Meeting: January 24, 2023

Subject: Approving the Certificate of Compliance with the Nebraska Department of Transportation for Maintenance Agreement No. 12; Calendar Year 2022

Presenter(s): Keith Kurz PE, Interim Public Works Director

Background

The City of Grand Island and the Nebraska Department of Transportation have had an agreement for the maintenance of state highways within the City limits dating back to 1970. Maintenance responsibilities for State highways within the corporate City limits are defined by state statute.

The Nebraska Department of Transportation (NDOT) is responsible for the surface maintenance costs of the originally constructed highway lanes through a community and the City is responsible for the surface maintenance costs of any highway widening including parking, additional thru lanes, and dedicated turn lanes.

NDOT performs snow removal on NE Highway 2, US Highway 281, US Highway 34, and the portion of US Highway 30 west of Johnstown Road.

The City performs snow removal on US Highway 30 from Johnstown Road through town to the east City limits at Shady Bend Road.

The statutes provide that the NDOT is to reimburse the City for work the City performs on NDOT's highway lanes and the City is to reimburse NDOT for snow removal on State Highways within the City Limits.

Discussion

The maintenance agreement requires the City to certify that it has completed the maintenance work required by the agreement for the 2022 calendar year.

The net result of this exchange of services is a payment by the Nebraska Department of Transportation to the City of Grand Island in the amount of \$102,743.90.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve

4. Take no action on the issue

Recommendation

City Administration recommends that the Council pass a resolution authorizing the Mayor to sign the Certificate of Compliance.

Attachment B

City of: Grand Island

Date: 1/1/22

☒ **Surface Maintenance**

From Attachment "C", it is determined that the State's responsibility for surface maintenance within the City limits is 48.24 lane miles. Pursuant to Sections 1d, 8c, 8d of the Agreement and to Attachment "C" made part of this Agreement through reference, the State agrees to pay to the City the sum of \$2,530.00 per lane mile for performing the surface maintenance on those lanes listed on Attachment "C".

Amount due the City for surface maintenance:

52.78 lane miles x \$2,530.00 per lane mile = \$133,533.40.
