Shawna Knott has applied to become the new Liquor Manager at Walmart South. I noted that Shawna reported that she is married, to Timothy Knott. I found that Timothy Knott signed the non-participation form. Shawna Knott indicated she has been employed by Walmart since 2003 in various positions, at stores all across Nebraska. She has been the Store Manager, and therefore Liquor Manager, twice before in Lexington and Sidney.

I checked our local database, the State NCJIS files, and a paid law enforcement only database. I noted that neither Shawna nor Timothy have warrants for their arrests. I noted that Shawna indicated she has never been convicted of anything before. I found records for two moving violation warnings, more than 5 years ago, but no convictions. The law enforcement only database, that covers mostly civil issues, lawsuits, and liens/bankruptcies showed no entries of concern, other than an historical judgement from over ten years ago.

I called Shawna, and verified her written statements. Shawna advised that she was recently named the manager for the Grand Island south store, and being the liquor manager falls within her duties. With her past experience in the same position at other stores, we did not have much to cover.

The Grand Island Police Department has no objections in Shawna Knott being named the Liquor Manager for the Walmart South location.
