Council Session

Item G-8

#2022-36 - Approving Purchase of One (1) 2022 ½ Ton, Four-Wheel Drive Pick-up for the Streets Division of the Public Works Department

Staff Contact: John Collins, P.E. - Public Works Director

Council Agenda Memo

From: Shannon Callahan, Street Superintendent

Meeting: February 8, 2021

Subject: Approving Purchase of One (1) 2022 ½ Ton, Four-Wheel Drive Pick-up for the Streets Division of the Public Works Department

Presenter(s): John Collins PE, Public Works Director

Background

The Streets Division of the Public Works Department budgeted funds in fiscal year 2021/2022 for one (1) new ½ ton, four-wheel drive pick-up.

Unit 214 is a 2006 Ford F-250 with 116,477 miles and a repair cost to purchase price ratio of 1.84. This unit is used daily with its primary purpose of transporting crew members and traffic control devices for the Storm Sewer Cleaning Program. Pictures and vehicle inspection report are attached.

The existing unit is a ¾ ton pickup. After reviewing its current utilization and crew needs, it was determined a ½ ton pickup will meet the necessary requirements and be less expensive.

The vehicle will be offered to other Divisions before being sold at auction.

Discussion

The City of Grand Island City Council approved the use of the National Joint Powers Alliance Buying Group (NJPA), now known as Sourcewell, with Resolution 2014-326.

To meet competitive bidding requirements, the Streets Division obtained pricing from Sourcewell Contract No. 091521-NAF awarded to National Auto Fleet Group. Per the Sourcewell Contract the price for a 2022 Dodge Ram 1500 4x4 that meets the City's requirements, will be \$37,888.72.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand.
The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the purchase of one (1) 2022 ½ ton, four-wheel drive pick-up using the Sourcewell Contract 091521-NAF awarded to National Auto Fleet Group of Watsonville, CA for a total purchase price \$37,888.72.00.

Sample Motion

Move to approve the resolution.
