Section 18-2113 of the Act, further requires the Authority conduct a cost benefit analysis of the plan amendment in the event that Tax Increment Financing will be used. This analysis must address specific statutory issues.

As authorized in the Nebraska Community Development Law, §18-2147, *Neb. Rev. Stat.* (2012), the City of Grand Island has analyzed the costs and benefits of the proposed project, including:

Project Sources and Uses. A minimum of \$318,285 in public funds from tax increment financing provided by the Grand Island Community Redevelopment Authority will be required to complete the project. This investment by the Authority will leverage \$896,915 in private sector financing and investment; a private investment of \$2.82 for every TIF dollar investment. It is estimated this will pay off in 15 years.

Use of Funds.	Source of Funds		
Description	Eligible for TIF Funds	Private Funds	Total
Site Acquisition	\$245,000		\$245,000
Grading/Dirtwork/Fill	\$20,000		\$20,000
Demolition	\$40,000		\$40,000
On-Site Improvements	\$11,000		\$11,000
Soft Costs		\$10,000	\$10,000
Legal CRA Cost	\$2,285	\$3,415	\$5,700
Building Construction Costs		\$883,500	\$883,500
TOTALS	\$318,285	\$896,915	\$1,215,200

Tax Revenue. The property to be redeveloped is expected to have has a January 1, 2022, valuation of approximately \$1,218,278. Based on the 2021 levy this would result in a real property tax of approximately \$26,517. It is anticipated that the assessed value will increase by \$1,011,158 upon full completion, as a result of the site redevelopment. This development will result in an estimated tax increase of over \$22,220 annually resulting in approximately \$333,307 of increment over the 15 year period. The tax increment gained from this Redevelopment Project Area would not be available for use as city general tax revenues, for a period of 15 years, or such shorter time as may be required to amortize the TIF bond, but would be used for eligible private redevelopment costs to enable this project to be realized.

Estimated 2021 assessed value:	\$ 207,120
Estimated value after completion	\$ 1,218,278
Increment value	\$ 1,011,158
Annual TIF generated (estimated)	\$ 22,220
TIF bond issue	\$ 318,285

(a) Tax shifts resulting from the approval of the use of Tax Increment Financing;

The redevelopment project area has an estimated valuation of \$207,120. The proposed improvements at this location will result in at least an additional \$1,011,158 of taxable valuation based on the Hall County Assessor's office evaluation of the project. No tax shifts are anticipated from the project. The project creates additional valuation that will support taxing entities long after the project is paid off. The project will not add any tax burdens to taxing entities. Therefore no tax shifts will occur.

(b) Public infrastructure and community public service needs impacts and local tax impacts arising from the approval of the redevelopment project;

No additional public service needs have been identified. Existing water and waste water facilities will not be impacted by this development. The electric utility has sufficient capacity to support the development. It is not anticipated that this will impact schools. Fire and police protection are available and should not be impacted by this development.

(c) Impacts on employers and employees of firms locating or expanding within the boundaries of the area of the redevelopment project;

The proposed uses at this site would compete for skilled mechanics positions. The developer already employs almost 50 people and most of those workers would work at this facility.

(d) Impacts on other employers and employees within the city or village and the immediate area that are located outside of the boundaries of the area of the redevelopment project; and

This project is unlikely to have an impact on other employers and employees within the city.

(e) Impacts on the student population of school districts within the city or village; and

This project is unlikely to create any direct increase in cost for schools in the area. This project does not involve housing and will demolish and reconstruct a facility for commercial use at this site.

(f) Any other impacts determined by the authority to be relevant to the consideration of costs and benefits arising from the redevelopment project.

The future land use of this area recommends mixed use commercial development in this area of the community. Eddy Street is commercial corridor and in 2020 the city rezoned the Eddy Street corridor between 9th Street and 17th to B2 General Business Zone. The whole corridor from 4th Street to Five Points is zoned B2. North on Eddy at the Five Points area, the city has developed a plan to construct a major round about to alleviate traffic congestion allowing for a better flow of traffic through the area. Investment in this property will continue to promote the Eddy Street corridor as a sustainable area for commercial development as the city grows.

