#### OBLIGATIONS OF THE AUTHORITY

##### Section 3.01 Division of Taxes.

In accordance with Section 18-2147 of the Act and the terms of the Resolution, the Authority hereby provides that any ad valorem tax on any Lot or Lots located in the Redevelopment Project Area identified from time to time by the Redeveloper (such Lot or Lots being referred to herein as a "Phase") as identified in a written notice from the Redeveloper to the Authority in substantially the form attached hereto as Exhibit F (each, a "Redevelopment Contract Amendment Notice") for the benefit of any public body be divided for a period of fifteen years after the effective date of this provision as set forth in the Redevelopment Contract Amendment Notice and reflected in a Redevelopment Contract Amendment, consistent with the Redevelopment Plan. Said taxes shall be divided as follows:

(a) That portion of the ad valorem tax on real property in each Phase which is produced by levy at the rate fixed each year by or for each public body upon the "redevelopment project valuation" (as defined in the Act) of the Lots within such Phase shall be paid into the funds of each such public body in the same proportion as all other taxes collected by or for the bodies; and

(b) That portion of the ad valorem tax on real property in each Phase in excess of such amount (the "Incremental Ad Valorem Tax"), if any, shall be allocated to, is pledged to, and, when collected, paid into a special fund of the Authority (designated in the Resolution as the "Bond Fund") to pay the principal of, the interest on, and any premium due in connection with the Indebtedness. When such Indebtedness, including interest and premium due have been paid, the Authority shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such Phase shall be paid into the funds of the respective public bodies.

Provided a Redevelopment Contract Amendment Notice (together with a Redevelopment Contract Amendment in form satisfactory to the Authority and signed by the Redeveloper, and a proposed form of "Notice to Divide Tax for Community Redevelopment Project", all prepared in accordance with this Redevelopment Contract and the Act) is delivered to the Authority no later than July 1 of any year, the Authority shall: (a) execute the Redevelopment Contract Amendment, and (b) file before August 1 of such year a "Notice to Divide Tax for Community Redevelopment Project" for such Phase with the office of the Hall County Treasurer and Hall County Assessor, without requirement of additional hearings or public notice. No Redevelopment Contract Amendment providing for the division of taxes pursuant to this Redevelopment Contract and Section 18-2147 of the Act shall be made after January 1, **XXXX**.

### Section 3.02 Issuance of Indebtedness

The Authority shall issue the Indebtedness, in one or more series, from time to time, to the Redeveloper in the form and stated principal amount and bearing interest and being subject to such terms and conditions as are specified in the Resolution and this Redevelopment Contract and any Redevelopment Contract Amendment; provided, at all times the maximum amount of the Indebtedness shall be limited to the lesser of (i) the stated face amount of the Indebtedness, or (ii) the sum of all Redevelopment Project Costs incurred by the Redeveloper as set forth on Exhibit D, for each Phase of the Redevelopment Project. No Indebtedness will be issued until Redeveloper has (a) acquired fee title to the Redevelopment Project Property; and (b) entered into a contract for the initial construction of the Project Infrastructure Improvements forming a part of the Project.

The Parties intend that the Redevelopment Plan and Redevelopment Project be implemented in Phases as set forth in the Redevelopment Plan. As the Redeveloper incurs Redevelopment Project Costs for a Phase of the Redevelopment Project, the Authority shall issue an additional series of Indebtedness in an amount not to exceed the Redevelopment Project Costs for such Phase.

