Council Session

Item E-3

Public Hearing on Request from Central Nebraska Transload I, LLC, 4331 Juergen Road for a Conditional Use Permit for a Chemical/Hazardous Material Transload (Rail Car to Truck) Facility located at 1213-1215 & 1221 East Hwy 30

Staff Contact: Craig Lewis

Council Agenda Memo

From: Craig A. Lewis, Building Department Director

Meeting: March 11, 2014

Subject: Conditional Use Permit for Temporary Use as Chemical Warehouse and Distribution Facility at 1213-1215 & 1221 East Highway #30

Item #'s: E-3 & H-2

Presenter(s): Craig Lewis, Building Department Director

Background

This is a request of Central Nebraska Transload I, LLC to allow for the approval of a three year temporary use for a chemical warehouse and distribution facility. The property is currently zoned M-2 Heavy Manufacturing. The zoning classification requires chemicals, industrial, nonhazardous, wholesale uses to come before the City Council and receive approval in the form of a conditional use permit. The City Code does provide for City Council approval of temporary uses, not to exceed two years in undeveloped areas and six months in developed areas.

Discussion

The City Code does identify temporary uses as an authorized conditional use and also list as a conditional use chemical wholesale facilities. This request is to warehouse chemicals in railcar tankers on site and then transfer the chemical to truck tankers for distribution to customers. Two to four railcar tankers of Sodium Hydroxide and three to six railcar tankers of Sulfuric Acid per month is proposed to be stored and trans loaded. The Fire department has reviewed this proposal and would recommend approval with the conditions that the operations and storage comply with the requirements of Fire codes and NFPA life safety codes.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Approve the request with the proposed conditions, finding that the proposed application is and will continue to be in conformance with the purpose of the zoning regulations.
2. Disapprove or /Deny the request, finding that the proposed application does not conform to the purpose of the zoning regulations.
3. Approve the request with additional or revised conditions and a finding of fact.
4. Refer the matter to a special committee for a determination of a finding of fact.

Recommendation

Approve the request if all conditions are met as presented by City Administration and if the City Council finds that the proposed use and application promotes the health, safety, and general welfare of the community, protects property against blight and depreciation, and is generally harmonious with the surrounding neighborhood.

Sample Motion

Move to approve the conditional use with the conditions identified by the City Administration, published in the Council packet and presented at the Council meeting, finding that the application conforms with the purpose of the zoning regulations.

Non-Refundable Fee: \$1,000.00