Time Frame for Development

Development of this project is anticipated to be completed October 2021. The base tax year should be calculated on the value of the property as of January 1, 2021. Excess valuation should be available for this project for 15 years beginning in the 2022 tax year. Excess valuation will be used to pay the TIF Indebtedness issued by the CRA per the contract between the CRA and the developer for a period not to exceed 15 years. The full amount of TIF generated over a 15 year period would be \$333,307 and the developer has requested \$318,285 to cover just over \$321,000 of eligible expenses.

Section 11.1. Amending and Supplementing of Resolution Without Consent of Owner. The Authority may at any time without the consent or concurrence of the Owner of the Note adopt a resolution amendatory hereof or supplemental hereto if the provisions of such supplemental Resolution do not materially adversely affect the rights of the Owner of the Note, for any one or more of the following purposes:

(a) To make any changes or corrections in this Resolution as to which the Authority shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Resolution, or to insert in this Resolution such provisions clarifying matters or questions arising under this Resolution as are necessary or desirable;

(b) To add additional covenants and agreements of the Authority for the purpose of further securing payment of the Note;

(c) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Resolution;

(d) To confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Resolution; and

(e) To grant to or confer upon the Owner of the Note any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them.

The Authority shall not adopt any supplemental Resolution authorized by the foregoing provisions of this **Section 11.1** unless in the opinion of counsel the adoption of such supplemental Resolution is permitted by the foregoing provisions of this **Section 11.1** and the provisions of such supplemental Resolution do not materially and adversely affect the rights of the Owner of the Note.

Section 11.2. Amending and Supplementing of Resolution with Consent of Owner. With the consent of the Owners of the Note, the Authority from time to time and at any time may adopt a resolution amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Resolution, or modifying or amending the rights and obligations of the Authority under this Resolution, or modifying or amending in any manner the rights of the Owner of the Note; provided, however, that, without the specific consent of the Owner of the Note, no supplemental Resolution amending or supplementing the provisions hereof shall: (a) change the fixed maturity date for the payment or the terms of the redemption thereof, or reduce the principal amount of the Note or the rate of interest thereon or the Redemption Price payable upon the redemption or prepayment thereof; (b) authorize the creation of any pledge of the Tax Revenues and other money and securities pledged hereunder, prior, superior or equal to the pledge of and lien and charge thereon created herein for the payment of the Note except to the extent provided in **Articles III** and **V**; or (c) deprive the Owner of the Note in any material respect of the security afforded by this Resolution. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Owner of the Note of the adoption of any supplemental Resolution authorized by the provisions of **Section 11.1**.

It shall not be necessary that the consents of the Owner of the Note approve the particular form of wording of the proposed amendment or supplement or of the proposed supplemental Resolution effecting

such amendment or supplement, but it shall be sufficient if such consents approve the substance of the proposed amendment or supplement. After the Owner of the Note shall have filed its consent to the amending or supplementing hereof pursuant to this Section, the Authority may adopt such supplemental Resolution.

Section 11.3. Effectiveness of Supplemental Resolution. Upon the adoption (pursuant to this **Article XI** and applicable law) by the Authority of any supplemental Resolution amending or supplementing the provisions of this Resolution or upon such later date as may be specified in such supplemental Resolution, (a) this Resolution and the Note shall be modified and amended in accordance with such supplemental Resolution, (b) the respective rights, limitations of rights, obligations, duties and immunities under this Resolution and the Owner of the Note shall thereafter be determined, exercised and enforced under this Resolution subject in all respects to such modifications and amendments, and (c) all of the terms and conditions of any such supplemental Resolution shall be a part of the terms and conditions of the Note and of this Resolution for any and all purposes.

ARTICLE XII

Section 12.1. General and Specific Authorizations; Ratification of Prior Actions. Without in any way limiting the power, authority or discretion elsewhere herein granted or delegated, the Authority hereby (a) authorizes and directs the Chairman, Finance Director, Secretary, Planning Director and all other officers, officials, employees and agents of the City to carry out or cause to be carried out, and to perform such obligations of the Authority and such other actions as they, or any of them, in consultation with Special Counsel, the Owner and its counsel shall consider necessary, advisable, desirable or appropriate in connection with this Resolution, including without limitation the execution and delivery of all related documents, instruments, certifications and opinions, and (b) delegates, authorizes and directs the Finance Director the right, power and authority to exercise his independent judgment and absolute discretion in (1) determining and finalizing all terms and provisions to be carried by the Note not specifically set forth in this Resolution and (2) the taking of all actions and the making of all arrangements necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Note. The execution and delivery by the Finance Director or by any such other officers, officials, employees or agents of the City of any such documents, instruments, certifications and opinions, or the doing by them of any act in connection with any of the matters which are the subject of this Resolution, shall constitute conclusive evidence of both the Authority's and their approval of the terms, provisions and contents thereof and of all changes, modifications, amendments, revisions and alterations made therein and shall conclusively establish their absolute, unconditional and irrevocable authority with respect thereto from the Authority and the authorization, approval and ratification by the Authority of the documents, instruments, certifications and opinions so executed and the actions so taken.

