Item G27

#2001-314 Approving Employee Handbook

The Council has been reviewing the proposed Employee Handbook for employees of the City of Grand Island. During this process, we have discussed changes from the current Personnel Rules. There is one addition in this final copy on page 24 of the Handbook. It falls under the heading of PAID HOLIDAYS. It states that the Mayor may designate such special holidays as circumstances merit. This was added to accommodate a situation such as we have this year with Christmas. If this is acceptable to the Council, I feel that as a group we have reached consensus on the final draft and would recommend passage at this time. In addition to the Employee Handbook, it is also recommended that the City Personnel Department be renamed the Human Resources Department and the positions therein renamed accordingly. Thanks to all of you for the time and attention that you have given this project.

DISCIPLINE AND APPEAL PROCEDURE

A. General Statement

It is the policy of the City of Grand Island to provide a system of progressive discipline, which affords an opportunity for the resolution of unsatisfactory employee performance or conduct. Except in the case of a written reprimand I and reprimand II, such system shall include an appeal procedure to assure the equitable and consistent application of discipline.

Discipline may begin with the least severe, appropriate disciplinary action and progress, if necessary, to more severe actions. The severity of the incident may warrant any level of initial disciplinary action, so as to be appropriate for the offense.

B. Progressive Discipline

Progressive discipline is the successive application of increasingly severe disciplinary actions. These actions, in order of severity, are written reprimand I, written reprimand II, suspension, suspension and demotion, and discharge.

C. Written Reprimand I

A written reprimand I must be imposed by the employee's immediate supervisor for minor violations or incidents. The reprimand must inform the employee of the violation or incident, the required correction action, and the consequences of a reoccurrence of the violation or incident.

A copy of the written reprimand I must be delivered to the employee and the Human Resources Department by the immediate supervisor. The immediate supervisor must retain a copy of the written reprimand I in departmental records. A written reprimand I shall be placed in the employee's personnel file.

D. Written Reprimand II

A written reprimand II may be imposed by a Department Director, the City Administrator or the Mayor for repeated minor violations or incidents, or for a violation or incident of a more serious nature. The written reprimand II must inform the employee of the violation or incident, the required corrective action, and the consequences of a reoccurrence of the violation or incident. Copies of the written reprimand II must be delivered to the employee and the Personnel Department for placement in the employee's personnel file.

E. Suspension and Demotion

A suspension is a period of time where the employee is removed from the workplace without pay. Suspension is normally imposed for a disciplinary or dischargable offense or for an employee's failure to take corrective action in response to a written reprimand I or II. A suspension may be imposed as initial discipline for a violation or incident of a serious nature.

A demotion is a change in status to a position subordinate to that held by an employee prior to imposition of discipline and may be imposed by the Department Director, the City Administrator or Mayor in conjunction with a suspension for a violation or incident of a serious nature.

For non-exempt employees under the Fair Labor Standards Act (FLSA), a suspension, not to exceed five working days, may be imposed by the Department Director, the City Administrator or the Mayor. For exempt employees under the FLSA, any suspension must be for a period of at least one workweek.

Prior to imposition of suspension and/or demotion as a disciplinary action, a written notice of suspension and/or demotion shall be prepared, and signed by the Department Director, the City Administrator, or the Mayor. The notice of suspension and/or demotion must inform the employee of the following:

- (a) A statement of the violation(s) or incident(s)
- (b) A brief explanation of the evidence underlying the violation(s) or incident(s)
- (c) The discipline to be imposed
- (d) Any required corrective action by the employee
- (e) The consequences of a reoccurrence of the violations(s) or incident(s)
- (f) The employee's right to request an appeal hearing before the Mayor

A copy of the notice of suspension and/or demotion shall be delivered to the employee, either personally or by delivery to the employee's last known place of residence, at least seventy-two (72) hours, excluding Saturday, Sunday and Holidays, prior to imposition of the disciplinary action. At the discretion of the person issuing the notice of suspension and/or demotion, the employee may be suspended with pay immediately upon delivery of the notice pending implementation of the disciplinary action. A copy of the notice of suspension and/or demotion must be delivered to the Personnel Department for placement in the employee's personnel file.

A proposed suspension (and demotion) may be appealed pursuant to the procedure set out hereafter.

F. Discharge

A discharge may be imposed by the Mayor for an employee's failure to correct their workplace conduct in response to a suspension. A discharge may also be imposed as initial discipline for a violation or incident of a serious nature.

Prior to imposition of discharge as a disciplinary action, a written notice of discharge shall be prepared, and signed by the Department Director, the City Administrator, or the Mayor. The notice of discharge must inform the employee of the following:

- (a) A statement of the violation(s) or incident(s)
- (b) A brief explanation of the evidence underlying the violation(s) or incident(s)
- (c) A statement that discharge is to be imposed
- (d) The employee's right to request an appeal hearing before the Mayor

A copy of the notice of discharge shall be delivered to the employee, either personally or by delivery to the employee's last known place of residence, at least seventy-two (72) hours, excluding Saturday, Sunday and Holidays, prior to imposition of the disciplinary action. The employee shall be suspended with pay immediately upon delivery of the notice of discharge pending implementation of the disciplinary action or a final determination by the Mayor on the proposed disciplinary action following an appeal hearing. A copy of the notice of discharge must be delivered to the Human Resources Department for placement in the employee's personal file.

