# Council Agenda Memo

**From:** Brenda Sutherland, Human Resources Director

**Meeting:** August 20, 2013

**Subject:** Approval of Labor Agreement with Fraternal Order of Police #24

**Item #'s:** I-2

**Presenter(s):** Brenda Sutherland, Human Resources Director

## Background

Police Officers and Police Sergeants employed in the Police Department currently work under the conditions outlined in the labor agreement between the City of Grand Island and the Fraternal Order of Police, Lodge 24. This group is more commonly referred to as the FOP. The current labor agreement will expire as of midnight September 30, 2013. The City's negotiating team and the FOP's negotiating team met to negotiate the terms of a new agreement. The negotiations were handled in good faith with both parties focused on a fair contract.

## Discussion

The proposed labor agreement will begin October 1, 2013 and run through September 30, 2016. As the City has been designated an MSA a new array was used to negotiate this contract. The majority of the agreement remains unchanged from the current labor agreement. The proposed changes are as follows:

The training and special events bank will be reduced from 50 hours to 30 hours and will specify the events that qualify. Those events are defensive tactics training, firearms qualifications, Harvest of Harmony, and the Nebraska State Fair. The next change is the vacation accrual. The accruals will increase by 16 hours at the entry level and as much as 42 hours at the top level. Increases are present throughout the six accrual levels and are shown in the agreement. Next, the maximum accrual for medical leave will increase from 1080 hours to 1280 hours and officers who work other than an eight hour shift will be able to use medical leave to supplement bereavement leave to cover three days' worth of shift time if needed. Call in pay will be compensated at time and one half. The language concerning health and dental benefits will be the same as the other labor agreements at the City. Under the uniform allowance there will be a replacement cost for

eyeglasses/contacts of up to \$200 and watches of up to \$100 if those items are damaged through the course of work. Field training officers will be compensated at the rate of an additional \$1 per hour while they are training a new officer.

The largest and probably most significant items in the agreement are the Articles that deal with rates of pay and the step plan. Over the course of the three year agreement wages for the position of police officer and sergeant will increase by 12.4% at bottom step and 23.2% at top step over the current wages. This increase will bring the wages for the two positions into comparability with the assumption that the market will increase over the same three year period. The wages should be fairly close to market at the next round of negotiations.

The wage increases in the agreement will be spread out over the three year period with an increase of 7% at the bottom and 8% at the top for both police officer and sergeant. In year two, there will be an adjustment to the scale of 2.5% across steps one through nine and a step will be added to the scale. In year three, there will be an adjustment of another 2.5% across steps one through ten and another step added.

9. A light duty policy will be maintained by the City to accommodate employees who have been injured in the work place to return to work as soon as possible. The commencement of light duty work and/or modified duty work shall be five (5) calendar days from the date of injury. Any changes in shifts to accommodate the light duty work shall be made in the interim. During the five (5) day period, between a date of injury and the beginning of light duty work and/or modified duty work, any employee who does not willingly return to light duty work, who is released by a doctor to do so, shall be required to take medical leave for any regularly scheduled shifts that are missed. If medical leave is unavailable to the employee, vacation leave may be used in lieu of medical leave. Day one shall constitute the date of injury, and day six shall be the day the employee begins light duty work.

If the employee continues to work full duty after the date of injury, the five (5) day notice shall begin on the date of the doctor appointment in which light duty work is recommended. Discipline may begin with the least severe disciplinary action and progress, if necessary, to more severe actions. However, the severity of the incident may warrant any level of initial disciplinary action.

## **ARTICLE XVIII GRIEVANCE PROCEDURE**

### **A. PROCEDURE**

An alleged grievance arising from an employee shall be handled in the following manner:

A grievance for the purpose of the agreement refers to a question of interpretation, application, and meaning of the terms of the labor agreement between the City and the F.O.P.

Employees shall raise and thoroughly discuss any matters of disagreement with their immediate supervisor in order to informally resolve as many matters as possible.

In reducing a grievance to writing, the following information must be stated with reasonable clearness:

The exact nature of the grievance, the act or acts of commission, the time and place of the act of commission or omission, the identity of the party or parties who claim to be aggrieved, the provisions of this agreement that are alleged to have been violated and the remedy which is sought.

In the event that satisfactory settlement is not or cannot be reached after the matter has been informally raised with the immediate supervisor, the following procedure shall be used in submission of a grievance.

1. **First Step** – Any employee who believes that he/she has a justifiable request or grievance shall discuss the request or complaint within five (5) calendar days with the Captain, with or without the F.O.P. representative being present, as the employee may elect, in an attempt to settle the same. If a grievance or request has not been satisfactorily resolved in Step One, it may be presented in writing and proceed to Step Two only if the F.O.P. representative determines that it constitutes a meritorious grievance. A grievance to be considered beyond Step One must be filed in writing with the Police Chief on the form provided by the City.
2. **Second Step** – The Police Chief shall consider the grievance and notify the employee in writing within seven (7) calendar days after receipt of the grievance.
3. **Third Step** – If the grievance is not settled to the satisfaction of the employee, the employee or employee's representative shall present it in writing to the Mayor of the City or the Mayor's designated representative within seven (7) calendar days after the decision of the Police Chief. The Mayor or designated representative shall notify the employee of the decision made and of any action taken within ten (10) calendar days after receipt of the grievance.
4. **Fourth Step** – If the grievance is not settled to the satisfaction of the employee, he/she may appeal, within ten (10) days after receipt of the City's decision to a court of competent jurisdiction.

The grievant may use vacation leave to prepare or present the case. Nothing in this agreement shall prevent the grievant from including in his or her petition a prayer for remuneration for time expended in the preparation, trial, or other time lost relating to grievance under consideration.

## **B. GENERAL CONDITIONS**

All grievances shall be presented by the employee in person. The employee shall not be paid for any time used to present a grievance. An employee must obtain the permission of the immediate supervisor before leaving the job to present a grievance. (None of the above precludes the possibility of meetings at any step of the grievance procedure among the parties involved to discuss the issues and to attempt to settle them at that step). Nothing in the foregoing provisions shall be construed to apply to the extent, if any, that such provisions

may become in conflict with a duly enacted statute of the state or a decision of the court of competent jurisdiction.

The time limits provided in this Article shall be strictly construed and the failure of any moving party to meet the time limits listed in this Article relative to the processing of the grievance shall constitute an unconditional acceptance of the remedy promulgated at the last step, or constitute a rescission of the act giving rise to the grievance, whichever is appropriate.
