**#2022-303 - Approving Bid Award for Drainage Ditch Grading,  
Excavating, and Hauling 2022-2023**

Staff Contact: Keith Kurz PE, Interim Public Works Director

# Council Agenda Memo

**From:** Shannon Callahan, Streets Superintendent

**Meeting:** October 25, 2022

**Subject:** Approving Bid Award for Drainage Ditch Grading, Excavating, and Hauling 2022-2023

**Presenter(s):** Keith Kurz PE, Interim Public Works Director

## Background

Specialty equipment/operators are hired by the Streets Division to clean and grade large outfall ditches each year. The price per hour of such services has increased so the jobs are approaching the procurement point in which formal quotes are required. The timeline of the ditch work is weather dependent and is usually done when the Streets Division has staff to provide the hauling. These timelines can be difficult to forecast making the process of securing quotes from various vendors also difficult. The formal bid process streamlines the acquisition of such as-needed services.

Bidders were given the opportunity to write-in equipment that they own/operate that could be used for drainage ditch grading, excavating, and hauling that was not specifically requested on the bid form. The write-in bid items gives the City more equipment options that otherwise would go unknown.

## Discussion

Bids were sent to seven (7) potential bidders. One (1) bid was received and opened on October 13, 2022. Below is the bid award recommendation.