A proposed discharge may be appealed pursuant to the procedures set out hereafter.

G. Appeal Procedure

A regular status, non-introductory employee may appeal a suspension, a suspension and demotion, or a discharge in accordance with the following procedure:

- a. Following delivery of a notice of suspension (and demotion), or notice of discharge, the employee shall have seventy-two (72) hours, excluding Saturday, Sunday and Holidays, to request an appeal hearing before the Mayor. Such request shall be in writing and delivered to the office of the Mayor at City Hall.
- b. Upon receipt of a request for an appeal hearing, the Mayor shall within five (5) working days cause to be set a time and place for the appeal hearing and written notification thereof shall be provided to the employee, the Human Resources Director and City Attorney. The appeal hearing shall be held within fifteen (15) working days after receipt of the request for hearing. The appeal hearing shall be conducted informally and recorded electronically.

- c. At the hearing, the City Attorney, Department Director and/or City Administrator shall present oral or written statements, reports and documents supporting the disciplinary action.
- d. The accused employee, the employee's representative and attorney, or other person on the employee's behalf, may present oral or written statements, reports and documents in response to the proposed disciplinary action.
- e. Each side shall be limited to a total time for making their respective presentations of one (1) hour or less. The Mayor upon good cause shown may extend the time for presentation.
- f. Upon conclusion of the appeal hearing, the Mayor shall make a determination in writing to dismiss, modify, or impose the proposed disciplinary action. The proceedings before the Mayor at the appeal hearing shall constitute the sole basis on which the Mayor's determination shall be based. Modification may include any lesser disciplinary action than that which was proposed, including written reprimand II, reduction in pay, demotion, or change in the terms of suspension and/or demotion and may provide for a period of probation, counseling, treatment, or other corrective actions on the part of the employee.

A copy of the Mayor's written determination shall be delivered to the employee, either personally or by delivery to the employee's last known place of residence. A copy of the Mayor's written determination shall be delivered to the City Administrator, City Attorney, and the Human Resources Director. The Human Resources Department shall place a copy of the Mayor's written determination in the employee's personnel file.

Should the employee be dissatisfied with the Mayor's determination, the employee may appeal to the District Court of Hall County, Nebraska, in accordance with the procedures provided by the statutes of the State of Nebraska. The filing of a petition in error by the employee or the service of summons upon the City shall not stay enforcement of a disciplinary action. The City may do so voluntarily, or the City may comply with such stay as is ordered by the District Court of Hall County.

EMPLOYEE GRIEVANCES

The following will be the grievance procedure for employees of the City Of Grand Island, except those that are members of a recognized bargaining unit. Members of bargaining units shall use the grievance procedures provided in their respective labor agreements.

Each person may present a grievance to their immediate supervisor who will respond in writing within 5 working days. Written notification of this grievance will be forwarded to the Human Resources Director, Department Director and City Administrator.

If the person is not satisfied with the decision of their immediate supervisor, they may present the grievance to the Department Director who will notify the Human Resources Director and City Administrator. The Department Director will, with the advice and consent of the City Administrator, respond in writing within 5 working days.

In the event that the person is not satisfied with the decision of the Department Director, they may notify the Human Resources Director in writing within 5 working days. The Personnel Director will investigate the grievance and forward the results to the grievant, the City Administrator, and the Mayor. The Mayor may conduct a review of the record and notify the grievant of the Mayor's decision.

The following are the prerogative of management and are not subject to the grievance process. Except where limited by provisions elsewhere in these rules, nothing in the rules shall be construed to restrict, limit, or impair the rights, powers, and the authority of the City as granted to it under the laws of the State of Nebraska, and City ordinances. These rights powers and authority include, but are not limited to the following:

- Discipline or discharge for just cause arising under the City Personnel Rules.
- Direct the work force.
- Hire, assign, or transfer employees.
- Determine the mission of the City.
- Determine the methods, means, number of personnel needed to carry out the City's mission.

RESIGNATIONS, RETIREMENT AND LAYOFFS

RESIGNATIONS: To resign in good standing, an employee must give the Department Director written notice at least 14 calendar days prior to termination, unless the Department Director agrees to permit a shorter period.

RETIREMENT: An employee may, but is not required to, retire on the first day of the month following his or her 65th birthday. Uniformed members of the Police and Fire Divisions shall be retired in accordance with the provisions of State statutes covering retirement of these classifications.

Retired employees, except police officers and firefighters, shall, when eligible, receive a pension as provided for in City Ordinance No. 4244 as amended. Police officers and firefighters, when eligible, shall receive a pension as provided for by State statutes.

The Mayor may, at his or her discretion, grant an early retirement option under the general employee pension plan upon the request of an employee. The employee must be at least 55 years of age and must have at least ten years of participation in the employee pension plan.

REDUCTION IN FORCE: Whenever it is determined to be in the best interest of the City to reduce its workforce, the Director of the affected department will submit a recommendation to the Mayor and City Administrator for the implementation of the reduction.

