Staff Contact: Stacy Nonhof, Interim City Attorney

Council Agenda Memo

From: Stacy R. Nonhof, Interim City Attorney

Meeting: July 13, 2021

Subject: Amend City Code Chapter 27 Purchasing

Presenter(s): Stacy R. Nonhof, Interim City Attorney

Background

Periodically it is a good idea to review City Code sections to make sure that they reflect the state of the law and purchasing power in today's world. The changes proposed to Chapter 27 regarding purchasing are the result of review by the City Attorney's Office and the Finance Department. Once a draft document was created, all department directors were given the chance to propose any changes or updates to Chapter 27.

Discussion

The purpose of this ordinance is to update Chapter 27 of the Grand Island City Code and bring it into compliance with State Statute. Some of the major changes to Chapter 27 are:

- 27-4 – The bidder claiming confidential or proprietary information must provide an explanation of that claim when making the claim.
- 27-7 – It updates the minimum amount of a contract that requires Council approval to \$30,000.00 and is in compliance with the amount set in state purchasing statutes.
- 27-8 – Competitive Sealed Bidding will now need to be advertised for 15 days instead of 7. This will be the same duration as Requests for Proposals and Qualifications.
- 27-11 – Small Purchases will now be allowed up to the amount of \$10,000.00 without a requirement for quotations. Currently, the amount for goods is \$2,500.00 and the amount for work requiring labor is \$7,500.00 – this change makes it a uniform amount across the board without the distinction of labor being involved or not. Quotes will be required for purchases between \$10,000 but equal to or less than \$30,000.00. Anything over \$30,000 will require a public letting that is approved by Council. Municipal electric utility enlargements or improvements will require three quotes between the amounts of \$10,000 and \$120,000. This amount is set by State Statute.

- 27-12 – Sole Source Procurement is updated to only be a valid sole source for a period of ten years. After ten years, the department will be required to re-solicit bids and present another Sole Source designation to the Council.
- 27-13 – Emergency Procurements has been updated to reflect the language of State Statute.
- 27-32 – Performance and Payment Bonds – the amount has been updated to reflect the amount triggering the requirement under State Statute to contracts in the amount of \$10,000 or more for the erecting, furnishing, or repairing of any public building, bridge, roadway, or other public structure or improvement.
- 27-34 – Fiscal Responsibility has been changed to reflect a more realistic number requiring prior Council approval for a contract modification, change order, or contract price adjustment from \$300 to an amount of five percent or more than the original contract amount.
- 27-62 Business Travel has been removed to make a requirement for a travel policy manual that will be subject to approval by the Finance Director and City Administrator. All travel will be in compliance with that manual.

3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve Ordinance No. 9831.

Invitations for bids on public works contracts shall require a statement of compliance with fair labor standards as required by Neb. R.R.S. 73-102.

Public Notice. ~~Adequate~~ Public notice of the invitation for bids shall be given a ~~reasonable time~~, not less than ~~seven (7)~~ fifteen (15) calendar days prior to the date set forth therein for the opening of bids. Such notice must be posted on the City's website under the Business tab, specifically the bids and request for proposals sections. Such notice ~~may~~ shall also include publication in a newspaper of general circulation ~~a reasonable time~~ no less than fifteen (15) calendar days prior to bid opening. The public notice shall state the place, date, and time of bid opening.

Bid Opening. Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bids. Bid Acceptance and Bid Evaluation. Bids shall be unconditionally accepted without alteration or correction, except as authorized in this chapter. Bids shall be evaluated based on the

Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable, such as discounts, transportation costs, and total or life cycle costs. The invitation for bids shall set forth the evaluation criteria to be used. No criteria may be used in bid evaluation that are not set forth in the invitation for bids.

Correction or Withdrawal of Bids; Cancellation of Awards. Correction or withdrawal of inadvertently erroneous bids before or after bid opening, or cancellation of awards or contracts based on such bid mistakes, may be permitted where appropriate. Mistakes discovered before bid opening may be modified or withdrawn by written or telegraphic notice received in the office designated in the invitation for bids prior to the time set for bid opening. After bid opening, corrections in bids shall be permitted only to the extent that the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake, and the bid price actually intended. R.R.S. 73-101.01 for resident bidder preference. In the event the low responsive and responsible bid for a construction project exceeds available funds as certified by the city treasurer, and such bid does not exceed such funds by more than five percent, the purchasing agent is authorized, when time or economic considerations preclude resolicitation of work of a reduced scope, to negotiate an adjustment of the bid price with the low responsive and responsible bidder, in order to bring the bid within the amount of available funds. Negotiated adjustments shall be based upon eliminating independent deductive items specified in the invitation for bids or upon adjustments to unit prices or project prices.

