## Item E4

### **Public Hearing on Acquisition of Utility Easement - Robert K. and Judith K. Poland**

*Acquisition of utility easement relative to the property of Robert K. and Judith K. Poland, located in Section 23-11-9, north of Stolley Park Road and approximately 1/4 mile east of Stuhr Road, is required in order to have access to install, upgrade, maintain, and repair power appurtenances. This easement will be used for an overhead distribution line originally constructed over 20 years ago. A termination pole had to be moved. To make sure the pole remained in the easement, an investigation of the property documents was completed. This revealed that no easement existed. This easement document will correct that situation and allows for the relocation of the termination pole. It is appropriate to solicit public comment. The action item is contained under the Consent Agenda.*
