Staff Contact: Keith Kurz PE, Interim Public Works Director

# **Council Agenda Memo**

**From:** Shannon Callahan, Streets Superintendent

**Meeting:** February 28, 2023

**Subject:** Bid Award for Annual Pavement Markings 2023

**Presenter(s):** Keith Kurz PE, Interim Public Works Director

## **Background**

Pavement markings are a critical part of maintaining safety of the City's roadways and have strict standards on size, location, color, and reflectivity set by the Manual on Uniform Traffic Control.

Since 2014 the use of a pavement marking contractor has allowed the Streets Division to use its labor force to focus on the storm sewer cleaning program. Another benefit of utilizing contractor services is the reduction in traffic disruption accomplished by work being conducted only during off-peak hours (night) and completed faster using specialized equipment.

The 2020 pavement marking contract was renewed for two (2) additional one-year periods, the maximum renewal periods stated in the bid solicitation, and is due for re-bidding this year.

The 2023 pavement marking contract will also be available for two (2) additional one-year renewal periods based on interest of both the City and the Contractor.

## **Discussion**

Bids were advertised on January 14, 2023 and sent to 13 potential bidders. Two (2) bids were received and opened on February 16, 2023.
