Request for Development Proposals

The Grand Island Community Redevelopment Authority (CRA) is seeking development proposals on two properties located on the south side of First Street between Sycamore Street and Kimball Avenue. Legal descriptions for the properties are included in attachments A and B. These properties are located within the CRA Area 1 in the City of Grand Island. CRA area 1 has been designated as Blighted and Substandard by the City of Grand Island and the CRA.

The CRA owns the properties. These properties are cleared and ready for redevelopment. Public sewer and water as well as electric and gas utilities are available to the properties. These properties are not located within a regulatory floodplain. The property is zoned B3 Heavy Business. Redevelopment efforts on these properties may be eligible for tax increment financing.

The CRA will consider all proposals for uses consistent with the B3 Heavy Business Zone designation. These properties are not within the Downtown Improvement District or the Downtown Parking District so the developer will be required to provide landscaping and parking on-site consistent with the Grand Island Zoning Regulations.

Proposals must include:

- Description of intended use of the property,
- Site plan for development including building location, proposed landscaping and parking,
- Elevation plan showing the proposed building, and
- Bid for the property,

Proposals will be evaluated based on the completeness of the application using the following point scale: 25 points for intended use, 30 points for site plan, 30 points for elevation plan and 15 points for bid.

Proposals may be submitted on either one or both of the properties. The CRA reserves the right to reject all proposals.

Complete proposals must be submitted to the CRA no later than 5:00 P.M. Tuesday January 3rd for review at the January 11th meeting of the CRA.
