Said taxes shall be divided as follows:

(a) That portion of the ad valorem tax on the real estate located in the Redevelopment Project Area which is produced by levy at the rate fixed each year by or for each public body upon the "redevelopment project valuation" (as defined in the Act) of the Redevelopment Project Area shall be paid into the funds of each such public body in the same proportion as all other taxes collected by or for the bodies; and

No Indebtedness will be issued until Redeveloper has acquired fee title to the Redevelopment Project Property and become obligated for construction of the additions and improvements forming a part of the Project as described in the Plan.

Prior to September 1, 2022, the Authority shall issue one Tax Increment Development Revenue Note, in one taxable series, in a maximum principal amount of \$263,200, in substantially the form shown on the attached Exhibit C ("TIF Note"), for net funds available to be purchased by Redeveloper ("TIF Note Purchaser"), in a written form acceptable to Authority's attorney, and receive Note proceeds from the TIF Note Purchaser in said amount. Neither the Authority nor the City shall have any obligation to provide for the sale of the Indebtedness. It is the sole responsibility of the Redeveloper to effect the sale of the Indebtedness by purchasing the Indebtedness in accordance with the terms of this Redevelopment Contract and the Resolution. Redeveloper acknowledges that it is its understanding and the Authority's understanding that interest on the Indebtedness will be includable in gross income for federal income tax purposes and subject to Nebraska State income taxation.

### Section 3.04 Purchase and Pledge of Indebtedness/Grant of Net Proceeds of Indebtedness.

The Redeveloper has agreed to purchase the Indebtedness from the Authority for a price equal to the principal amount thereof, payable as provided in Section 3.02 and this Section 3.04. The Redevelopment Plan provides for the Redeveloper to receive a grant under this Redevelopment Contract. In accordance with the terms of the Redevelopment Plan the Redeveloper is to receive a grant sufficient to pay the costs of site acquisition, demolition and

rehabilitation expenditures, all improvements related to Project public infrastructure costs, site preparation costs, utility extensions and costs of the Authority for legal and plan preparation including those items described on Exhibit D (the "Project Costs"), in the aggregate maximum amount not to exceed \$263,200. Notwithstanding the foregoing, the aggregate amount of the Indebtedness and the grant shall not exceed the amount of Project Costs as certified pursuant to Section 4.02 of this Redevelopment Contract. Such grant shall be made to the Redeveloper upon certification of Project Costs as set forth herein and in the Resolution, and payment purchase of the Indebtedness as provided in Section 3.02, unless Redeveloper elects to offset the payment of the purchase of the Indebtedness with the grant proceeds as provided herein and in the Resolution. The TIF Revenues accumulated in the Note Fund shall be used and applied on the Business Day prior to each Interest Payment Date (i) to make any payments to the City or the Authority as may be required under the Redevelopment Contract and (ii) to pay principal of or interest on the Note to the extent of any money then remaining the Note Fund on such Interest Payment Date. If a sufficient amount to pay a properly completed Disbursement Request (as defined in Section 4.02) is not in the Project Fund at the time of the receipt by the Authority of such request, the Authority shall notify the owner of the Note and such owner may deposit an amount sufficient to pay such request with the Authority for such payment. As set forth in the Resolution, if the Redeveloper is the owner of the Note and the Redeveloper so elects, the Authority shall make a grant to Redeveloper in the amount of an approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note.

This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or the Redeveloper shall also carry insurance on all stored materials. The contractor or the Redeveloper, as the case may be, shall furnish the Authority and the City with a Certificate of Insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Authority prior written notice in the event of cancellation of or material change in any of any of the policies.

(c) Notwithstanding any provision herein to the contrary, in the event Redeveloper has not acquired fee simple title to the Redevelopment Project Area on or before December 1, 2022, this Redevelopment Contract shall be null and void and of no force or effect effective as of the date of execution hereof, and neither party shall have any liability or obligation to the other party with respect hereto.

### **ARTICLE V FINANCING REDEVELOPMENT PROJECT; ENCUMBRANCES**

#### Section 5.01 Financing

Redeveloper shall pay all costs related to the redevelopment of the Redevelopment Project Area and the Redevelopment Project Property which are in excess of the amounts paid from the proceeds of the grant provided from the proceeds of the Indebtedness and granted to Redeveloper. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

### **ARTICLE VI DEFAULT, REMEDIES; INDEMNIFICATION**

#### Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations

under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent payment of grant amounts to the Redeveloper as set forth in Article III hereof and by complying with the obligations of all Redevelopment Contract Amendments.

#### Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Project Costs on or before September 1, 2022, or shall abandon construction work related to the Project Costs, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of three percent (3%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Project Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Project Costs as provided in Section 4.01. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly

make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor or his or her subcontractors (for each contract entered into by Redeveloper related to Project Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

#### Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this Redevelopment Contract or by applicable law; provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

#### Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

#### Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, attorneys, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, and full compliance with the terms specifically set forth Article III hereof and payment of TIF Revenues pledged pursuant to the Resolution. The Redeveloper releases the City and Authority from, agrees that neither the City nor

Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, officers, appointed officials, attorneys, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, excluding litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about that portion of the Project owned by the Redeveloper, during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, related to activities of the Redeveloper or its agents during the construction of the public infrastructure or public right of ways in the Project.

The principal of this Note and the interest hereon are payable in any coin or currency which on the respective dates of payment thereof is legal tender for the payment of debts due the United States of America.

This Note is issued by the Authority under the authority of and in full compliance with the Constitution and statutes of the State of Nebraska, including particularly Article VIII, Section 12 of the Nebraska Constitution, Sections 18-2101 to 18-2153, inclusive, Reissue Revised Statutes of Nebraska, as amended, and under and pursuant to Resolution No. \_\_\_\_\_ duly passed and adopted by the Authority on \_\_\_\_\_2022, as from time to time amended and supplemented (the “**Resolution**”).

**THE PRINCIPAL AMOUNT OF THIS NOTE IS SET FORTH IN SCHEDULE 1 ATTACHED HERETO. THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE IS \$263,200.**

This Note is a special limited obligation of the Authority payable as to principal and interest solely from and is secured solely by the Revenue (as defined in the Resolution) and certain other money, funds and securities pledged under the Resolution, all on the terms and conditions set forth in the Resolution. The Revenue represents that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property in the Project Area (as defined in this Resolution) which is in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project Area as of a certain date and as has been certified by the County Assessor of Hall County, Nebraska to the City in accordance with law.

Reference is hereby made to the Resolution for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this Note, the nature and extent of the security thereby created, the terms and conditions under which this Note has been issued, the rights and remedies of the Registered Owner of this Note, and the rights, duties, immunities and obligations

of the City and the Authority. By the acceptance of this Note, the Registered Owner assents to all of the provisions of the Resolution.

The principal of and interest hereon shall not be payable from the general funds of the City nor the Authority nor shall this Note constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or the Authority or of any other party other than those specifically pledged under the Resolution. This Note is not a debt of the City or the Authority within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City or the Authority, and does not impose any general liability upon the City or the Authority and neither the City nor the Authority shall be liable for the payment hereof out of any funds of the City or the Authority other than the Revenues and other funds pledged under the Resolution, which Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this Note in accordance with the provisions of this Resolution.

The Registered Owner may from time to time enter the respective amounts advanced pursuant to the terms of the Resolution under the column headed "Principal Amount Advanced" on **Schedule 1** hereto (the "**Table**") and may enter the aggregate principal amount of this Note then outstanding under the column headed "Cumulative Outstanding Principal Amount" on the Table. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Registered Owner pursuant to the redemption provisions of the Resolution, the Registered Owner may enter the principal amount paid on this Note under the column headed "Principal Amount Redeemed" on the Table and may enter the then outstanding principal amount of this Note under the column headed "Cumulative Outstanding Principal Amount" on the Table. Notwithstanding the foregoing, the records maintained by the Trustee as to the principal amount issued and principal amounts paid on this Note shall be the official records of the Cumulative Outstanding Principal Amount of this Note for all purposes.

Reference is hereby made to the Resolution, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Note; the Revenue and other money and securities pledged to the payment of the principal of and interest on this Note; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owner of this Note; the rights, duties and obligations of the Authority and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Note, and this Note thereafter no longer be secured by the Resolution or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Note is subject to redemption prior to maturity, at the option of the Authority, in whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Note, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Note so redeemed shall become due and payable and if money for the payment of the portion of the Note so redeemed and the accrued interest thereon to the date fixed for redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of the same series and maturity and for the same principal amount will be issued to the transferee in exchange therefor. The Authority and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.

