
City of Grand Island

Item -1

Election of City Council President

The City Council is required to elect one Councilmember to the office of Council President. The term is for a one-year period. The Council President automatically assumes the duties of the Mayor in the event that the Mayor is absent or otherwise unable to fulfill his duties. Nebraska law allows the election of the Council President to be by secret ballot. The total number of votes for each candidate; however, must be stated and recorded in the Minutes. Past practice has included a run-off election between the top two nominees, if necessary. The City Clerk will prepare, distribute, and count ballots. Nominations to fill the vacancy are in order. A second to the motion is not required on nominations.
