Subject: Approve Preliminary Design Services for West Connector Trail

Background

Extending the current trail system and connecting gaps was listed as a priority from public input in the Grand Island Metropolitan Area Bicycle and Pedestrian Master Plan. The new trail will be 10' wide and approximately 1.4 miles long.

On November 2, 2022 the City advertised a Request for Qualifications (RFQ) for firms to provide a preliminary design of the West Connector Trail. Three (3) RFQ's were received.

Staff recommends contracting JEO Consulting Group, Inc. of Grand Island, Nebraska for preliminary design services. The contract amount for preliminary design is \$29,900.00. City staff expects additional expenses for final design and construction management services not included in the initial proposed JEO agreement. Food and Beverage Tax funds will be utilized.