Factors that will be taken into consideration shall include, but are not limited to:

- The employment policies and staffing needs of the department, together with contracts, ordinances, and statutes related thereto;
- Required federal, state, or local certifications or licenses;
- Seniority;
- The performance appraisal of the employees affected, including any recent or pending disciplinary actions;
- The knowledge, skills and abilities of the employee;
- The multiple job skills recently or currently being performed by the employee;

Upon the receipt of the Director's recommendations, a determination will be made as to the classifications to be affected by a reduction in force and the number of employees to be laid off. A determination as to whether any employees within a job classification should be exempted from consideration due to the existence of a required federal, state, or local certification or license will also be made at this time.

In considering which of the employees within a job classification are to be laid off, the Mayor and City Administrator will determine the length of continuous employment within the department of each employee in the job classification. If an employee has 10 or more years of seniority over the next considered employee, then seniority will be the primary factor for determining layoff. If there is less than 10 years difference in seniority, then the primary factors to be considered will be; performance appraisals, pending or recent disciplinary actions, knowledge, skills and abilities, and multiple job skills that are currently being performed by the employee.

RECALL: Employees laid off under this reduction in force policy shall be eligible for recall for a period of 2 years after layoff. If, within 2 years after layoff, a new position is opened within the reduced job classification for the department, the employee shall be recalled in the reverse order of layoff. After 2 years, the employee will have no preference for rehire.

SEVERENCE PAY: Employees with 5 or more years of continuous employment with the City whose employment is terminated by a reduction in force will be entitled to severance pay equal to one month's pay. Employees who retire or are terminated through disciplinary action will not receive severance pay. The Mayor may grant severance pay in resignation cases when deemed appropriate.

The Mayor may grant severance pay greater than one month's pay upon a determination that such action is in the best interest of the City.

USE OF CITY PROPERTY AND EQUIPMENT

Property and equipment that is provided by the City to carry out the duties of day to day business is to be used in the way that it is intended. Personal use of City property and equipment including computers and Internet service is prohibited. While it is sometimes necessary to use the phone for personal calls, this use should be limited.

POLITICAL ACTIVITY

City employees may not interfere or use the influence of their office for political reasons. They shall not participate in any political activity during normal working hours or when otherwise engaged in the performance of official duties. No employee shall engage in any political activity while wearing a uniform required

by the City. An employee may not represent themselves as an employee of the City while being involved in an outside political activity.

Employees in certain departments will be additionally restricted due to funding of that department through state and federal funds. Employees are urged to contact their Department Director to determine the degree of political involvement allowed. Employees may not be dismissed or disciplined because they refuse to make a contribution to a political organization.

EMPLOYEE ORGANIZATIONS

City employees have the right to choose whether they wish to belong to employee organizations. No employee may be reprimanded, threatened, or discriminated against because the employee elects to join or refrain from belonging to an employee organization.

SAFETY AND RISK MANAGEMENT

It is the goal of the City of Grand Island to provide a safe and healthful workplace for all employees. The city's policy is aimed at minimizing exposure of our employees and visitors to our facilities to health or safety risks.

In order to accomplish this, each employee is expected to obey safety rules and to exercise caution in all work activities. Employees must immediately report any unsafe condition to their supervisor. Employees that violate safety standards, who cause hazardous or dangerous situations, or who fail to report or, where appropriate, remedy such situations, may be subject to disciplinary action, up to and including termination of employment.

In the case of accidents that result in injury, regardless of how insignificant the injury may appear, employees should immediately notify their supervisor. Such reports are necessary to comply with laws and initiate worker's compensation benefits.

The City has safety committees comprised of employees and management to help ensure a safe and healthful workplace. In addition to departmental safety committees, the City shall maintain a Risk Management Committee that is comprised of members that represent and act as liaisons between the different departments of the City. This committee is responsible for the coordination of all citywide safety activities, analysis of citywide accident trends, and recommending procedures that may improve safety in the departments.

WORKER'S COMPENSATION

The City Of Grand Island will comply fully with the Worker's Compensation Program that has been established under State statute.

When accidents occur at work, they must be reported immediately to the supervisor and the appropriate paperwork filled out at that time and sent in to the office. A supervisor must have prior knowledge and approve a doctor's visit. A doctor's report may be required to substantiate the injury.

RESIDENCY

All Emergency Management employees are required to reside within the two mile zoning jurisdiction of the City of Grand Island. All Department Directors are required to reside within ten miles of the zoning jurisdiction and all Utilities Department employees are required to reside within the residency boundaries of the department.

Employees that drive City vehicles home and senior management personnel need to check their department's S.O.P.'s in reference to residency requirements.

Employees will establish residency within six months after the calendar day of the start of employment and will maintain residency during the term of employment. For purposes of these Personnel Rules, residency will mean the employee's domicile.

EMPLOYMENT OF RELATIVES

Regular status employees who are members of the same family are eligible for City employment provided that they are not in the same supervisory chain of command. They may, however, be employed in different divisions of the same department or in different departments. For purposes of defining this policy, family members shall include; spouse, children, stepchildren, parents, siblings, and in-laws of the same relation. Employees must notify the City if they are in violation of this policy. If the City cannot accommodate a transfer request and one of the employees affected does not voluntarily resign to correct the violation, the employee with the least amount of seniority with the City will be asked to resign or be terminated.

OUTSIDE EMPLOYMENT

Employees may hold other employment outside of City employment with prior approval from their Director as long as it does not interfere with the duties of the City job and does not conflict with the interests of the City.