The Redeveloper agrees to purchase the Indebtedness and each additional issue of Indebtedness at a price equal to the principal amount thereof, in a private placement satisfactory to the Authority as to its terms and participants (including any pledgee thereof). Neither the Authority nor the City shall have any obligation to provide for the sale of the Indebtedness. It is the sole responsibility of the Redeveloper to effect the sale of the Indebtedness by purchasing the Indebtedness in accordance with the terms of this Redevelopment Contract, amendments hereto and the Resolution. If the Indebtedness cannot be issued and sold to the Redeveloper in a

private placement under terms acceptable to the Authority, this Redevelopment Contract shall cease to be in force and effect and the Authority and the City shall have no further obligations hereunder. Redeveloper acknowledges that it is its understanding and the Authority's understanding that interest on the Indebtedness will be includable in gross income for federal income tax purposes and subject to Nebraska State income taxation.

#### Section 3.03 Pledge of Revenues.

Under the terms of the Resolution, the Authority pledges 100% of the available annual TIF Revenues derived from the Redevelopment Project Property as security for and to provide payment of the Indebtedness as the same fall due (including payment of any mandatory redemption amounts set for the Indebtedness in accordance with the terms of the Resolution).

#### Section 3.04 Purchase and Pledge of Indebtedness/Grant of Net Proceeds of Indebtedness.

The Redeveloper has agreed to purchase the Indebtedness from the Authority for a price equal to the principal amount thereof, payable as provided in Section 3.02. The Redevelopment Plan provides for the Redeveloper to receive a grant under this Redevelopment Contract. In accordance with the terms of the Redevelopment Plan the Redeveloper is to receive a grant sufficient to pay the costs for reimbursement of site acquisition, including easements, site and preparation costs and utilities for including only those items as described on Exhibit D (the "Project Infrastructure Costs"), in the aggregate maximum amount of \$\_\_\_\_\_. Notwithstanding the foregoing, the aggregate amount of the grant advances shall not exceed the amount of Project Costs as certified pursuant to Section 4.02 of this Redevelopment Contract. Such grant shall be made to the Redeveloper upon execution of this Redevelopment Contract and payment purchase of the Indebtedness as provided in Section 3.02. The Authority shall have no obligation to provide grant funds from any source other than the purchase price paid to the Authority for the Indebtedness.

#### Section 3.05 Creation of Fund.

In the Resolution, the Authority has provided for the creation of a special fund (the "Bond Fund" as defined in the Resolution) to collect and hold the TIF Revenues pledged to the payment of the Indebtedness. Such special fund shall be used for no purpose other than to pay (including any redemptions of principal made in accordance with the terms of the Resolution and this Redevelopment Contract) the Indebtedness issued pursuant to this Article III.

### ARTICLE IV

#### OBLIGATIONS OF REDEVELOPER

#### Section 4.01 Construction of Project; Insurance.

(a) Redeveloper will complete the Project and install all infrastructure, improvements, buildings, fixtures, equipment and furnishings necessary to operate the Project. Redeveloper shall be solely responsible for obtaining all permits and approvals necessary to acquire, construct

and equip the Project. Until construction of the Project has been completed, Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of Redeveloper with respect to construction of the Project. Promptly after completion by the Redeveloper of each Phase of the Project, the Redeveloper shall furnish to the Authority a Certificate of Completion (supported by such architect's or engineer's certificates as are required under the terms of the contract documents) for such Phase, including each structure or element of infrastructure completed in such Phase.

(b) Any general contractor chosen by the Redeveloper or the Redeveloper itself shall be required to obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations and a penal bond or bonds as required by the Act or as is otherwise required by law. The City, the Authority and the Redeveloper shall be named as additional insureds. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or the Redeveloper shall also carry insurance on all stored materials. The contractor or the Redeveloper, as the case may be, shall furnish the Authority and the City with a Certificate of Insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Authority prior written notice in the event of cancellation of or material change in any of any of the policies.

#### Section 4.02 Cost Certification.

Redeveloper shall submit to Authority a certification of the estimated Project Costs for the Project on or before the issuance of the Indebtedness (and updated in connection with each Redevelopment Contract Amendment, if any material deviations from such certification occur) which shall contain information showing the anticipated payments or obligations for payment of the Public Infrastructure Costs, site acquisition costs, grants in aid of construction and site preparation costs, which may include only those items specified on the attached Exhibit D.