This Note is being issued as a registered Note without coupons. This Note is subject to exchange as provided in the Resolution.

It is hereby certified, recited and declared that all acts, conditions and things required to have happened, to exist and to have been performed precedent to and in the issuance of this Note have happened, do exist and have been performed in regular and due time, form and manner; that this Note does not exceed any constitutional, statutory or charter limitation on indebtedness; and that provision has been made for the payment of the principal of and interest on this Note as provided in this Resolution.

**Redevelopment Plan Amendment  
Grand Island CRA Area 36  
April 2022**

**The Community Redevelopment Authority (CRA) of the City of Grand Island intends to amend the Redevelopment Plan for Area 36 within the city, pursuant to the Nebraska Community Development Law (the “Act”) and provide for the financing of a specific infrastructure related project in Area 36.**

**Executive Summary:**

**Project Description**

THE REDEVELOPMENT OF LOTS 10, 11, AND 12 OF NORTHWEST GATEWAY SUBDIVISION LOCATED SOUTH OF MONTANA AVENUE AND WEST OF IDAHO AVENUE IN NORTHWEST GRAND ISLAND FOR A RESIDENTIAL DEVELOPMENT 6 UNITS OF HOUSING IN 3 DUPLEXES.

The use of Tax Increment Financing to aid in redevelopment expenses associated with building 3 duplexes (6 units of housing) including acquisition, fill and grading, sidewalks and utility improvements. The use of Tax Increment Financing is an integral part of the development plan and necessary to make this project affordable. The 2020 Housing Study for the City of Grand Island identified a need of 1361 new rental and owner occupied housing units by 2024.

Paramount Development will be acquiring this property from O’Neill Wood Resources who acquired it in 2021. Changes in the cost of construction, availability of materials have led to this application for assistance with the project. The developer is responsible for and has provided evidence that they can secure adequate debt financing to cover the costs associated with the construction of units. The Grand Island Community Redevelopment Authority (CRA) intends to pledge the ad valorem taxes generated over multiple 15 year periods beginning January 1, 2024 towards the allowable costs and associated financing for the development of this property.

TAX INCREMENT FINANCING TO PAY FOR THE DEVELOPMENT OF THE PROPERTY WILL COME FROM THE FOLLOWING REAL PROPERTY:  
Property Description (the “Redevelopment Project Area”)

**Legal Descriptions:** Lots 10, 11 and 12 of Northwest Gateway Subdivision in the City of Grand Island, Hall County, Nebraska.

## TAX INCREMENT FINANCING - PROJECT SITE EXISTING LANDUSE MAP

THE REGIONAL PLANNING COMMISSION of Hall  
County, Grand Island, Wood River and the Villages  
of Alda, Cairo and Dorpban, Nebraska

**Existing Land Use and Subject Property**

**The tax increment will be captured for the tax years the payments for which become delinquent in years 2024 through 2039 inclusive.**

**The real property ad valorem taxes on the current valuation will continue to be paid to the normal taxing entities. The increase will come from development of the property for residential and commercial uses as previously described.**

**Statutory Pledge of Taxes.**

In accordance with Section 18-2147 of the Act and the terms of the Resolution providing for the issuance of the TIF Note, the Authority hereby provides that any ad valorem tax on the Redevelopment Project Area for the benefit of any public body be divided for a period of fifteen years after the effective date of this provision as set forth in the Redevelopment Contract or any amendment to the redevelopment contract, consistent with this Redevelopment Plan. Said taxes shall be divided as follows:

a. That portion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the redevelopment project valuation shall be paid into the funds, of each such public body in the same proportion as all other taxes collected by or for the bodies; and

b. That portion of the ad valorem tax on real property in the redevelopment project in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the Authority to pay the principal of; the interest on, and any premiums due in connection with the bonds, loans, notes, or advances on money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such Authority for financing or refinancing, in whole or in part, a redevelopment project. When such bonds, loans, notes, advances of money, or indebtedness including interest and premium due have been paid, the Authority shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such redevelopment project shall be paid into the funds of the respective public bodies.