All actions heretofore taken by the Finance Director and all other officers, officials, employees and agents of the Authority, including without limitation the expenditure of funds and the selection, appointment and employment of Special Counsel and financial advisors and agents, in connection with issuance and sale of the Note, together with all other actions taken in connection with any of the matters which are the subject hereof, be and the same is hereby in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 12.2. Proceedings Constitute Contract; Enforcement Thereof. The provisions of this Resolution shall constitute a contract between the Authority and the Owner and the provisions thereof shall be enforceable by the Owner by mandamus, accounting, mandatory injunction or any other suit, action or proceeding at law or in equity that is presently or may hereafter be authorized under the laws of the State in any court of competent jurisdiction. Such contract is made under and is to be construed in accordance with the laws of the State.

After the issuance and delivery of any Note, this Resolution and any supplemental Resolution shall not be repealable, but shall be subject to modification or amendment to the extent and in the manner provided in this Resolution, but to no greater extent and in no other manner.

Section 12.3. Benefits of Resolution Limited to the Authority and the Owner. With the exception of rights or benefits herein expressly conferred, nothing expressed or mentioned in or to be implied from this Resolution or the Note is intended or should be construed to confer upon or give to any person other than the Authority and the Owner of the Note any legal or equitable right, remedy or claim under or by reason of or in respect to this Resolution or any covenant, condition, stipulation, promise, agreement or provision herein contained. The Resolution and all of the covenants, conditions, stipulations, promises, agreements and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of the City, the Authority and the Owner from time to time of the Note as herein and therein provided.

Section 12.4. No Personal Liability. No officer or employee of the Authority shall be individually or personally liable for the payment of the principal of or interest on the Note. Nothing herein contained shall, however, relieve any such officer or employee from the performance of any duty provided or required by law.

Section 12.5. Effect of Saturdays, Sundays and Legal Holidays. Whenever this Resolution requires any action to be taken on a Saturday, Sunday or legal holiday, such action shall be taken on the first business day occurring thereafter. Whenever in this Resolution the time within which any action is required to be taken or within which any right will lapse or expire shall terminate on a Saturday, Sunday or legal holiday, such time shall continue to run until midnight on the next succeeding business day.

Section 12.6. Partial Invalidity. If any one or more of the covenants or agreements or portions thereof provided in this Resolution on the part of the City, the Authority or the Registrar to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant or covenants, or such agreement or agreements, or such portions thereof, shall be deemed severable from the remaining covenants and agreements or portions thereof provided in this Resolution and the invalidity thereof shall in no way affect the validity of the other provisions of this Resolution or of the Note, but the Owner of the Note shall retain all the rights and benefits accorded to them hereunder and under any applicable provisions of law.

If any provisions of this Resolution shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever.

Section 12.7. Law and Place of Enforcement of this Resolution. The Resolution shall be construed and interpreted in accordance with the laws of the State. All suits and actions arising out of this Resolution shall be instituted in a court of competent jurisdiction in the State except to the extent necessary for enforcement, by any trustee or receiver appointed by or pursuant to the provisions of this Resolution, or remedies under this Resolution.

Re: Pirnie Real Estate Transaction

Dear Chad:

On May 14, 2021, T & S Land Development, L.L.C., a Nebraska limited liability company with J. Thomas Pirnie ("Tom") and Susan D. Pirnie as members, sold the real estate located at Lot Seven (7), Block Fifty-Seven (57), in the Original Town, now City of Grand Island, Hall County, Nebraska to EBMT Properties, LLC, a Nebraska limited liability company with James A. Pirnie as its sole member.

It has come to my attention that the above described property is an active TIF project. Tom has arranged with Five Points Bank that his obligations under the TIF bond they hold will not change.

I would ask that this sale be placed on the agenda for the Community Redevelopment Authority's approval. Please do not hesitate to reach out with any questions.

Sincerely yours,
