Council Session

Item G12

**#2013-82 - Approving Award of Proposal for Consulting Services
for Geospatial Data Collection of Grand Island's Public
Stormwater Conveyance System**

Staff Contact: John Collins, Public Works Director

Council Agenda Memo

From: Scott Sekutera, Storm Water Technician

Meeting: March 26, 2013

Subject: Approving Award of Proposal for Consulting Services for Geospatial Data Collection of Grand Island's Public Stormwater Conveyance System

Item #'s: G-12

Presenter(s): John Collins, Public Works Director

Background

A Request for Proposals (RFP) for consulting services for Geospatial Data Collection of Grand Island's Stormwater System was advertised in the Grand Island Independent on February 7, 2013. The RFP was also sent to five (5) potential proposers by the Engineering Division of the Public Works Department.

The collection of this geospatial data for the City's stormwater system will assist with mapping the stormwater as required by the National Pollution Discharge Elimination System (NPDES) stormwater permit. The mapping will also give the City information on locations and elevations of all stormwater structures. This information will be utilized for stormwater hydraulic modeling, comprehensive drainage planning, required mapping for compliance with permit to identify Illicit Detection Discharge Elimination (IDDE) and stormwater capital improvement planning. This survey will provide an accurate, electronic, easily-accessible storm sewer map and database from which the staff can quickly access valuable physical and historical information regarding the storm sewer system.

Discussion

Four (4) proposals were opened on March 5, 2013 and reviewed and scored.

The estimate for this work was \$50,000.00. Funds for the consulting services are in the approved 2012/2013 budget and paid for using the LB 1226 Stormwater Grant fund through the Nebraska Department of Environmental Quality (NDEQ). This work supports the City of Grand Island's Stormwater Management Plan.

The proposal submitted by EA Engineering, Science, and Technology, Inc. of Lincoln, Nebraska was scored as the best firm to complete the required work. The agreement will be for surveying 1136 stormwater structures at \$44.00 each for a grand total of \$49,984.00. Previous surveys have completed 2,555 stormwater structures, which equates to approximately 85% of the City's overall structures.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the award of the proposal to EA Engineering, Science, and Technology, Inc. of Lincoln, Nebraska.

Sample Motion

Move to approve the award of the proposal.

Stacy Nonhof, Purchasing Agent

RESOLUTION 2013-82

WHEREAS, the City Of Grand Island invited proposals for consulting services for Geospatial Data Collection of Grand Island's Storm Water System, according to the Request For Proposals (RFP) on file with the Engineering Division of the Public Works Department; and

WHEREAS, on March 5, 2013 proposals were received, reviewed, and evaluated in accordance with established criteria in the RFP; and

WHEREAS, EA Engineering, Science, and Technology, Inc. of Lincoln, Nebraska submitted a proposal in accordance with the terms of the Request for Proposals and all statutory requirements contained therein and the City Procurement Code with the work performed at \$44.00 each for 1,136 units for a total of \$49,984.00.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF GRAND ISLAND, NEBRASKA, that the proposal of EA Engineering, Science, and Technology, Inc. of Lincoln, Nebraska for consulting services for Geospatial Data Collection of Grand Island's Stormwater System is hereby approved.

BE IT FURTHER RESOLVED, that the Mayor is hereby authorized and directed to execute such agreement on behalf of the City of Grand Island.

- - -

Adopted by the City Council of the City of Grand Island, Nebraska, March 26, 2013.

Jay Vavricek, Mayor
