Peters mentioned that this agreement is the standard Department of Roads agreement that they use for MPOs. It will be signed by Mayor Vavricek and Mike Owes, Planning & Project Development Engineer for the State of Nebraska Department of Roads.

The GIAMPO agreement is unique to us however, as it includes our UPWP which was approved at the June 25, 2013 meeting.

Nabity also presented Resolution 2013-01 which was prepared by Nabity and Stoltenberg.

Peters mentioned that the PL is the document that will allow for the State to begin distributing money to the GIAMPO. PL funds are required to be spent on planning activities. NDOR has also awarded funding to be used for startup costs associated with the formation of an MPO in addition to the PL Funds.

Motion by Minton to approve Resolution 2013-01. Seconded by Purdy. The motion was unanimously approved with the following Roll Call vote: Vavricek, Minton, Hehnke, McFarland, Purdy and Peters voted in favor of the motion. No one voted against the motion or abstained from the vote.

MPO funds became available to our GIAMPO July 1, 2013. City staff will begin the process of expense reimbursement.
