Council Agenda Memo

From: Keith Kurz PE, Interim Public Works Director

Meeting: July 26, 2022

Subject: Approving Bid Award for Lift Station No. 17 Improvements; Project No. 2021-S-9

Presenter(s): Keith Kurz PE, Interim Public Works Director

Background

Lift Station No. 17 Improvements; Project No. 2021-S-9 is for the relocation and construction of a new sanitary sewer lift station that will replace the existing lift station which is currently located north of the intersection of South Locust Street and Exchange Road, on the west side of South Locust Street. Due to lack of space, the replacement lift station would more than likely go on the east side of South Locust Street. Along with a new lift station, new force main will need to be installed such that the discharge location will outlet to manhole 287 just east of the existing lift station. Also included will be the associated paving, sidewalk, traffic control and all other items needed to complete the project.

On June 7, 2022 the Engineering Division of the Public Works Department advertised for bids for Lift Station No. 17 Improvements; Project No. 2021-S-9.

Discussion

Two (2) bids were received and opened on June 30, 2022. The Engineering Division of the Public Works Department and the Purchasing Division of the City's Attorney's Office have reviewed the bids that were received. A summary of the bids is shown below.