Pursuant to Section 18-2150 of the Act, the ad valorem tax so divided is hereby pledged to the repayment of loans or advances of money, or the incurring of any indebtedness, whether funded, refunded, assumed, or otherwise, by the CRA to finance or refinance, in whole or in part, the redevelopment project, including the payment of the principal of, premium, if any, and interest on such bonds, loans, notes, advances, or indebtedness.

Redevelopment Plan Amendment Complies with the Act:

The Community Development Law requires that a Redevelopment Plan and Project consider and comply with a number of requirements. This Plan Amendment meets the statutory qualifications as set forth below.

**1. The Redevelopment Project Area has been declared blighted and substandard by action of the Grand Island City Council on January 25, 2022.[§18-2109] Such declaration was made after a public hearing with full compliance with the public notice requirements of §18-2115 of the Act.**

**2. Conformation to the General Plan for the Municipality as a whole. [§18-2103 (13) (a) and §18-2110]**

Grand Island adopted a Comprehensive Plan on July 13, 2004. This redevelopment plan amendment and project are consistent with the Comprehensive Plan, in that no changes in the Comprehensive Plan elements are intended. This plan merely provides funding for the developer to rehabilitate the building for permitted uses on this property as defined by the current and effective zoning regulations. The Hall County Regional Planning Commission held a public hearing at their meeting on May 11, 2022 and passed Resolution 2022-10 confirming that this project is consistent with the Comprehensive Plan for the City of Grand Island. The Grand Island Public School District has submitted a formal request to the Grand Island CRA to notify the District any time a TIF project involving a housing subdivision and/or apartment complex is proposed within the District. The school district was notified of this plan amendment prior to it being submitted to the CRA for initial consideration.

**3. The Redevelopment Plan must be sufficiently complete to address the following items: [§18-2103(13) (b)]**

***a. Land Acquisition:***

This Redevelopment Plan for Area 36 provides for real property acquisition and this plan amendment does not prohibit such acquisition. There is no proposed acquisition by the authority.

***b. Demolition and Removal of Structures:***

The project to be implemented with this plan does not provide for the demolition and removal any structures on this property.

***c. Future Land Use Plan***

See the attached map from the 2004 Grand Island Comprehensive Plan. All of the area around the site in private ownership is planned for mixed use commercial development which includes residential, commercial and office uses. The property is zoned RO residential office and residential or office uses would be permitted. This property is in private ownership. [§18-2103(b) and §18-2111] The attached map also is an accurate site plan of the area after redevelopment. [§18-2111(5)]

## TAX INCREMENT FINANCING - PROJECT SITE FUTURE LANDUSE MAP

THE REGIONAL PLANNING COMMISSION of Hall  
County, Grand Island, Wood River and the Villages  
of Albia, Cairo and Doniphan, Nebraska

**City of Grand Island Future Land Use Map**

***d. Changes to zoning, street layouts and grades or building codes or ordinances or other Planning changes.***

The area is zoned RO Residential Office. The future land use map calls for mixed use commercial development across this entire site. New public streets and utilities have been extended throughout the site and the cost of the property included payments for those improvements. TIF revenues will offset the cost of acquisition and sitework of those improvements. No changes are anticipated in building codes or other ordinances. No other planning changes contemplated. [§18-2103(b) and §18-2111]

***e. Site Coverage and Intensity of Use***

The RO zoning district does not have a maximum residential density but does require a 6000 square foot minimum lot size. Two off street parking spaces are required for each dwelling unit constructed. [§18-2103(b) and §18-2111]

***f. Additional Public Facilities or Utilities***

Sanitary sewer and water are available to support this development.

Electric utilities are sufficient for the proposed use of this property. Electric lines, transformers, and conduit will need to be extended throughout the property.

No other publicly owned utilities would be impacted by the development. §18-2103(b) and §18-2111]

**4. The Act requires a Redevelopment Plan provide for relocation of individuals and families displaced as a result of plan implementation. This property is vacant and has been vacant for more than 1 year; no relocation is contemplated or necessary. [§18-2103.02]**

**5. No member of the Authority, nor any employee thereof holds any interest in any property in this Redevelopment Project Area. [§18-2106]** No members of the authority or staff of the CRA have any interest in this property.

