Quarterly Report of Household Library Cards Issued to Hall County Residents Outside of Grand Island

APRIL-JUNE 2022

To Hall County Board of Supervisors:

As of July 1, 2022 there are a total of 1,199 Head of Household Hall County patron accounts. We added 25 new Head of Household accounts this past quarter between April 1 and June 30, 2022 and 2 cardholders were modified from other borrower types due to moving/change of address. This results in a **net gain** of 23 accounts from the previous report of 1,176 HCH accounts.

Our automated reporting of household cards is based on one member of each household manually coded as "head of household" no matter how many in the household have cards.

The Grand Island Public Library kicked off their Oceans of Possibilities Summer Reading Program for all ages. The library continues to promote that Hall County residents can get their library card for free. Check out the many resources available from www.gilibrary.org. We have also added a new database called Alldata for car repair that may be used inside the library, new makerspace equipment for digitizing old VHS to digital formats, digital media equipment, and patrons may now check out video games.

Balance March 31, 2022	1,176
April-June added 23 and modified	
2 cardholders	+23
Balance June 30, 2022	1,199