DRESS CODE

Employees of the City are required to dress in a manner that would be considered professional attire. Employees that work in departments with uniforms are required to dress in the approved uniform. For those that work in the offices, professional attire is appropriate. As long as the City continues to recognize Fridays as "Casual for Cause" days, the dress code for that day shall be casual. Whether it is a casual day or a regular workday, employees are expected to be clean and well groomed. If a supervisor feels that someone is not dressed appropriately for work, they may be asked to go home and return properly attired. If asked to do this it will be on the employee's own time which will not be counted as hours worked.

POSITION CLASSIFICATION

The Personnel Department will be responsible for the maintenance of a classification plan based on an analysis of duties of each position in the City. Written specifications, also known as job descriptions, will be approved by the City Administrator. Each description will define the class, summarize the duties to be performed and, establish the minimum standards of experience and qualifications required for appointment. Duties described in the job description may not be all-inclusive and do not restrict the assignment of other duties.

Each Department Director is responsible for the assignment of duties, location of work, tools and equipment furnished, work schedule, and working conditions. Directors may request a classification review of any position in his or her department at any time.

An employee may request a classification review of his or her own position at any time, provided the position has not been reviewed within the last 6 months. Such requests will be submitted to the Human Resources Director in writing through the Department Director.

EMPLOYMENT CATAGORIES

Each employee is employed in a classification that is considered either "exempt" or "non-exempt". Non-exempt employees are entitled to overtime pay under the Fair Labor Standards Act for hours worked over 40 in the same workweek. Exempt employees are not entitled to such overtime pay. In addition to these distinctions, each employee will also fall into one of the following employment categories:

TEMPORARY/SEASONAL employees are those who are hired as interim replacements or seasonal help to temporarily supplement the work force, or to assist in the completion of a specific project. Employment assignments in this category are of a limited duration. Employment beyond any initially stated period does not in any way imply a change in employment status. While temporary employees receive all legally mandated benefits, such as worker's compensation and social security, they are not eligible for any other benefit programs offered by the City of Grand Island.

REGULAR PART-TIME employees are those that work less than 40 hours per week and are not seasonal/temporary or in their introductory period. Employees that work 30 hours per week or more are eligible for single coverage health insurance benefits. Employees that work less than 30 hours per week will not be eligible to take part in the City's health plan. Benefits for regular part-time employees, who work at least 30 hours per week, are prorated based on their average hours of work during the year.

REGULAR FULL-TIME employees are those who are not in a temporary, introductory, or part-time status and who are regularly scheduled to work a full-time schedule with the City. These employees are eligible for the City's benefits program.

INTRODUCTORY PERIOD

All employees, other than temporary/seasonal, shall normally serve an introductory period as determined by the department that shall not be less than six months. The introductory period is an essential part of the employment selection process. It gives the City and the employee the opportunity to make sure the job is a good fit. An employee's performance that does not meet required standards may be terminated without recourse within the introductory period. When it is determined that the services of the employee have not been acceptable, the Department Director shall notify the employee in writing of the date that the termination will be in effect. A performance report, together with a copy of the termination, shall be forwarded to the Human Resources Department and City Administrator for approval.

A newly hired employee will accrue vacation during the introductory period, but it will not be considered "earned" until the introductory period is successfully completed. An employee that leaves the City's employ during the introductory period will not be compensated for the accrued vacation.

A performance evaluation and change of status form that requests that they be removed from the introductory status will signify successful completion of the introductory period. The Department Director may extend the introductory period upon written notification to the employee and the Human Resources Director.

While serving the introductory period, an employee may be appointed or promoted to a position in a different class. When this occurs, the employee will begin a new introductory period for the position to which he or she has been appointed or promoted to. The same is true for employees that request reassignment into a different position.

An employee may also serve additional introductory periods in the case of a promotion. When promoted, an employee will serve an introductory period that resembles that required for the original appointment.

REGULAR STATUS

Once an employee successfully completes their introductory period, the employee is then appointed to regular status.

An employee that is hired in Step A or B shall be eligible for a step increase upon successful completion of the introductory period. Any employee hired in a step higher than B shall not be eligible for a step increase until the completion of one year of employment with the City.

Upon appointment to regular status, an employee will receive the following vacation time:

1. Upon completion of the six month introductory period – 5 days
2. Upon completion of a one year period – an additional 5 days

Regular status employees will then begin accruing vacation leave and be eligible to use accrued vacation at the rate established by these rules.

COMPENSATION AND BENEFITS

HOURS OF WORK

The 40-hour workweek shall be the standard workweek unless otherwise provided. All employees may be required to work over 40 hours per week. Employees in non-exempt classifications shall be compensated at a rate of time and one half of their regular rate of pay for all hours worked over 40 in the work week. Exempt employees are not eligible for overtime for hours worked in excess of 40 during the workweek. For purposes of calculating overtime, hours worked shall include actual hours worked, vacation and holidays.

Department Directors may establish work periods and hours of work, which differ from the standard to meet special department needs or workloads, with the approval of the City Administrator.

