Council Agenda Memo

From: Todd McCoy, Parks and Recreation Director

Meeting: January 24, 2023

Subject: Purchase of Bucket Truck for Parks Maintenance Division

Presenter(s): Todd McCoy, Parks and Recreation Director

Background

The Parks Division budgeted this year to replace one (1) 1995 Chevy 3500 Cheyenne Bucket Truck. The replacement truck is necessary as the current unit is becoming less dependable and the new unit will be more efficient as it does not require down rigging.

Discussion

The equipment specifications awarded under the Sourcewell Cooperative Buying Group contract meet the requirements for the Parks Division. Altec Industries, Inc. of St. Joseph, Missouri submitted a bid for the truck with no exceptions in the amount of \$155,669.00. The purchase will be funded from capital account 41044401-85625.