#### Section 4.03 Authority Costs

Redeveloper shall reimburse the Authority (and the City, as applicable) on the date of the closing of the purchase of the Indebtedness for legal fees and costs incurred or expected to be incurred in connection with this Redevelopment Contract and the issuance of the Indebtedness.

#### Section 4.04 No Discrimination.

Redeveloper agrees and covenants for itself its successors and assigns that it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital

status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Project.

#### Section 4.05 Real Estate Tax Base; Payments in Lieu of Taxes.

Redeveloper agrees to make payments in lieu of taxes, immediately upon receipt of notice from City or the Authority, if for any reason at any time TIF Revenues are not sufficient to pay principal and interest on the Indebtedness when due. This payment in lieu of tax obligation may be represented by a note or other evidence of indebtedness.

#### Section 4.06 Assignment or Conveyance.

This Redevelopment Contract shall not be assigned by the Redeveloper without the written consent of the Authority. Any transfer (including any lease for a term longer than one year) or conveyance of the any portion of the Redevelopment Project Property, or any interest therein, prior to the termination of the 15 year period commencing on the last effective date specified in Section 3.01 hereof by the Redeveloper shall be subject to the terms and conditions of this Redevelopment Contract. Redeveloper agrees that it shall not convey any Lot or any portion thereof or any structures thereon to any person or entity that would be exempt from payment of real estate taxes, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any Lot.

#### Section 4.07 Federal Immigration Verification System.

The Redeveloper agrees that Redeveloper and any contractor for the improvements to be reimbursed as a part of the Project Infrastructure Costs shall be required to agree to use a federal immigration verification system (as defined in §4-114, R.R.S. 2012) to determine the work eligibility status of new employees physically performing services on the Project and to comply with all applicable requirements of §4-114, R.R.S., 2012.

#### Section 4.08 Public Right-of-Way.

Prior to issuance of the Indebtedness, Redeveloper shall provide Authority with evidence satisfactory to the Authority that private funds have been committed to the Redeveloper in amounts sufficient to complete all portions of the Project included in the Project Infrastructure

Costs. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project. Any mortgage lien or deed of trust or other encumbrance on the Redevelopment Project Property shall either be subject to the terms of this Redevelopment Contract because of its having been filed after the recording of notice of this Redevelopment Contract or shall be expressly made subject to the terms of this Redevelopment Contract by written instrument in recordable form furnished to the Authority prior to the issuance of the Indebtedness.

## **ARTICLE VI**

### **DEFAULT, REMEDIES; INDEMNIFICATION**

#### Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent payment of grant amounts to the Redeveloper as set forth in Section 3.04.

#### Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Public Infrastructure Costs for the first Phase of the Redevelopment Project on or before January 1, 201\_\_, or shall abandon construction work related to the Public Infrastructure Costs and housing construction, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of seven percent (7%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Public Infrastructure Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Public Infrastructure Costs. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor or his or her subcontractors (for each contract entered into by Redeveloper related to Public Infrastructure Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

#### Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this Redevelopment Contract or by applicable law; provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

#### Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

#### Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, as specifically set forth in Sections 3.02 and 3.04 and payment of TIF Revenues pledged pursuant to the Resolution. The obligation of the City and Authority on any Indebtedness shall be limited solely to the payment of the TIF Revenues and other funds pledged on the Indebtedness as set forth in the Resolution. Specifically, but without limitation, neither the City nor Authority shall be liable for any costs, liabilities, actions, demands, or damages for failure of any representations, warranties or obligations hereunder. The Redeveloper releases the City and Authority from, agrees that neither the City nor Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, officers, appointed officials, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, including litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about the Project during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, whether or not related to the Project, or resulting

from or in any way connected with specified events, the Project, or in any way related to the enforcement of this Redevelopment Contract or any other cause pertaining to the Project.