**6. Section 18-2114 of the Act requires that the Authority consider:**

***a. Method and cost of acquisition and preparation for redevelopment and estimated proceeds from disposal to redevelopers.***

The purchase price of the property is \$135,000 as an eligible expense. The estimated costs of utilities including sewer, water and electric is \$38,000. The cost of grading, site prep and dirt work is \$45,000. Sidewalks and drainage are estimated at \$28,500. Other costs including landscaping and financing fees are estimated at \$33,000 Planning activities including engineering, architecture, legal fees and government fees are

estimated at \$12,700. The total of the eligible expenses for this project is estimated by the developer at over \$1,220,000.

No property will be transferred to redevelopers by the Authority. The developer will provide and secure all necessary financing.

***b. Statement of proposed method of financing the redevelopment project.***

The developer will provide all necessary financing for the project. The Authority will assist the project by granting the sum of \$263,200 from the proceeds of the TIF. This indebtedness will be repaid from the Tax Increment Revenues generated from the project. TIF revenues shall be made available to repay the original debt and associated interest after January 1, 2024 through December 2039.

***c. Statement of feasible method of relocating displaced families.***

No families will be displaced as a result of this plan.

**7. Section 18-2113 of the Act requires:**

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted, and harmonious development of the city and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of insanitary or unsafe dwelling accommodations or conditions of blight.

The Authority has considered these elements in proposing this Plan. This amendment, in and of itself will promote consistency with the Comprehensive Plan. This will have the intended result of preventing recurring elements of unsafe buildings and blighting conditions. This will accomplish the goal of increasing the number of residential units within the City of Grand Island and encouraging infill development.

**8. Time Frame for Development**

Development of this project is anticipated to begin in the 2022 year. The duplexes should be completed before the end of 2023. It is anticipated that the units in this development will be fully built out in 2023 with the tax increment on those homes beginning with the

2024 tax year. Based on the projected valuation of this project it is estimated that the TIF Bonds will pay off in just under 8 years.

## **9. Justification of Project**

The 2020 housing study for the City of Grand Island projected that by 2024 we would need an additional 1361 new housing units. There should be 902 non-age restricted units with 518 owner occupied and with 384 rental units. There should be 459 age restricted unit 459 with 222 as 55+ owner occupied and with 237 as 55+ rental units. Between January 1 of 2020 and December of 2021 the city issued permits for 430 new housing units including both restricted and unrestricted units leaving a need for 931 additional units by 2024. The current housing market, a combination of the cost of producing housing and the prevailing wages, has not created a situation that gives the markets sufficient incentive to build the number housing units required to meet community needs. This lack of housing options impacts a variety of other areas within the community including work force development, overcrowding, and maintenance of residential units. This project will create new housing options for all citizens and potential citizens of Grand Island and will likely result in the sale of existing homes around the city.

**10. Cost Benefit Analysis** Section 18-2113 of the Act, further requires the Authority conduct a cost benefit analysis of the plan amendment in the event that Tax Increment Financing will be used. This analysis must address specific statutory issues.

As authorized in the Nebraska Community Development Law, §18-2147, *Neb. Rev. Stat.* (2019), the City of Grand Island has analyzed the costs and benefits of the proposed Redevelopment Project, including:

**Project Sources and Uses.** Approximately \$263,200 in public funds from tax increment financing provided by the Grand Island Community Redevelopment Authority will be required to complete the project. This investment by the Authority will leverage \$961,083 in private sector financing; a private investment of \$3.65 for every TIF dollar invested.

<b>Use of Funds</b>	<b>Source of funds</b>		
<b>Description</b>	<b>TIF Funds</b>	<b>Private Funds</b>	<b>Total</b>
Site Acquisition	\$135,000		\$135,000
Building Costs		\$932,083	\$932,083
Sewer	\$10,000		\$10,000
Water	\$10,000		\$10,000
Electric	\$18,000		\$18,000
Public Streets/ sidewalks	\$28,500		\$28,500
Site prep/ Dirt work	\$45,000		\$45,000
Planning (Arch. & Eng.)	\$3,000		\$3,000
Financing fees/ audit	\$0	\$5,000	\$5,000
Legal/ TIF contract	\$9,700		\$9,700
Other	\$4,000	\$24,000	\$28,000
			\$0
Total	\$263,200	\$961,083	\$1,224,283