~~—— *Multi-Step Sealed Bidding.* When it is considered impractical to prepare initially a purchase description to support an award based on price, an invitation for bids may be issued requesting the submission of unpriced offers to be followed by an invitation for bids limited to those bidders whose offers have been determined to be technically acceptable under the criteria set forth in the first solicitation.~~

Local Bidder Preference. In case of tied low bids, all other things being equal, preference shall be given in the following order:

In conducting discussion, there shall be no disclosure of the identity of competing offerors or of any information derived from proposals submitted by competing offerors.

Award. Award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the City, taking into consideration price and the evaluation factors set forth in the request for proposals. (D) *Discussions.* The head of a using agency procuring the required professional services or a designee of such officer may conduct discussions with any offeror who has submitted a proposal to determine such offeror's qualifications for further consideration. Discussions shall not disclose any information derived from proposals submitted by other offerors.

(E) *Award.* Award shall be made to the offeror determined in writing by the head of the using agency procuring the required professional services or a designee of such officer to be best qualified based on the evaluation factors set forth in the request for proposals, and negotiation of compensation determined to be fair and reasonable. If compensation cannot be agreed upon with the best qualified offeror, then negotiations will be formally terminated with the selected offeror. If proposals were submitted by one or more other offerors determined to be qualified, negotiations may be conducted with such other offeror or offerors, in the order of their respective qualification ranking, and the contract may be awarded to the offeror then ranked best qualified if the amount of compensation is determined to be fair and reasonable.

§27-11. Small Purchases

However, any person having a contract with a subcontractor of the contractor, but no express or implied contract with the contractor furnishing the payment bond, shall have a right of action upon the payment bond upon giving written notice to the contractor within 90 days from the date on which that person performed the last of the labor or supplied the material. That person shall state in the notice the amount claimed and the name of the party to whom the material was supplied or for whom the labor was performed. The notice shall be served personally or by registered or certified mail, postage prepaid, in an envelope addressed to the contractor at any place the contractor maintains an office or conducts business.

Suits on Payment Bonds; Where and When Brought. Unless otherwise authorized by law, every suit instituted upon a payment bond shall be brought in a court of competent jurisdiction for the county or district in which the construction contract was to be performed.

§27-34. Fiscal Responsibility

Every contract modification, change order, or contract price adjustment ~~under a construction contract with the City in excess of \$300~~ in an amount less than five percent (5%) of the original contract amount may be approved by the department director and Purchasing Agent. Every contract modification, change order, or contract price adjustment in an amount of five percent (5%) or more than the original contract amount is ~~shall be~~ subject to prior written certification by the head of the department responsible for the project or the contract, or other official responsible for monitoring and reporting upon the status of the costs of the total project budget or contract budget, as to the effect of the contract modification, change order, or adjustment in contract price on the total project budget or the total contract budget. In the event that the certification discloses a resulting increase in the total project budget and/or the total contract budget, the purchasing agent shall not execute or make such contract modification, change order, or adjustment in contract price unless sufficient funds have been appropriated therefor, or the scope of the project or contract is adjusted so as to permit the degree of completion that is feasible within the total project budget and/or total contract budget as it existed prior to the contract modification, change order, or adjustment in contract price under consideration; provided, however, that with respect to the validity, as to the contractor, of any executed contract modification, change order, or adjustment in contract price which the contractor has reasonably relied upon, it shall be presumed that there has been compliance with the provisions of this section.

Notwithstanding the above, every contract modification, change order, or contract price adjustment in excess of \$10,000 more than 5% of the contract price shall require prior approval of the City Council unless the delay necessitated by such prior approval would: endanger public health, welfare, or safety; endanger property; cause or prolong disruption of public utility

service, or result in increased costs to the City. If prior council approval is not obtained, such approval shall be requested within thirty (30) days of approval by the department director.

§27-35. Architects; Engineers; Surveyors

Public Announcement. It is the policy of the City to announce publicly all requirements for architects, engineers, and land surveying services and to negotiate such contracts on the basis of demonstrated competence and qualifications at fair and reasonable prices. In the procurement of architect, engineer, and land surveying services, the purchasing agent shall request firms to submit a statement of qualifications and performance data.

Selection Process.
