Item F-1

#9482 - Consideration of Creation of Sanitary Sewer District No. 532; Westwood Park Subdivision (Second and Final Readings)

Staff Contact: John Collins PE - Public Works Director

Council Agenda Memo

From: Terry Brown, Assistant Public Works Director

Meeting: April 22, 2014

Subject: Consideration of Creation of Sanitary Sewer District No. 532; Westwood Park Subdivision

Item #'s: F-1

Presenter(s): John Collins, Public Works Director

Background

Council action is needed to create a sanitary sewer district. The boundary for the proposed district was selected in order to serve the remainder of the Westwood Park Subdivision (see attached sketch). A petition for sanitary sewer with the above district was circulated in the area and signed by 26 residents.

This same boundary was used for Sanitary Sewer District No. 529 in August 2012, however the lowest bid received at that time was 65% above the engineer's estimate.

Discussion

If the district is created, a notice will be mailed to all affected property owners, a 30-day protest period allowed and an open house meeting held to review the project with property owners. The Public Works Department recommends that the assessments for the district be spread equally across the lots in the district.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the creation of Sanitary Sewer District No. 532. A ten (10) year assessment period is recommended.

Sample Motion

Move to approve the ordinance.
