Planning for Today and Tomorrow

City of Grand Island
5,000 Foot View

GENERAL FUND

7-15-14

Goal

Financial sustainability of City policies and services to best serve the people of Grand Island.

Council Retreat January 22, 2011

Purpose of the Budget

- Meet service expectations based on prioritization
- Identify the financial needs for the next 12 months
- Lay the groundwork for long-term financial sustainability

The Budget is driven by prioritization, backed by citizen awareness and approved by Council.

2015 Budget Summary

Existing revenue sources and current levels of taxation enable the City to:

- Continue the funding of ICMA public safety recommendations
- Maintain existing or improved levels of service to the community
- Meet State statute regarding employee wage and salary increases
- Address necessary infrastructure maintenance, improvements and construction with a \$9.5 million capital program

all while maintaining

A strong financial position with adequate cash reserves to function through a three month financial disaster