**Tax Revenue.** The property to be redeveloped is anticipated to have a January 1, 2022 valuation of approximately \$22,014. Based on the 2021 levy this would result in a real property tax of approximately \$477. It is anticipated that the assessed value will increase by \$1,681,986 upon full completion, as a result of the site redevelopment. This development will result in an estimated tax increase of over \$36,472 annually. The tax increment gained from this Redevelopment Project Area would not be available for use as city general tax revenues, for the period of the bonds, but would be used for eligible private redevelopment costs to enable this project to be realized.

Estimated 2022 assessed value:	\$	22,014
Estimated value after completion	\$	1,704,000
Increment value	\$	1,681,986
Annual TIF generated (estimated)	\$	36,472
TIF bond issue	\$	285,500

***(a) Tax shifts resulting from the approval of the use of Tax Increment Financing;***

The redevelopment project area currently has an estimated valuation of \$22,014. The proposed redevelopment will create additional valuation of \$1,704,000 over the course of the next year. The project creates additional valuation that will support taxing entities long after the project is paid off along with providing 6 additional housing units. The tax shift from this project will be equal to the total of the bond principal of \$263,200 if fully funded and any associated interest on the bond to be assigned with contract approval.

***(b) Public infrastructure and community public service needs impacts and local tax impacts arising from the approval of the redevelopment project;***

Existing water and waste water facilities will not be negatively impacted by this development. The electric utility has sufficient capacity to support the development. This is infill development with services connecting to existing line with capacity. This development will result in a larger number of students in the Engleman Elementary School service area. Fire and police protection are available and should not be negatively impacted by this development though there will be some increased need for officers and fire fighters as the City continues to grow whether from this project or others.

***(c) Impacts on employers and employees of firms locating or expanding within the boundaries of the area of the redevelopment project;***

This will provide additional housing options for the residents of Grand Island.

***(d) Impacts on other employers and employees within the city or village and the immediate area that are located outside of the boundaries of the area of the redevelopment project; and***

This project will not have a negative impact on other employers different from any other expanding business within the Grand Island area. Grand Island does have tight labor market and part of that is due to the availability and cost of housing. This development may help alleviate some of those pressures.

***(e) Impacts on student populations of school districts within the City or Village:***

**This development will have an impact on the Grand Island School system and will likely result in additional students at the elementary and secondary school levels.**

The average number of persons per household in Grand Island for 2015 to 2019 according the American Community Survey is 2.61. Six additional households would house 16 people. According to the 2010 census 19.2% of the population of Grand Island was over 4 years old and under 18 years old. 2020 census number for this population cohort are not yet available but 27.6% of the 2021 population is less than 18 years of age this is the same percentage as the under 18 age cohort in 2010. If the averages hold it would be expected that there would be an additional 3 school age children generated by this development. According to the National Center for Educational Statistics<sup>1</sup> the 2019-20 enrollment for GIPS was 10,070 students and the cost per student in 2017-18 was \$12,351 of that \$4,653 is generated locally.

The Grand Island Public School System was notified on April 6, 2022 that the CRA would be considering this application at their April 13, 2022 meeting.

***(f) Any other impacts determined by the authority to be relevant to the consideration of costs and benefits arising from the redevelopment project.***

This project is consistent the goals of the 2020 Housing Study for the City of Grand Island to create more than 1361 new housing units. Between January of 2020 and December of 2021 the City of Grand Island has issue permits for 430 housing units. The local housing market is not capable of producing the number of units needed at market rate given the costs of building and development.

**Time Frame for Development**

Development of this project is anticipated to be completed during between Fall of 2022 and the end of 2023. The base tax year should be calculated on the value of the property as of January 1, 2023. Excess valuation should be available for this project beginning in 2024 with taxes due in 2025. Excess valuation will be used to pay the TIF Indebtedness issued by the CRA per the contract between the CRA and the developer for a period not to exceed 15 years on each property or an amount not to exceed \$263,200 the projected amount of increment based upon the anticipated value of the project and current tax rate. Based on the estimates of the expenses of the rehabilitation the developer will spend at least \$263,200 on TIF eligible activities.
