Council Session

Item C-3

Recognition of Nebraska State Fair 1868 Foundation “Chillin’ at the State Fair”

Mayor Vavricek will recognize the efforts of the Nebraska State Fair 1868 Foundation to raise money to air condition the concourse beneath the grandstand at the Nebraska State Fair.

"Chillin' at the State Fair" is the goal of the foundation to bring the concourse up to the same great guest experience as other recently constructed fair buildings in time for the 2013 Nebraska State Fair.