COMPENSATORY TIME: Compensatory time may be taken in lieu of time and half pay for overtime worked if approved by the Department Director. Each hour of overtime worked will be credited at one and one-half hours of time that can be taken off at a later date. The use of Compensatory time must be permitted by the Department rules and meet the Departments needs. These hours need to be recorded in the payroll system at the time of accrual and use.

When allowed by the Department Director, an employee may accrue no more than 60 hours of compensatory time. Any exceptions to this provision must have the written authorization of the Human Resources Director.

LUNCH PERIODS: Lunch periods may be established in one-hour or one half-hour increments. In the event that the employee is required to work through the lunch period or have lunch at their desk, the time will be added to the hours worked for the day.

REST PERIODS: Rest periods, more commonly referred to as "breaks" may be taken in 15 minute increments during each one-half workday when possible. No more than one break per half workday is permitted. Employees are encouraged to take breaks when the work load allows, but may not save up break time to use in larger increments than 15 minutes or to leave work early. Break time is to be used in the spirit in which is intended for and abuse of rest periods may be cause for disciplinary action.

PAY SCHEDULES: The City Human Resources Department in conjunction with the Finance Department will maintain pay schedules for approved classifications as prescribed by City Ordinance. The City may revise the pay schedule when changes in classes, availability of labor supply, prevailing rates of pay/comparability or economic conditions so dictate. The new pay schedules will become effective upon the effective date of the ordinance that has been approved by the Mayor and City Council.

All new employees will normally be hired at Step A of the pay grade of their position. However, due to extenuating circumstances, an employee may be hired at a higher step with the written approval of the City Administrator. Any employee, who starts in Steps A or B and successfully completes their introductory period, may move to the next Step after 6 months of service. Once an employee reaches Step C and above, they will remain in each Step for at least 1 year with their performance to be evaluated on the anniversary of the change of status. Following is an example:

Step A	Entry level
Step B	Upon successful completion of the introductory period, not less than 6 months.
Step C	Upon 6 months of service in Step B or successful completion of the introductory period.
Steps D-H	Upon the annual anniversary of the change of status with a satisfactory evaluation.

Prior to advancing in a step or grade, employees will be evaluated on their performance at least annually. An employee must receive satisfactory performance ratings in order to receive an increase in pay, other than a cost-of-living increase.

An employee receiving the highest possible rating in all categories may be considered for more than a one-step increase when recommended by the Department Director and approved by the City Human Resources Director and City Administrator.

PROMOTIONS: An employee who is promoted will be placed in the lowest step of his or her new pay grade that will permit an increase of at least 3%. After successfully completing the six-month introductory period in their

new position, they may be reviewed by their Department Director for a step increase at this time.

DEMOTIONS: The pay of any employee who is demoted will be on the same step of the pay grade for the job classification to which the employee is being demoted. The City Administrator may at his or her discretion place the demoted employee on a step of the new pay grade that will ensure that the pay of the demoted employee has been reduced.

PAY PERIODS: All employees will be paid biweekly. The pay period may be larger or smaller than two weeks. The Finance Director may, at his or her own discretion, because of a holiday or other unforeseen incidents, change the day on which paychecks will be issued. Direct deposit is strongly encouraged for all City employees.

The following types of leave are established and shall apply to all employees covered by these rules and regulations:

Non-exempt regular full-time and part-time employees who are required to work on a holiday will be granted overtime pay for the time period worked. Regular part-time employees, who work an average of at least 30 hours per week, will be eligible for paid holidays on a prorated basis.

Temporary/Seasonal employees are not eligible for paid holidays, and if required to work on a holiday will be paid for the time worked at their normal rate of pay.

If a holiday occurs while an employee is on Worker's Compensation or other disability compensation, no credit for the holiday will be allowed. In order to receive pay for an observed holiday, an employee must not have been absent without pay on the workday immediately preceding or immediately following the holiday unless excused by his or her supervisor.

Employees in classifications that do not provide for overtime pay (exempt) shall receive annually a paid holiday to be known as a Convenience Day. The employee's supervisor must approve the date selected.

VACATION LEAVE

All regular status full-time employees are eligible to take vacation leave as it is earned and will accrue vacation leave in bi-weekly increments in the following manner:

Years 1 through 4	10 working days
Years 5 through 6	15 working days
Years 7 through 8	16 working days

Year 25 and beyond	22 working days

Regular part-time status employees will accrue vacation at a prorated amount based on the average hours worked.

Temporary/seasonal employees are not eligible for paid vacations.

Directors will make every effort to grant requested vacation time, however, it must be approved in advance, and will be granted on the basis of work requirements of the department. Seniority will be considered when scheduling vacations within the department.

Each employee will take a period of vacation that allows him or her to be away from the workplace for a minimum of five consecutive days which may include weekends, holidays and vacation. Holidays, which occur during an employee's vacation, do not count as vacation time.

Vacation leave must be used in not less than one-hour increments.

CARRY-OVER

Employees will be allowed to carry-over the maximum amount of vacation that they earn in one year, plus 80 hours. Current vacation time and carry-over time may be used during a single calendar year when authorized.

An employee who fails to use his or her vacation time through the employee's own decision loses all but the maximum carry-over amounts as mentioned above. The Human Resources Director and City Administrator may waive the provisions of this section in extreme circumstances for the good of the City.

