Staff Contact: Keith Kurz PE, Interim Public Works Director

Council Agenda Memo

From: Shannon Callahan, Street Superintendent

Meeting: February 28, 2023

Subject: Approving Purchase of One (1) New F150, Four-Wheel Drive Pick-up for the Streets Division of the Public Works Department

Presenter(s): Keith Kurz PE, Interim Public Works Director

Background

The Streets Division of the Public Works Department budgeted funds in fiscal year 2022/2023 for one (1) new ½ ton, four-wheel drive pick-up.

The new unit will be used as the primary vehicle for sign repairs as this is a high per year mileage unit. The vehicle currently used for sign repairs will be rotated down to a general work truck used for underground locates, inspections, and staff transporting.

The pickup being replaced is, Unit 200, a 1999 Ford F-150 with 117,786 miles and a repair cost to purchase price ratio of 0.92. The vehicle will be offered to other Divisions before being sold at auction. Pictures and inspection form are attached.

Discussion

The vehicle specifications awarded under State of Nebraska Contract No. 15731 OC to Anderson Ford of Lincoln, Nebraska meet all of the requirements for the Streets Division. The purchase price of the new Ford F150 regular cab with four-wheel drive under the State of Nebraska Contract will be \$41,298.00.