TRANSFERS

When an employee transfers from one department to another in the City Personnel System, his or her vacation accrual will be transferred to the new department. Transfers made for the convenience of the employee will result in loss of preference in the scheduling of vacation time.

PAYMENT FOR VACATION TIME NOT TAKEN

Upon termination, regular status employees will be paid in cash for all unused accrued vacation. In the event of the death of a regular status

employee, payment will be made to the employee's beneficiary or estate for all unused accrued vacation time.

ADVANCE VACATION

The City Administrator may advance vacation leave to a regular status employee in an amount not to exceed that which the employee would earn during the calendar year. Employees who have been advanced vacation leave will reimburse the City for all used unearned vacation leave upon termination.

SICK LEAVE

Sick leave is defined as a period in which an employee is incapacitated for performance of his or her duties by sickness or injury. It may be a period when an employee is away from work because of medical, surgical, dental or optical appointments or treatment. An employee would qualify for sick leave in the event that his or her exposure to a contagious disease would jeopardize the health of others by being present at the workplace.

Another situation where an employee would qualify for sick leave is to care for an immediate family member that is ill or injured. For purposes of sick leave, "immediate family member" shall mean a child, spouse, parent and parents-in-law. "Child" shall include a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing "in loco parentis".

Sick leave may also be used to cover disabilities related to pregnancy.

ACCRUAL OF SICK LEAVE

Sick leave will be accrued at a rate of one working day per month for full-time regular status employees. Part-time regular status employees, who work at least 30 hours per week, will accrue sick leave based on their average hours of work.

RESTRICTIONS ON SICK LEAVE USE

Department Directors may grant sick leave with pay in accordance with the following provisions:

- Sick leave may not be granted in advance of accrual.
- Sick leave will be charged in one-hour increments.
- Sick leave may not be used as vacation leave.

- Introductory period employees will be entitled to sick leave at the same rate as regular status employees.
- Leave without pay may be granted for sickness and disability extending beyond earned balances in accordance with FMLA leave, if applicable.
- After six continuous months of service, vacation leave balances may be used for sick leave when sick leave balances have been exhausted.
- The amount of sick leave granted for necessary care of a sick member of an employee's immediate family may not exceed five consecutive workdays unless the Department Director grants more time because of unusual circumstances.
- In the event of the death of a member of an employee's immediate family, household, or a close friend, the employee may use sick leave balances to cover up to five working days. The Department may grant more time because of unusual circumstances.
- The amount of sick leave charged against an employee's accrual will be computed on the basis of the exact number of days or hours an employee is scheduled to work, not to exceed 8 hours, when leave is utilized.
- Holidays or other regular days off will not be counted in charging sick leave.
- Extended or planned sick leave needs to be requested in advance whenever possible, e.g., surgery, maternity leave, etc.
- Employees are encouraged to use personal leave for non-emergency dental, optical, and medical appointments and examinations. Sick leave may be denied for the same by the Department Director if personal leave balances are available for the employee's use.
- When an employee transfers within the City Personnel System, the employee's sick leave accrual will be transferred to the new assignment with the employee.
- Employees who are laid off and reinstated will have restored that portion of their unused sick leave accrual.
- The applicability of the Family and Medical Leave Act Policy must be determined at the time sick leave is requested.
- When an employee is unable to perform his or her duties due to an injury or sickness arising from the course of employment, any available leave may be used for the period of time that no compensation is allowed pursuant to

Section 48-119 of the Nebraska Revised Statutes, commonly known as Nebraska Worker's Compensation Law. If no leave is available, accident leave may be used for the period of time that no compensation is allowed under said law.

- All sick leave accrual will expire on the date of separation and no employee will be reimbursed for outstanding sick leave at the time of termination except as provided in these rules and regulations.

COMPENSATION FOR UNUSED SICK LEAVE

The City will include in the second paycheck in January of each year; payment for an employee's unused sick leave in excess of 960 hours accrued in the preceding calendar year. Employees will be compensated at the rate of one-half of their hourly rate of pay for each hour in excess of 960, based on the employee's current rate of pay at the time of compensation.

All employees, except those that are covered in the Police Department and Fire Department bargaining agreements, will be paid for one-half of their accumulated sick leave at the time of their retirement. The rate of compensation will be based on the employee's salary at the time of retirement.

Department Director's will be paid for one-half of their accumulated sick leave, not to exceed 30 days of pay, upon their resignation. The rate of compensation will be based on their salary at the time of termination. Compensation for unused sick leave will be the same as provided for all other employees above.

The death of an employee will be treated the same as retirement, and payment will be made to the employee's beneficiary or estate.

REPORTING OF ABSENCE ON SICK LEAVE

In the event that an employee is absent from work, for reasons that entitle the employee to use sick leave, the employee is responsible for notifying their supervisor at least 30 minutes prior to duty time. If the employee fails to notify their supervisor or the person designated to receive such calls, no sick leave will be approved, except in unusual circumstances to be determined by the Department Director.

Immediately upon return to work, the employee needs to submit an Absence Report form as provided in these rules.

INVESTIGATION OF USE OF SICK LEAVE

Department Directors may investigate the alleged illness of an employee absent on sick leave. False or fraudulent use of sick leave may be cause for disciplinary action and may result in termination.

MEDICAL STATEMENT

An employee who is absent on sick leave for more than three consecutive days because of an illness of their own or that of an immediate family member, will be required to furnish a statement signed by the attending physician or other proof of illness satisfactory to the Department Director before returning to work.

FUNERAL LEAVE

As mentioned earlier, upon the death of a member of the employee's immediate family or a close friend, an employee may be allowed leave for funeral purposes upon approval of the Department Director. This leave will be deducted from the employee's sick leave account.

COURT LEAVE

An employee who is required to serve as a witness or juror in a federal, state, county, police, or municipal court or as a litigant in a case resulting directly from the employee's work with the City, will be granted court leave with full pay to serve in that capacity.

An employee who is called to testify in other litigation that does not involve the employee's employment with the City, will not be granted court leave but may use vacation leave, compensatory time, or leave without pay.

An employee who is called as a witness or for jury duty will provide his or her supervisor with the original summons or subpoena from the court and at the conclusion of duty, a signed statement from the clerk of the court, or other evidence, showing actual time in attendance in court.

Fees received for jury service in a federal, state or county court will be deposited with the Finance Director upon the employee's receipt. This does not apply to funds received by employees who would not have been on duty with the City.

ADMINISTRATIVE LEAVE

Department Directors may grant administrative leave with pay for the following purposes:

- To participate in examinations, funerals and activities directly related to his or her work.

- To present grievances or appeals to a government official.

Department Directors may not grant administrative leave in excess of fifteen days. The Mayor must approve requests for leave in excess of fifteen days.

MILITARY LEAVE

The City will follow provisions relating to military leave as provided by Nebraska Statutes. Additional Active Duty Leave will be granted for members of the military when they have been called to active duty and the period as defined under State statute has expired. The eligible employee will receive pay for 2 additional pay periods, minus any hours that they are available to work during that period. Their health insurance benefits may remain in place at the same premium level for 3 additional calendar months at their request.

An employee will only be eligible to receive the additional Active Duty Leave one time during the course of a military action.

ACCIDENT LEAVE

Accident leave is provided by the City to allow a period of recovery from on-the-job accidents. Full pay and benefits will be provided for 150 calendar days, subject to the waiting provisions in Section 48-119 of the Nebraska Workers Compensation Law. Pursuant to that provision, no compensation will be allowed for the first seven calendar days after a disability begins unless that disability continues for six weeks or longer. When the disability lasts less than six weeks, employees may use any additional leave for the initial seven days and will be granted accident leave if no other leave is available.

Employees governed by the Civil Service Act of the State of Nebraska will be provided accident leave according to state statute.

Workers Compensation Benefits, that replace lost salary, are to be retained by the employee, and the City will supplement these benefits up to the full gross salary during the period of time that the employee continues to receive salary benefits under these rules.

Should the employee receiving accident leave pay collect from any other party for wages, he or she must reimburse the City for wages paid as accident leave to the extent wages are collected from any other party.

LEAVE OF ABSENCE

Department Directors may grant an employee a leave of absence without pay for a period not to exceed 30 days. The Mayor must approve a request for a leave of absence without pay in excess of 30 days.

Health/dental insurance benefits are provided to regular status full-time employees. This insurance covers the employee and the employee's spouse and children, when eligible. Regular status part-time employees that maintain an average of at least 30 hours of work per week are eligible for single coverage benefits only. The City maintains the right to require employees to pay a portion of the insurance premium cost.

Employees are eligible to participate in the program on the first of the month following completion of 60 days of employment. A copy of the current health benefit plan will be given to all eligible new employees in the orientation process and is available to all personnel who request it through the Human Resources Department.

Retired employees with at least 10 or more years of service and who have attained the age of 55 may retain health insurance coverage at their expense until they reach the age when they are eligible for Medicare.

PENSION PLAN

The City provides a pension plan that employees are eligible for immediately. Participation is mandatory upon first day of employment. Employees defer 6% (pre-tax) of their pay into the pension plan. The City matches the 6% contributed by the employee. Employees direct 100% of Employee and Employer contributions. The vesting schedule is as follows:

- 1 year = 60%
- 2 years = 70%
- 3 years = 80%
- 4 years = 90%
- 5 years = 100%

LONG TERM DISABILITY

The City provides its employees with long term disability coverage. Employees are eligible for coverage the first of the month following 60 days of continuous employment.

TUITION REIMBURSEMENT

Tuition reimbursement will be available, subject to the following restrictions, for the purpose of enhancing the knowledge and skills of employees to better perform their current duties.

Qualification Process – the Department Director based on the following considerations will make the determination of whether a request qualifies for the Tuition Reimbursement Program:

- Is there budget authority?
- Is the course job related?
- Is there supervisor approval?
- Is the employee requesting reimbursement eligible for other assistance programs?

Approval Process – To receive tuition reimbursement, the employee must submit a “Tuition Request Form”, which contains the qualification information listed above, as well as the employee’s financial request prior to beginning the course.

Reimbursement is limited to BASE TUITION ONLY. No reimbursement will be allowed for books or other fees. Tuition reimbursement is available only to regular full-time status employees. If the employee is eligible for other assistance programs, the City will provide secondary benefits only.

Tuition will be limited to the following in-state rates:

Two-year degree – Central Community College rates
Four-year degree – University of Nebraska at Kearney rates
Specialized or master’s Study – University of Nebraska at Kearney rates

Reimbursement Process – Any employee requesting tuition reimbursement will submit a grade report indicating the grade received for the class that was taken. Reimbursement will be as follows:

A or B – 100%
C – 80%

The Department Director will include the request for reimbursement in the next payroll period. Annual tuition reimbursement will be limited as follows:

Less than two years of service:	\$300.00
Two to five years of service:	\$600.00
Five to ten years of service:	\$2,000.00
Over ten years of service:	No limitations

BILINGUAL PAY

Employees who are proficient in an approved second language will be paid \$500 per calendar year, payable in the second check in November. In order for an employee to collect bilingual pay, the employee must be actively employed in

November. The Department Director will determine whether bilingual skills are needed based upon the interaction of the department with the public. If bilingual skills are needed, the Department Director will determine which languages are “approved” based upon the needs of the department as they relate to the demographics of Grand Island.

A test will be given by the Human Resources Department to test the proficiency of the employees in each approved language before an employee is eligible for bilingual pay. The bilingual test will measure, among other things, an employee’s conversational ability.

Bilingual pay will be prorated based on the employee’s average hours worked. An employee that is hired as an interpreter will not be eligible for bilingual pay.

CREDIT UNION

The City of Grand Island provides employees with the opportunity to join a credit union. The degree to which an employee participates by investing and borrowing is optional.

CLOTHING ALLOWANCE

Some departments require certain items of clothing as standard equipment. In those instances where a requirement has been imposed, the cost of said requirement will be either partially or fully paid by the City.

REIMBURSABLE BUSINESS TRAVEL EXPENSES

The City will follow the provisions of Ordinance 7978, as updated, commonly known as the “Miscellaneous Expenditures Act” in determining reimbursable expenses. When there is any conflict between this provision and Ordinance 7978, as amended, Ordinance 7978 shall supersede these provisions.

Authorized expenses may include:

- Registration costs, tuition costs, fees or charges.
- Mileage at the then current rate allowed by Section 81-1176 of the statutes of the State of Nebraska, or actual travel expenses if travel is by commercial or charter means.
- Meals and lodging at a rate not exceeding the applicable federal rate as set forth in the Joint Travel Regulations (JTR), unless a fully itemized claim is

submitted substantiating the costs actually incurred in excess of such rate and such additional expenses are expressly approved by the Mayor and City Council. A copy of the JTR is available through the Finance Department.

Authorized expenses shall not include expenditures for any incurred by a spouse unless the spouse is also an employee of the City and if the expenses incurred relate to the spouse's job.

FAMILY and MEDICAL LEAVE ACT POLICY

This policy establishes the rights and obligations of the City Of Grand Island and its employees with respect to leave necessary for medical care of employees and their families pursuant to the 1993 Family and Medical Leave Act more commonly referred to as FMLA.

An employee must be employed by the City for at least 12 months (the 12 months need not be consecutive) to be eligible to receive leave under this policy. Additionally, the employee must have worked at least 1,250 hours in the year preceding the date the employee seeks to start the leave.

Eligible employees are entitled to take up to 12 weeks of unpaid leave during a 12 month period for the following purposes: childbirth, adoption or placement of a foster child; or to care for a child, spouse, or parent with a serious health condition; or one's own serious health condition. A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a health care provider. The City will observe a rolling 12-month period for purposes of tracking leave.

Employees requesting leave due to the birth, adoption, or placement of a foster child are required to provide written notice at least 30 days prior to the date that leave is anticipated to begin or as is possible if the event would occur earlier than anticipated.

Employees requesting family leave related to the serious health condition of themselves or a child, spouse, or parent may be required to submit a health care provider's statement verifying the need for such leave, the beginning and ending dates, and the estimated time required. Failure to provide required certifications may result in the denial of the leave or request for leave on an intermittent basis.

When both spouses are employed by the City, they are jointly entitled to a combined total of 12 weeks of leave if the leave is for the birth, adoption, or placement of a foster child or to care for a parent with a serious health condition. Each spouse is entitled to 12 weeks of leave if the leave is due to his or her own serious health condition or to care for a son, daughter, or spouse with a serious health condition.

An eligible employee that is taking FMLA leave is required to use all accrued sick leave before going on unpaid status. The employee may choose, but is not required, to use accrued vacation and personal leave prior to taking leave on unpaid status.

Benefits While on Leave – During any period of leave under this policy, an employee's group health insurance coverage will be maintained at the same level and under the same conditions as before the leave began. Employees who normally made a contribution toward their health insurance coverage must continue to do so. If the employee has leave banks accrued and is using them, the employee's contribution will be collected in the same manner as if the employee were reporting to work. However, if the employee's leave banks have been exhausted, the employee must arrange with the Finance Department prior to the start of their leave, for the payment of the employee's share of the premiums and other voluntary deductions. Once an employee has exhausted all leave banks, they will not accrue any other benefits. This includes vacation time, sick leave time, holidays and personal days.

Return to Duty – An employee who has taken leave for their own serious health condition, will be required to present certification of fitness for duty from a health care provider prior to returning to work. Failure to provide certification may cause denial of reinstatement.

Upon return to duty, an employee is entitled to restoration of the former position or an equivalent position with equivalent pay and benefits.
